G.O., No. 38, Educational, dated 20th January 1906.

ABSTRACT.—Informing the Director of Public Instruction that the Secretary of State has sanctioned the proposal of this Government to re-engage Mr. J. Webster, Instructor in Mechanical Engineering in the College of Engineering, Madras, for a further period of five years on a pay of Rs. 450 *per mensem* from 30th January 1906.

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 21st May 1910.

No.—C. No. 3433/10.

I have the honour to state that the period of five years for which the services of Mr. J. Webster, Instructor in Mechanical Engineering, College of Engineering, were re-engaged under G.O., No. 38, Educational, dated 20th January 1906, expires on the 30th January next, and to recommend that steps be taken for his permanent retention in the post on his present pay. Mr. Webster has done excellent work during the ten years he has been in the college, and I think his practical experience should not be lost to the institution. I beg, therefore, to suggest that he be admitted to the privileges of the pension rules with retrospective effect from the date on which he first joined the post.

Order—No. 405, Educational, dated 13th July 1910.

The Government of India will be addressed.

From

THE HON'BLE MR. L. M. WYNCH, C.I.E., I.C.S.,
Acting Secretary to the Government of Madras,
Educational Department,

To

THE SECRETARY TO THE GOVERNMENT OF INDIA,
HOME DEPARTMENT.

Dated Ootacamund, the 13th July 1910.

SIR,

I am directed to address the Government of India on the subject of the permanent retention of Mr. J. Webster in the post of Instructor in Mechanical Engineering in the College of Engineering, Madras, and of his admission to the privileges of the pension rules with retrospective effect from the date on which he first joined the appointment.

2. Mr. Webster was appointed by the Secretary of State in 1901 as Instructor in Mechanical Engineering in the College of Engineering under an agreement for five years commencing with the 30th January 1901, on a salary of Rs. 350 per mensem, but without exchange compensation allowance and without any claim for pension or gratuity on retirement. On the termination of the above period, Mr. Webster was, with the sanction of the Secretary of State, re-engaged for a further period of five years on a salary of Rs. 450 per mensem on the same conditions as before and subject to the further condition that in the event of his having to take leave the arrangement would terminate. Mr. Webster was, however, granted sick leave, as a special case, in 1906 with the sanction of the Government of India conveyed in Home Department letter No. 769, dated 10th October 1906.

3. The period of Mr. Webster's re-engagement will terminate on the 30th January 1911; but as he is reported to have done excellent work during the ten years he has been in the college and as the practical experience he has already gained adds to the value of his services, His Excellency the Governor in Council desires to retain him permanently in the post and to admit him to the privileges of the pension rules with retrospective effect from the date on which he first joined the appointment. I am accordingly directed to request that the Government of India will be pleased to obtain the sanction of the Secretary of State to Mr. Webster's permanent retention in the post of Instructor in Mechanical Engineering in the College of Engineering on a salary of Rs. 450 per mensem (but as before without exchange compensation allowance) and to his admission to the privileges of the pension rules with retrospective effect from 1st January 1901, the date on which he first joined the appointment in the College of Engineering.

I have the honour to be,

Sir,

Your most obedient servant,

L. M. WYNCH,
Ag. Secretary to Government.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., Nos. 405, 406, EDUCATIONAL,
DATED 13TH JULY 1910.

[SUBJECT.—*Permanent retention of Mr. Webster as Instructor in Mechanical Engineering, College of Engineering.*]

From the Director of Public Instruction, No. 3433, dated 21st May 1910.

The Director of Public Instruction states that the period of five years for which Mr. J. Webster, Instructor in Mechanical Engineering, College of Engineering, was re-engaged under G.O., No. 38, Educational, dated 20th January 1906, expires on the 30th January 1911, and he recommends that steps may be taken for Mr. Webster's permanent retention in the post on his present pay and that he may be admitted to the privileges of the pension rules with retrospective effect from the date on which he first joined the college.

2. Mr. Webster was appointed by the Secretary of State in 1901 as Instructor in Mechanical Engineering in the College of Engineering on an agreement for five years commencing with the 30th January 1901 and on a salary of Rs. 350 *per mensem*, but without exchange compensation allowance and without any claim for pension or gratuity on retirement—*vide* paragraphs (3) and (10) of Mr. Webster's agreement printed with G.O., No. 236, Educational, dated 2nd May 1901.

3. On the termination of the above period, Mr. Webster was re-engaged with the sanction of the Secretary of State for a further period of five years on a salary of Rs. 450 *per mensem* on the old conditions and subject to the further condition that, in the event of his having to take leave, the arrangement will terminate—*vide* G.Os., Nos. 573-74, Educational, dated 22nd August 1905, and No. 38, Educational, dated 20th January 1906. Mr. Webster was, however, subsequently granted leave, as a special case, in 1906 with the sanction of the Government of India.

4. The Director of Public Instruction now recommends that Mr. Webster may be retained permanently in his post on the present pay (Rs. 450) and that he may be admitted to the privileges of the pension rules with retrospective effect from the date on which he first joined his appointment. Dr. Bourne states that Mr. Webster has done excellent work during the ten years he has been in the college and that his technical experience should not be lost to the institution.

5. It is for consideration whether the Director's proposals may be accepted. If they are accepted, the Government of India will have to be addressed to obtain the sanction of the Secretary of State to the proposals.

T.K.—2-6-10.

The post of Instructor in Mechanical Engineering, which was created * in 1900, is

* *Vide* Secretary of State's Despatch No. 61, dated 17th May 1900, on page 3 of G.O., No. 289, Educational, dated 16th July 1900.

outside the Indian and Provincial Educational Services and is a special appointment. Mr. Webster was selected for this post by the Secretary of State at the special request of this Government—*vide* paragraph 4 of letter to India, No. 517, Educational, dated 9th August 1899. The proposal to retain Mr. Webster permanently in the post

on his present salary may be approved by the Local Government; but his admission to the privileges of the pension rules with retrospective effect from the date on which he first joined his appointment appears to require the sanction of the Secretary of State, as the original engagement which was entered into with Mr. Webster by the Secretary of State expressly stated that Mr. Webster was to have no claim for pension or gratuity.

2. Submitted that the papers may be sent un-officially to the Accountant-General for remarks as to the sanction required for Mr. Webster's admission to pension privileges with retrospective effect.

- (d) In the absence of special instructions to the Press to keep matter standing for a specified period, ordinary papers of 8 pages and under will be kept standing for one week, and larger papers for two weeks only. The type of notes and of all confidential papers is distributed immediately after striking.
- (e) This slip, properly and completely filled in, should accompany every paper sent to Press; it will be returned by the Press when proofs are furnished; it should be sent to the Press when a call is made for revised proofs or when a corrected proof is sent for striking. When finally returned by Press it should be filed with the original order or letter.

INSTRUCTIONS FOR THE PRESS.

- (a) If, in the opinion of the Superintendent of the Press, a paper has been marked urgent unnecessarily, he should send the Press slip to the Deputy Registrar with a remark to that effect.
- (b) Unless a note to the contrary is made against the matter, pencil entries should not be printed. The Superintendent of the Press may bring to the notice of the Deputy Registrar any instance of incomplete or careless editing.
- (c) Signature copies of letters to the Secretary of State or to the Government of India should be printed on hand-made paper.
- (d) This slip should be returned by the Press to the Secretariat when proofs are furnished; it will be sent back to the Press when proofs are returned corrected and should be finally returned to the Secretariat when struck-off copies are supplied.
- (e) The names of the Secretary and Members should be printed in full when they occur on the right hand side, but only the first time when they appear on the left side, the initials alone being printed later.
