Station Madras Dated the 18th May 1910

From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc., F.R.S.C.I.E.,

(Designation) Director of Public Instruction,

Madras

To the Chief Secretary to the Government of Madras,

Si, Educational Pension Department

With reference to para 3 of G.O. No. 163 Educational dated 29th March 1910, I have the honour to state that the Drawing master employed by the Cuddapah Municipality teaches in (1) the Municipal High School, (2) the Municipal elementary schools, and (3) the aided elementary schools and that his salary is apportioned according to the time devoted by him to the Municipal High School, the Municipal Elementary schools and the aided Elementary Schools.

2. The provincial contribution now paid on his behalf represents the whole of his salary apportioned to the Municipal High School and half of it apportioned to the Municipal and aided elementary schools. As the net cost of the High School including the lower secondary department is paid from provincial funds under G.O. No. 468 M. dated 5th March 1907, the contribution towards his salary

ie, half of the salary appertaining to the High School may continue to be paid,
Salary appertaining to the Municipal and Aides elementary Schools but the contribution towards the rest of his salary may be disallowed with effect from the current official year. //

I have the honour to be,

S i r ,

Your most obedient servant,

H. H. H.

NOTES.

G.No.1015, from the D. P. I.

No.7112, dated 18th May 1910.

Subject.

Contribution towards the salary of the Drawing Master employed by the Municipal Council of Cuddapah.

B. Please see Dr. Bourne's letter on pages 1 to 3 of G.O.No.168 Edl., dated 29th March 1910, which fully explains the circumstances under which the Government undertook to contribute a moiety of the salary of the Drawing Master employed in the Municipal High School, Cuddapah, and how the payment of the same to the Municipal Council was continued ^{from 1894}

as a Provincial contribution instead of as a salary grant under the provisions of the Grant-in-Aid rules then in force, ~~from 1894~~ under the sanction accorded by the D.P.I. during each of the subsequent years.

2. In September last when the D.P.I. in accordance with the practice, sanctioned the payment of a contribution of Rs.3,740-13-0 on account of the net cost of the Municipal High school, Cuddapah, which under G.O.No.468 M, dated 8th March 1907 had to be borne by Government, and which also included a portion of the salary of the Drawing Master for 1908-09 and for the first half of 1909-10, the Accountant General held the amount under objection and requested the D.P.I. to obtain the specific sanction of Government to ^{the} ~~the~~ payment. Sanction to the payment of this sum was accorded in G.O.No.168

B. Educational, dated 29th March 1910.

3. As the net cost of the Municipal High school, Cuddapah, and its Lower Secondary department is now paid from Provincial Funds and the Council have

have been entirely relieved of the payment of teaching grants to aided elementary schools ~~_____~~

~~_____~~, Dr. Bourne thought that a separate contribution on account of the Drawing Master might no longer be necessary and promised that he would investigate and report on the matter.

4. In his current letter, Dr. Bourne submits the report promised by him. He states that the Drawing Master in question teaches in (1) the Municipal High school, (2) the Municipal elementary schools and (3) the aided elementary schools, that his salary is apportioned according to the time devoted by him to the Municipal High School, the Municipal elementary schools and the aided elementary schools ^{respectively} and that the Provincial contribution now paid on his behalf represents the whole of his salary apportioned to the Municipal High school, and also half of ^{the salary} ~~it~~ apportioned to the Municipal and aided elementary schools. As the net cost of the High school including the Lower Secondary department is now paid from Provincial funds the D.P.I. states that the contribution towards the Drawing Master's salary appertaining to the High School may continue to be paid, but that the contribution towards the rest of his salary, namely, that which appertains to the Municipal and aided elementary schools may be ^{dis}continued.

5. Prior to 1906-07 the salary grants were sanctioned by the D.P.I. himself. With the introduction of the new Grant-in-Aid Code, which came into force from 1906-07, the salary grant system was abolished - Vide para. 3 of D.P.I.'s letter on page 2 of G.O.No. 356 Educational, dated 21st May 1906. This is apparently the reason for the A.G.'s objecting to pay the portion of the Drawing Master's

Master's salary for 1908-09 and 1909-10 without the specific sanction of Government. In these circumstances, the Director's proposal to continue to pay the portion of the Drawing Master's salary appertaining to the Municipal High School, Cuddapah, and to discontinue the rest, may be approved with the concurrence of the Local and Municipal Department.

6. The Municipal Council of Cuddapah has now proposed to employ a separate Drawing master on Rs 15-1-20 for the Municipal and Aided elementary schools. The present Drawing Master will in future devote his whole time to the High School. His whole salary will therefore be debited to ^{the High School} ~~Municipal~~ ^{the net cost of which the Govt. have undertaken to pay} vide G.O. 468 m.d. 5.3.07.

PR No action seems to be necessary on the D.P. G's present letter.
