G.O., No. 268, Educational, dated 19th May 1910.

ABSTRACT.—Excluding the posts of Taxidermists in the Government Museum, Madras, from the operation of article 1 of the Public Service notification.

G.O., No. 1510, Revenue, dated 9th May 1910.

Read—the following paper :—

Reference from the Board of Revenue (Separate Revenue), G. & R. No. 87, Salt, dated 7th April 1910.

The Board begs to submit the following proposal for the consideration of Government.

2. Under the scheme for the control of the Customs branch of the combined Salt, Abkari and Customs Department sanctioned in Government of India letter, No. 8741-15, dated 25th November 1909, communicated with G.O., No. 1, Revenue, dated 3rd January 1910, the subordinate staff employed at outports and Land Customs stations has been constituted a separate division of the department and Customs officers above the grade of Sub-Inspector, although they form part of the combined establishment will not ordinarily be transferred from Customs work to work in other branches of the department; and in future no officer will be posted to Customs work unless he has been through a course of training in the Madras Custom House. It is therefore unnecessary to require officers employed on Salt and Abkari work to pass the Customs Test. Further the subjects of examination are technical and officers cannot very well be expected to pass the test unless they have had some customs experience.

3. The Board begs to recommend that, in future, officers employed in the Salt, and Abkari Department may be exempted from passing test G.

4. Government will be addressed separately on the question as to which of the Salt, Abkari and Customs tests should be passed by Customs officers.

5. A draft notification amending the rules as proposed is enclosed for approval and publication in the *Fort St. George Gazette*.

H. A. B. VERNON,
Secretary.

REVENUE DEPARTMENT.

NOTES TO G.O., No. 1510, REVENUE, DATED 9TH MAY 1910.

" "	1337 " "	14th May	1909.

Reference from the Board of Revenue (Separate Revenue), Govt. R. No. 87-Salt, dated 7th April 1910.

According to G.O., No. 1337, Revenue, dated 14th May 1909, certain officers of the Customs branch, i.e., those employed in Custom-houses and clerks and accountants in Customs offices on a salary of more than Rs. 30 *per mensem* have to pass the Customs test. As there was the chance of any officer of the General department being one day posted to Customs duties he had also to pass the Customs test. Now that the control of the outports and land customs stations has been vested in the Collector of Customs in charge of a separate division of the Salt, Abkari and Customs department and Customs officers *above the grade of Sub-Inspector* [though, for purposes of promotion, they form part of the general establishment of the combined department] will not, in future, ordinarily be transferred from Customs work to work in the Salt and Abkari branches of the department and no officer of the Salt and Abkari department will, in future, be posted to Customs work unless he has had a course of training in the Madras Custom-house, the Board of Revenue considers it unnecessary to require officers employed on Salt and Abkari work to pass the Customs test, and accordingly proposes to exempt them from passing the test.

It is clear enough.

V.A.A.

Submitted that it is necessary to add the Board's proposed note to rule 4 (11) of the rules at page 5 of G.O., No. 1564, dated 3rd June 1908.

2. It is respectfully submitted that the Board's proposal is not clear. Under existing rules an officer of the Salt and Abkari branches had to pass the Customs test because he had a chance of being posted to Customs work. Now that this chance has been taken away and that there is no rule compelling officers employed in the Salt and Abkari branches to pass the Customs test, it seems unnecessary to lay down that they need not pass the test.

Orders are solicited.

No. 100/1-D.

The draft notification submitted by the Commissioner for Government Examinations deals with two amendments to the Public Service notification—one approved in G.O., No. 1510, Revenue, dated 9th May 1910, and the other approved in G.O., No. 268, Educational, dated 19th May 1910.

It would, it is submitted, be better if the note in item (ii) in the draft order be printed at the end of the entries in "F.—Salt, Abkari and Customs department" on page 6 of the Public Service notification.

This is also what the Commissioner for Government Examinations suggests.

This draft order may be accepted in this department subject to the above remark.

S.A.R.—7-7-10.

V. A. ANANTARAMA AIYAR—9-7-10.

I agree. In the note, "on" should be "in".

In other cases where remarks are required they are entered as footnotes, and for the sake of uniformity, the note now proposed to be inserted should be entered as a footnote and neither at the beginning or end of the entries in F as suggested in these office-notes. Cf. the footnote to G. "Judicial Department". I have amended the draft accordingly. The office might have observed this in the first instance.
