G.O., No. 183, Educational, dated 17th May 1879.

ABSTRACT.—Communicating letter from the Government of India forwarding extract from a despatch from the Secretary of State requesting that Mr. Dene, Principal of the Lawrence Asylum, Ootacamund, be called upon at once to revert to his duties as chaplain.

II

Letter—from H. G. STOKES, Esq., Deputy Secretary to the Government of India, Home Department (Education).

To—the Secretary to the Government of Madras, Educational Department.

Dated—Simla, the 8th June 1910.

No.—600.

I am directed to refer to the Home Department letter No. 141, dated the 2nd May 1879, and to forward for the information of the Governor in Council a copy of the papers noted on the margin, containing the latest orders of His Majesty's Secretary of State for India regarding the employment of chaplains on duties not strictly appertaining to their office, and to request, with special reference to paragraph 2 of the despatch from the Secretary of State of the 6th May 1910 that in submitting any application to the Government of India for sanction to the appointment of a chaplain to take charge of a school temporarily and without detriment to his duties as chaplain, it may be invariably stated whether the Bishop concerned has assented to the arrangement.

ENCLOSURES.

Despatch—from the Government of India, Home Department (Education).

To—His Majesty's Secretary of State for India.

Dated—Calcutta, the 10th March 1910.

No.—5.

We have the honour to forward for Your Lordship's consideration a copy of the correspondence noted in the attached list regarding the temporary employment of the Rev. Mr. Bush, Chaplain of the Gullies, as Principal of the Lawrence Memorial School, Murree.

2. The managing committee of the school having decided to dispense with the service of the permanent Principal of that institution found it necessary at short notice to make arrangements for the discharge of his duties. With the concurrence of the Government of the Punjab and the Bishop of Lahore the Rev. Mr. Bush has been appointed without detriment to his own duties to take charge of the school on an allowance of Rs. 300 per mensem from the 21st August 1909 to the end of February 1910, by which time the committee hope to secure the services of a permanent Principal.

3. The case is similar to that which we have reported to Your Lordship in our Despatch No. 2 (Education), dated the 27th January 1910, and we ask for your approval of the temporary employment of the chaplain in this case also. We would, moreover suggest that the orders contained in Viscount Cranbrook's Despatch No. 2 (Ecclesiastical), dated the 27th February 1879, might well be relaxed so as to dispense with the special reference to the Secretary of State in cases such as the two here referred to in which a chaplain is appointed temporarily without detriment to his own duties to take charge of a school. Such cases are few, and we think that the Government of India may safely be entrusted with the power to sanction such employment. It would, of course, be a rule that the Bishops concerned should be consulted in each instance.

Despatch—from His Majesty's Secretary of State for India.

To—His Excellency the Right Honourable the Governor-General of India in Council.

Dated—India Office, London, the 6th May 1910.

No.—51, Public.

Having considered in Council the letter of your Excellency's Government in Home Department No. 5, dated the 10th March 1910, I approve your action in sanctioning the temporary appointment of the Rev. Mr. Bush to take charge, as Principal of the Lawrence Memorial School at Murree, from 21st August 1909 to the end of February 1910, in addition to his ordinary duties as a chaplain on the Indian Ecclesiastical establishment.

2. It is, in my judgment, most important to maintain the principle underlying the orders contained in Lord Cranbrook's Despatch No. 2 (Ecclesiastical), of 27th February 1879, viz., that chaplains should not be employed on duties not strictly appertaining to their office. I observe, however, that the case which led to the issue of those orders differed in important respects from the cases now in question; it involved the complete withdrawal of a chaplain from his ordinary duties; the arrangement lasted for nearly five years, and was maintained in spite of the express request of the Bishop that it should be discontinued. The cases now under consideration are those in which a chaplain is appointed to take charge of a school temporarily and without detriment to his duties as chaplain. I accept your assurance that such cases are few in number, and I authorise your Excellency's Government to sanction them without special reference to the Secretary of State, provided that on each occasion the Bishop concerned is consulted and assents to the arrangement.
