Madras Record Office.Endt.

Please see papers put up. Public, Financial and Educational Indexes from the year 1878 to 1899 have been looked into. The particular G.O. authorizing the above distribution is not traceable. The office of the S.G.P. to which a copy of the G.O. might have been communicated may be able to throw some light on the point.

This does not help. 7 for India Office and Museum and 1 for Bodleian Library have been accounted for from the papers. No proper authority for the present distribution can be had. I have asked the S.G.P. and Madras Record office (again) for papers.
