READ—the following papers :—

I

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 25th February 1909.

No.—Ref. on Cur. 5660/08.

I have the honour to submit the enclosed plan with estimate, amounting to Rs. 12,400, for the construction of an additional building for the use of the Coimbatore College and to recommend that a third grant, amounting to Rs. 4,133, may be sanctioned to be paid when funds become available.

2. The proposed building is necessary for the accommodation of the Intermediate Physical and Natural Science Laboratories and the Mathematics class in connection with the new courses of studies.

II

Memorandum No. 401-2, Educational, dated 29th April 1909.

With reference to his letter R.O.C. No. 5660, dated 25th February 1909, recommending a grant of Rs. 4,133 towards the cost of constructing an additional building for the Coimbatore College, the Director of Public Instruction is requested to ascertain and report the number of students which each of the proposed additional rooms is intended to accommodate.

IV

Memorandum No. 3765-C., dated 10th September 1909.

The accompanying plan and estimate, amounting to Rs. 12,400, for the construction of an additional building for the Coimbatore College, are forwarded to the Superintending Engineer, IV Circle, with the request that the Executive Engineer, Coimbatore Division, may, in the light of his experience at the Agricultural

College and Research Institute and in consultation with the local Educational authorities, consider the suitability of the plan having regard to the disposition of benches, fume cupboards, etc., which had better be shown as also the disposition of the rooms, i.e., which room is intended for Chemistry and which for Physics. It should be ascertained whether a balance room is not required for which there is no provision, and also what should be allowed for fittings.

(By Order.)

P. HAWKINS,
Under Secretary to Government.

To the Superintending Engineer, IV Circle, with plan and estimate.

Letter—from H. T. KEELING, Esq., A.M.I.C.E., Executive Engineer, Coimbatore Division.

To—the Superintending Engineer, IV Circle.

Dated—the 21st December 1909.

No.—848-S.E.

With reference to your endorsement No. 541, dated 20th September 1909, I have the honour to enclose herewith a plan of the internal arrangements drawn up in consultation with the Principal and Secretary. The cost should not exceed Rs. 900.

It is believed that the College will shortly be taken over by Government and established as a first-grade college; the work can, therefore, if approved, be finished off by this department.

No. 15 W., dated 4th/5th January 1910.

Copy forwarded to the Chief Engineer, Public Works Department, with reference to his No. 3765-C., dated 10th September 1909.

Note by the Chief Engineer, Public Works Department, dated 13th June 1910.

The Director of Public Instruction submits two estimates, aggregating Rupees 12,400, for constructing an additional building for the Coimbatore College.

The estimate is submitted for sanction in connection with an application for a grant-in-aid.

The plans and estimates were referred by the Chief Engineer to the Superintending Engineer, IV Circle, with the request that the Executive Engineer, Coimbatore, might consider and report upon the disposition of benches, fume cupboards, etc., in consultation with the local Educational authorities and in the light of his experience in connection with the Agricultural College and Research Institute at Coimbatore.

The Superintending Engineer has submitted a supplemental estimate together with a plan of the internal arrangements drawn up in consultation with the Principal and Secretary. This estimate amounts to Rs. 900.

The three estimates, aggregating Rs. 13,300, have been scrutinized in the Chief Engineer's office, minor alterations having been effected, and are recommended for sanction.

F. J. WILSON,
Chief Engineer, P.W.D.

Order—No. 357, Educational, dated 20th June 1910.

The Government are pleased to sanction a grant not exceeding one-third of the actual expenditure, nor exceeding Rs. 4,430, towards the cost of constructing an additional building for the Coimbatore College, subject to the following conditions:—

(1) That in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted;

(2) that the work is completed before the 1st May 1911;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 1st June 1911;

(4) that all other conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled, the grant will be paid as funds become available.

From the Director of Public Instruction, dated 25th February 1909, No. 5660.

The Director of Public Instruction submits a plan and estimate amounting to Rs. 12,400 for the construction of an additional building for the Coimbatore College so as to accommodate the Intermediate Physical and Natural Science laboratories and the Mathematics class in connection with the new courses of studies, and recommends that a one-third grant, namely, Rs. 4,133 may be sanctioned under article 51 of the Grant-in-Aid Code.

2. In G.O., No. 810, Educational, dated 3rd December 1907, a grant of Rupees 13,500 was sanctioned to the Coimbatore College out of the special assignment made by the Government of India in aid of University and Collegiate education. Of this grant of Rs. 13,500, a sum of Rs. 1,000 was for maps, appliances, history and library, a sum of Rs. 10,000 for Physics and Chemistry and the balance of Rs. 2,500 for Natural Science.

3. It is submitted that the plan and estimate may be forwarded to the Public Works Department u.o. for scrutiny in the first instance.

P.R.—5-3-09.

In letter No. 73, Educational, dated 4th February 1909, the Government have applied to the Government of India for a grant from Imperial funds of Rupees 1,50,000, spread over a period of three years, for contributions to colleges to enable them to provide themselves with complete equipments of suitable apparatus for their laboratories. In this sum of Rs. 1,50,000 is included Rs. 4,000 on account of the Coimbatore College. The Government of India have not yet replied to the above letter. In the meantime, the plans and estimates may be sent to the Public Works Department u.o. for scrutiny.

INSTRUCTIONS FOR THE
SECRETARIAT.

(a) If a paper is marked to be printed
urgently, the Superintendent of the section
concerned should sign the Press slip. The
Superintendent should exercise a careful discre-
tion in the matter.

(b) Each letter, memorandum, or order, or set
of orders, in the file of correspondence should be
headed in succession with the Roman numeral I,
II, III, etc., the number being written in red ink
or blue chalk above the item. The particular
papers to be printed in the special issue-copies
should be indicated by the Roman numeral (I,
II, etc.) by which that item has been headed in
the correspondence file. All matter, including
marginal remarks or references, to be printed
should be written in ink and matter which should
not be printed should be encircled. Initials and
signatures that are not quite legible should be
re-written distinctly.

(b) For rules regarding printing of notes,
see the rules in G.O., No. 1220, Public, dated
30th November 1900.

(c) The number of copies and the details of
distribution should be filled in by the Superin-
tendent or Referencer concerned.

(d) In the absence of special instructions to
the Press to keep matter standing for a specified
period, ordinary papers of 8 pages and under
will be kept standing for one week, and larger
papers for two weeks only. The type of notes
and of all confidential papers is distributed
immediately after striking.

(e) This slip, properly and completely
filled in, should accompany every paper sent to
Press; it will be returned by the Press when
proofs are furnished; it should be sent to the
Press when a call is made for revised proofs or
when a corrected proof is sent for striking.
When finally returned by Press it should
be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

(a) If, in the opinion of the Superintendent of
the Press, a paper has been marked urgent
unnecessarily, he should send the Press slip to
the Deputy Registrar with a remark to that
effect.

(b) Unless a note to the contrary is made
against the matter, pencil entries should not
be printed. The Superintendent of the Press
may bring to the notice of the Deputy Registrar
any instance of incomplete or careless editing.

(c) Signature copies of letters to the
Secretary of State or to the Government of
India should be printed on hand-made paper.

(d) This slip should be returned by the Press
to the Secretariat when proofs are furnished; it
will be sent back to the Press when proofs
are returned corrected and should be finally
returned to the Secretariat when struck-off
copies are supplied.

(e) The names of the Secretary and Members
should be printed in full when they occur on
the right hand side, but only the first time when
they appear on the left side, the initials alone
being printed later.
