In its revised estimate for 1909-10, the Dt Bd of Kurnool took credit for a provincial grant of Rs 15,870 in aid of education, in lieu of Rs 11,430, for which alone it was authorized to take credit in G.O. No 1547 dt dated 18th Nov 08. No specific orders were passed by Govt in regard to this increased subsidy and the amount was retained provisionally pending the receipt of proposals from the Dir. of Pub. Instrn as to the actual amount of subsidy to be made to the Dt Bds in 1909-10. Attention is in this connection solicited to para 3 of the notes with G.O. No 3752 dated 4th March 1910.

* i.e. for 1910-11

The proposed draft will not do. When we sanctioned the Budget we practically sanctioned the Revised Estimates at the same time, and we cannot say now that a particular item was not specifically sanctioned.

We allowed a credit of a Govt. Grant to Ed^t of Rs 15870 to stand pending the receipt of the final distribution of the 2.10 lakh grant from the D.P.I.: it was a mistake in the first instance not to have referred to this in the G.O. and secondly when the final distribⁿ from the D.P.I. was rec^d we might very well have increased the grant to Kurnool as the full grant of 2.10 lakhs was not worked up to.

The D.P.I. naturally saw no reason to increase the grant as the total expenditure on Ed^t according to the R.E. did not exceed the original B.E.

The Kurnool Board is a poor one. I have increased the Ed^t grant for next year, and if the Fin^t Dept do not

Object the grant for last year might now be raised.

Otherwise the closing balance for last year (+ therefore the opening + closing balances for the current year) will be materially reduced.

The Budget closes as it is with the minimum balance under General funds of 5 per cent.

The Fin. grant for last year was 2.10 lakhs under 22.1. Ed. this.

The final distribⁿ amounted only to 2.06,290 lakhs. There is thus a balance of Rs. 3,710 and if it is not too late I would instruct the A.C. to adjust this balance to Kurnool in the final March acc^t.
