SIR,

2. The Government generally accept the proposals of the Committee, and with reference to the observations of the Committee in paragraph 19 of their report, the Government have indicated in their proceedings the amount of the financial support which they are prepared to afford to the scheme and the conditions on which such support will be given. The success of the scheme, as you will observe, depends on the contributions to the proposed endowment fund which may be made by zamindars and landed proprietors, and I am desired to ask you to be good enough to ascertain and intimate to Government what amount of support may be expected.
