Sir,

Sir,

As the sanction accorded in G.O.No. 151,
Educational, dated 13th March 1909 to the employment
of an Assistant gardner^e on Rs 8 per mensem in the
Reformatory School, Chingleput, has expired with the
1st instant, I have the honour to request you will
be so good as to obtain the sanction of Government
for the retention of the post on the permanent
establishment of the school from that date.

2. The Superintendent reports that since the
appointment of the Assistant gardner^e four additional

plots

A

plots of ground have been brought under cultivation which besides affording good object lessons to the garden class has obviated the necessity for purchasing vegetables in the local market, while the plantain cultivation has been a source of profit to the school. It is further reported that there are about 45 boys in the garden class and that one gardener cannot supervise the whole gang when the boys are working in batches in different plots. In these circumstances, I agree with the Superintendent in thinking that the permanent retention of the Assistant gardener is necessary.

3. No provision has, under a misapprehension, been made by the Superintendent in the Budget Estimate of the school for 1910-11 to meet the above charge, and I shall submit the necessary reappropriation statement on receipt of the final issue of the Civil Budget Estimates.

Sir,

Page 4 ante

With reference to Memo. No. 712-1 Educational., dated 6th May 1910, I have the honour to state that the work of the Gardener in the Reformatory School, Chingleput differs widely from that of gardeners employed in Government Colleges. The former, it is reported, besides having to give instruction to the boys in practical vegetable gardening, has to raise crops of several varieties such as cholam, ragi, sesamum, sugarcane, turmeric, ginger etc and to watch the garden both night and day. The gardeners in other Government institutions ~~has~~ ^{have} merely to look after flower plants during the day. Considering the fact that an ordinary field labourer earns from four to six annas a day, the salary proposed for the assistant gardener does not seem to me to be excessive.
