NOTES.

C. No. 287 From the D.P.I. No. 2248, dated 12-2-1900.

SUBJECT.

Transfer to the Coimbatore College of the University grant of Rs 1000 to be refunded by the C.S.M. institution, Madras.

In G.O. no. 810 Edl dated 3rd Dec. 1907, the Govt sanctioned a grant of Rs 1,000 to the Church of Scotland Mission College, Madras.

2. As the College dept of this institution has been abolished with effect from 1st January 1910, the manager proposes to refund the grant of Rs 1,000 paid to the institution in 1907.

3. The D.P.I. requests that the sum of Rs 1,000 to be refunded by the C.S.M. institution, Madras may be transferred to the Coimbatore College, as the latter institution is much in need of special help owing to the prevalence of plague in Coimbatore.

4. The grant of Rs 1,000 to the C.S.M. College was paid in 1907. If it is now refunded, it will be treated as a receipt and will be credited to the appropriate account and made part of the general treasury balance. It will not be available for expenditure during the current year. And it is doubtful whether the amount can be taken in deduction of charges in the accounts for 1909-1910, ^{as to make it} So ~~that it may~~ be available for expenditure in 1909-10.

The A.G. may it is submitted, be consulted on the point.

The file may, it is submitted, be first sent up to Financial Department for remarks, as to whether the amount of Rs 1000 to be refunded by the C.S.M. College may be utilized in the current year for payment as a grant to the Combatoe College.

2. The grant of Rs 1000 to the Csm College was made out of the special grant placed by the Govt. of India at the disposal of this Govt. in aid of the University and Collegiate Education. A ~~grant~~ grant of Rs 13,500 was made out of this special university grant to the Combatoe College, Rs 10,000 for physical and chemical laboratory, Rs 1000 for maps appliances etc and Rs 2500 for 'natural science'. The proposal of the D.P.I. is that the Combatoe College should be given a further grant of Rs 1000, as the College is "much in need of special help owing to the prevalence of plague". When the Govt. of India sanctioned this special grant in 1905, they stated that the main object to which the grant should be devoted was to render Colleges (private institutions) more efficient in those respects in which an inspection by the University showed them to be defective and that the grant could most usefully

vide para. 3 of India's letter, page 3 of 10

usefully be devoted to the development of the hostel system. The grant was accordingly distributed among the General Colleges specified in the annexure to G.O. No. 810 Est., dated 3rd December 1907 for the purpose of improving their apparatus & equipment and also for the provision of additional buildings, the grant intended for the last named purpose being included under the head 'General purposes'. It is not stated by the D.P.I., for what purpose exactly the sum of Rs. 1000 is now required by the Coimbatore College, and in the absence of definite information on the point, it is doubtful whether the grant now required by that institution may be sanctioned out of the balance of the University grant. If the D.P.I. can show that the object of the grant is within the scope of India's letter No. 752 dated 6th December 1905, the grant now ~~is~~ recommended for the Coimbatore College may be sanctioned from the provision of Rs. 17000, made under the head "University" in the current year's budget, out of which only a sum of Rs. 1900 has till now been expended - vide para. 1 of the Accountant General's note on p. 1 of the budget notes for

for 1910-1911.

K.R.
21-2-10.

The ear-marked grant of 1.05 for the University having now mercifully been absorbed under the last provincial settlement, India won't call on this Government to account for this Rs.1,000, and the ground seems to have been taken away from under the Director of Public Instruction's assumption that the Rs.1,000 must be given to some college.

2. This being so, if Coimbatore has a case for assistance, that is a separate matter, nothing to do with the C.M.S.'s failure to utilise the Rs.1,000. What the Coimbatore case for a special grant is, the Director has not explained fully and it will apparently be necessary to send the case back to him, explaining that the grant is not ear-marked now. The money can't be given away now simply because it is there to give and must be got rid of - which was the pernicious effect of the ear-marking. Now there must be good grounds.

3. However, before this goes to Secretary, let us get the facts right. The office note assumes that the money was paid, because it was sanctioned, in 1907. Mr. Chru (page 2 current file) writing in 1910 says it was paid "last year", i.e. in 1909. Please ascertain from the Accountant General or Director of Public Instruction's office whether it was

3. The second sentence of Memo. No. 287-2 d. 6. 4. 10 was put in, as it was thought that the D.P.G. asked for the transfer of the amount from the head University because no funds were available under 22-G Grants-in-aid in 1909-10, and also because he wanted apparently to make a grant to the Camborne College before the close of that year, in which case an application would have to be made to Financial for reapprop. of the required funds.
