GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers:—

I

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 21st May 1910.

No.—R.C. No. 7550 of 1909.

I have the honour to invite the attention of Government to paragraph 2 of my endorsement, R.C. No. 7550 of 1909, dated 12th April last, and to request that steps may be taken, as soon as possible, to recruit an officer temporarily from the Public Works Department for the post of Professor of Civil Engineering, College of Engineering, Madras, if there is likely to be any delay in getting an officer from England.

It seems very necessary that there should be some one in the college to do the duties of the Professor of Civil Engineering on the 15th July next, the date on which the institution re-opens after the summer vacation.

II

Memorandum No. 28-1 M/O., dated 3rd June 1910.

Mr. C. L. T. Griffith, Engineer, Corporation of Madras, has applied to the Director of Public Instruction privately for the post of Professor of Civil Engineering, College of Engineering, on the grounds that he does not like his present work and that the present state of his health is not likely to allow of his continuing in it much longer. The Director of Public Instruction recommends his appointment as Professor of Civil Engineering with effect from 15th July next. Mr. Griffith proposes to take extraordinary leave without allowances for a period of one year and wishes to retain a lien on his present post of Engineer before finally making up his mind to return to the Educational Department. The President, Corporation of Madras, will be requested to report whether he has any objection to the grant of leave without allowances to Mr. Griffith for a period of one year and, in the event of the leave being granted, whether he has any recommendation to make in regard to the appointment of a suitable successor.

L. M. WYNCH,
Ag. Secretary to Government.

To the President, Corporation of Madras.

III

Letter—from P. L. MOORE, Esq., I.C.S., Acting President, Corporation of Madras.

To—the Secretary to Government, Local and Municipal Department.

Dated—the 16th June 1910.

No.—G. 552.

With reference to Government Memorandum No. 28-1 M/O., dated 3rd June 1910, I have the honour to state that I have no objection to the grant of leave without allowances for one year to Mr. Griffith.

As it is intended that Mr. Griffith is to retain a lien on his appointment, I take it that the arrangement which I am asked to suggest is a purely temporary one.

That being so, I propose that Mr. Hensman, Assistant Engineer, be appointed to act as Engineer on his present pay *plus* acting allowance of Rs. 150.

IV

Memorandum No. 1046-2, Educational, dated 22nd June 1910.

The President of the Corporation of Madras has no objection to the grant to Mr. Griffith of leave without allowances for a period of one year. The Director of Public Instruction is therefore requested to offer Mr. Griffith, subject to the sanction of the Secretary of State, the post of Professor of Civil Engineering, College of Engineering, sub. *pro tem.*, for one year on a salary of Rs. 750 per mensem from the date of his joining the appointment and to report to Government at an early date whether he accepts the above terms.

L. M. WYNCH,
Ag. Secretary to Government.

To the Director of Public Instruction.

V

Letter—from the Hon'ble Mr. A. G. BOURNE, D.Sc., F.R.S., C.I.E., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 5th July 1910.

No.—Ref. on Cl. No. 28.

With reference to Government Memorandum No. 1046-2, dated 22nd June 1910, I have the honour to report that Mr. Griffith, Engineer, Corporation of Madras, is willing to accept the appointment of Professor of Civil Engineering in the College of Engineering, Madras, on the terms mentioned therein.

VI

Telegram—from the President, Corporation of Madras.

To—the Secretary to Government, Local and Municipal Department.

Dated—the 14th July 1910.

Is Griffith to be appointed Educational Department? If so, when should he be relieved?

VII

Telegram—from the Government of India, Home Department.

To—the Secretary to the Government of Madras, Educational Department.

Dated—Simla, the 5th August 1910.

Number 80, Education. Your telegram 23, dated 3rd August. Secretary of State sanctions appointment Griffith on terms detailed in your telegram No. 21, dated 8th ultimo. Permanent appointment is left dependant on his giving satisfaction.

Order—No. 459, Educational, dated 5th August 1910.

The Director of Public Instruction will be informed that the Secretary of State has sanctioned the appointment of Mr. C. L. T. Griffith, Engineer, Corporation of Madras, temporarily to the Indian Educational Service as Professor of Civil Engineering, College of Engineering, Madras, for one year in the place of Mr. A. Chatterton on deputation as Director of Industries. While holding this acting appointment, Mr. Griffith will be paid a salary of Rs. 750 per mensem. His permanent appointment to the Indian Educational Service will depend on his giving satisfaction in the discharge of his duties.

(True Extract.)

L. M. WYNCH,
Ag. Secretary to Government.

To the Director of Public Instruction.

" President, Corporation of Madras.

" Local and Municipal Department.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., No. 459, EDUCATIONAL, DATED
5TH AUGUST 1910.

[SUBJECT.—*Appointment of a successor to Mr. Lobban, Professor of Civil Engineering, College of Engineering, Madras.*]

Demi-official—from the Hon'ble Mr. A. G. BOURNE, D. Sc., Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—the 24th May 1910.

I have just heard from Mr. C. L. T. Griffith, who came out as Professor of Engineering and was afterwards appointed by the Corporation of Madras as their Engineer, that he would like to go back to the Engineering College. This would probably be a very satisfactory appointment and it *might* be possible to arrange that he should take up work at the beginning of next session.

I shall submit a note in the usual form as soon as possible. In the meantime I write to suggest that no action should be taken towards filling the appointment by any one else.

EDUCATIONAL DEPARTMENT.

Please see the Director of Public Instruction's letter, dated 21st May 1910, in the current file in which he requests that steps may be taken to recruit an officer temporarily from the Public Works Department for the post of Professor of Civil Engineering if there is likely to be any delay in getting an officer from England.

2. This letter may, it is submitted, lie over till Dr. Bourne submits the note referred to in his *demi-official* above.

T.K.—25-5-10.

In the meantime the papers relating to Mr. Griffith will be collected.

K. RANGASWAMI AYYANGAR—26-5-10.

Await Director of Public Instruction's note.

S. H. SLATER—26-5-10.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

Note regarding the appointment of a successor to Mr. Lobban, late Professor of Civil Engineering in the College of Engineering, Madras.

In my endorsement, R.C. No. 7550/09, dated 12th April 1910, Government G.O., No. 207, Educational, 18th April 1910. were requested to take steps to select a successor to Mr. Lobban, late temporary Professor of Civil Engineering in the College of Engineering, Madras, who severed his connection with that institution from the 1st instant, and in my letter, R.C. No. 7550/09, dated 21st instant, the recruitment of an officer temporarily from the Public Works Department was suggested if there was likely to be any delay in

getting an officer from England for the post vacated by Mr. Lobban. Mr. C. L. T. Griffith, Engineer, Municipal Corporation, Madras, has since applied to me privately for the above post and says as his reason for seeking the change that he does not like his present work and that the present state of his health is not likely to allow of his continuing in it much longer. Mr. Griffith first entered the Educational Department on the 23rd January 1905 as temporary Professor of Civil Engineering in the local College of Engineering on a salary of Rs. 500 per mensem without any claim to exchange compensation allowance, having been engaged by the Secretary of State from the date of his reporting his arrival at Madras in January 1905 up to 1st June 1906. He stayed in the College till the 5th June 1905 and subsequently took up the post of Engineer to the Madras Corporation on a salary of Rs. 750 rising to Rs. 1,000 by annual increments of Rs. 50 each to which he was appointed in G.O., No. 1089 M., Mis., dated 5th June 1905. He was further exempted from the liability of refunding the sum of £37-10-0 which was paid to him towards the cost of his passage to Madras. He was succeeded in the College of Engineering first by Mr. R. A. Ryves and then by Mr. C. H. Lobban. Having regard to his qualifications as stated in his application printed on the first page of his agreement with the Secretary of State communicated with G.O., No. 20, G.O., No. 265, Educational, 3rd April 1908. Educational, dated 16th January 1905, and to his five years' practical experience of Indian conditions, I recommend Mr. Griffith's appointment as Professor of Civil Engineering, College of Engineering in the Indian Educational Service with effect from the 15th July next on which date the College re-opens. He is quite prepared to join the College any time he is required to do so, provided the Government of Madras in whose gift his present appointment lies so orders him. He says he is not under any agreement with the Madras Corporation and is not bound to give it any notice since he does not mean relinquishing its service permanently at present and his appointment to the Educational Department must be looked upon merely as a transfer from Municipal to direct Government service both of which is controlled by the local Government. He now draws a salary of Rs. 950 and will become entitled to Rs. 1,000 per mensem from 1st July next. He wishes that Government should make an offer to him of any salary they consider reasonable, and as he would have been eligible for a pay of Rs. 750 on the 1st June next if he had continued in the College of Engineering and had been allowed a salary of Rs. 550 on the 1st June 1906 and thereafter the annual increments usually granted to the members of the Indian Educational Service, I would suggest that he be offered that salary (Rs. 750) from the date of his joining the new appointment. He appears to have one month's privilege leave to his credit and wishes to be granted extraordinary leave without allowances for a year so that he may have a lien on his present appointment during that period. He may therefore if the leave be granted be appointed to the Professorship of Civil Engineering *pro tem.* for a year. He will have completed 38 years of age on the 6th June 1910, and may perhaps be excused from the production of the usual health certificate if he produced one on his transfer to Municipal Service.

A. G. BOURNE—27-5-10.

EDUCATIONAL DEPARTMENT.

Mr. C.L.T. Griffith is now employed under the Corporation of Madras, which is under the Local and Municipal Department. If it is decided to appoint Mr. Griffith as Professor of Civil Engineering, College of Engineering, in the place of Mr. Chatterton, the sanction of the Secretary of State will have to be obtained to the appointment. Mr. Griffith proposes to take extraordinary leave without allowances for a period of one year from his municipal appointment, so that he may have a lien on that post.

2. Under section 12 of the Madras City Municipal Act, 1904, the appointment of Engineer to the Corporation of Madras vests in the Local Government and under section 60, the grant of leave to this officer and the appointment of a *locum tenens* also vests in the Local Government.

3. It is for consideration whether the proposal of the Director of Public Instruction may be approved; and if it is approved, whether Mr. Griffith may be granted extraordinary leave without allowances in his municipal appointment for a period of one year.

K. RANGASWAMI AIYANGAR—1-6-10.

I submit that this may, in the first place, go to Local and Municipal u.o. for remarks as Mr. Griffith is now serving under Government in that department.

S. H. SLATER—1-6-10.

The papers may be referred to Local and Municipal u.o. for remarks.

L. M. WYNCH—2-6-10.

To the Local and Municipal Department.

LOCAL AND MUNICIPAL DEPARTMENT.

Please make a very urgent reference to the President, Corporation of Madras, and ask him if the Corporation would have any objection to the grant of leave without allowance to Mr. Griffith for one year in the circumstances stated by the Director of Public Instruction as he wishes to retain a lien on his appointment as Municipal Engineer before finally making up his mind to return to the Educational Department.

If the lien is granted it will probably make it rather difficult to fill the temporary vacancy. Look up the paper recording Mr. Griffith's appointment sharp and see what was done on that occasion.

The President may be asked if he has any recommendation to make in this regard in the event of leave being granted.

A On the last occasion, if I remember right, very great difficulty was experienced in finding a man for the post.

L. M. WYNCH—2-6-10.

A draft memorandum to the President, Corporation of Madras, is submitted for approval.

2. Please see the notes and orders in G.O., No. 1089 M., dated 5th June 1905, in regard to the appointment of Mr. Griffith as Engineer, Madras Corporation. As

Vide G.O., Nos. 933-934 M., dated 13th May 1905, and His Excellency Lord Ampthill notes on paragraphs 2 and 3 of G.O., No. 1089 M., dated 5th June 1905.

G.O., No. 678 M., dated 31st March 1905.

T. KRISHNASWAMI AIYAR—2-6-10.

observed by the Secretary at A above, very great difficulty was experienced on the previous occasion in finding a suitable man for the post. Mr. Hormusji Nowroji was acting as Engineer before Mr. Griffith's appointment to the post.

Issue.

L. M. WYNCH—3-6-10.

[Memorandum No. 28-1 M./O., dated 3rd June 1910.]

From the President, Corporation of Madras, No. 552, dated 16th June 1910.

The President of the Corporation of Madras (Mr. Moore) says he has no objection to the grant of leave without allowances for one year to Mr. Griffith.

He also suggests that as Mr. Griffith is to retain a lien on his appointment and as the arrangement which he is asked to suggest is a purely temporary one, Mr. Hensman, Assistant Engineer, may be appointed to act as Engineer on his present pay (Rs. 250—10—350) *plus* an allowance of 150 per mensem.

2. The President is apparently under a misapprehension when he says that he is asked to suggest only a temporary arrangement to fill the place of Mr. Griffith under the Corporation for a period of one year. The vacancy for which it is proposed to appoint Mr. Griffith in the Indian Educational Service is no doubt temporary at present, but it will become permanent when Mr. Chatterton is permanently appointed as Director of Industries. It may therefore be safely taken that Mr. Griffith's appointment to the Indian Educational Service is practically permanent and that any proposals which may be suggested for filling Mr. Griffith's place under the Corporation might be made on the basis that Mr. Griffith will not go back as Municipal Engineer. In any case, there appears to be no objection to accept the arrangement proposed by him as *pis aller* pending the selection of a suitable candidate for the place.

K. RANGASWAMI AIYANGAR—17-6-10.

The papers have first to be sent back to Educational with the remark that Mr. Griffith's services can be made available for the Engineering College.

L. M. WYNCH—18-6-10.

To the Educational Department.

EDUCATIONAL DEPARTMENT.

The Director of Public Instruction may now, I submit, be authorised to ascertain whether Mr. Griffith will accept the terms proposed at A on page 2 of the notes *supra*, and if he does he may be appointed sub. *pro tem*. Professor of Civil Engineering with effect from the date of reopening of the college.

His Excellency the Governor has approved of the arrangement.

L. M. WYNCH—18-6-10.

I agree to taking Griffith on the terms suggested as a temporary arrangement for the present. I presume we can offer Griffith the salary proposed without sanction of India or Secretary of State. Please make certain of this

A

M. H[AMMICK]—18-6-10.

Please examine the point at A.

L. M. WYNCH—20-6-10.

Mr. Griffith was first engaged by the Secretary of State in 1904 to be a temporary member of the Indian Educational Service and to hold the appointment of Professor of Civil Engineering from the date of his reporting his arrival in India to the 1st June 1906. Mr. Griffith then resigned his appointment in the Indian Educational Service in order to take up the post of Engineer to the Corporation of Madras. Under paragraph 240 of the Manual of appointments and allowances the Local Government can, whenever occasion arises, provide for temporary vacancies in the Indian Educational Service by appointing members of the Provincial or Subordinate Educational Service to officiate. Mr. Griffith does not now belong to either of these services and

Vide agreement on page 5 of G.O., No. 20, Educational, dated 18th January 1905.

G.O., No. 489, Educational, dated 15th July 1905.

Page 54 of the book.

Vide also paragraph 16 of India's Resolution—page 9 of G.O., No. 479, Educational, dated 10th August 1896.

Service to officiate. Mr. Griffith does not now belong to either of these services and

his appointment to the Indian Educational Service requires therefore the sanction of the Secretary of State in whom rests the recruitment of officers for the Indian Educational Service. The proposal to give Mr. Griffith a salary of Rs. 750 to start with in the Indian Educational Service seems also to require the sanction of the Secretary of State.

Vide paragraph 6 of India's Resolution—page 9 of G.O., No. 479, Educational, dated 10th August 1896.

2. Under article 773 of the Civil Account Code, Volume II, the sanction of the Government of India is required to the appointment of a European to any post carrying a salary of Rs. 200 a month or upwards, but the case of Mr. Griffith is covered by exception (ii) (3) under clause (a) of that article.

3. It seems thus to be enough if the sanction of the Secretary of State is obtained to Mr. Griffith's appointment to the Indian Educational Service on an initial salary of Rs. 750 per mensem with the usual increments thereafter.

K. RANGASWAMI AIYANGAR—20-6-10.

S. H. SLATER—20-6-10.

In our telegram to India which India will presumably transmit to the Secretary of State, we said we did not want Lobban back and proposed to make local arrangements, but, before telegraphing to the Secretary of State for sanction to Griffith's appointment, had we better not first ascertain if he will accept the terms proposed (subject to the sanction of the Secretary of State)? There is a considerable difference in pay. He is entitled to Rs. 1,000 per mensem from 1st June in his present post, whereas in the Engineering College he will only get Rs. 750. That is the salary he would have been getting had he remained in the Educational Department and we cannot well offer more; the Director of Public Instruction merely says that Griffith wanted Government to make him an "offer of any salary they considered reasonable", but does not say whether he had mentioned the salary he intended to propose and if Griffith expressed his willingness to take it.

L. M. WYNCH—21-6-10.

Yes. Better first ask the Director of Public Instruction to ask Griffith definitely if he will come in under these terms. If he accepts we can wire to India and state who Griffith is, viz., that he was selected by Secretary of State previously and now desires to come back to us.

M. H[AMMICK]—23-6-10.

Please draft official memorandum accordingly.

L. M. WYNCH—22-6-10.

The draft memorandum is for approval.

K. RANGASWAMI AIYANGAR—22-6-10.

Issue.

S. H. SLATER—22-6-10.

[Memorandum No. 1046-2, dated 22nd June 1910.]

L. M. WYNCH—24-6-10.

The Director of Public Instruction has not yet replied to Memorandum No. 1046-2, dated 22nd June 1910, in regard to Mr. Griffith's willingness to accept the post of Professor of Civil Engineering, College of Engineering, on the terms offered. The College of Engineering reopens on the 15th July next. Perhaps the Director may be asked by wire (?) to expedite his reply.

K. RANGASWAMI AIYANGAR—1-7-10.

Wait three days. He has hardly had time to reply yet.

S. H. SLATER—2-7-10

No reply has yet been received from the Director of Public Instruction.

T.K.—5-7-10.

Remind, in view of the reopening of the college on the 15th.

S. H. SLATER—5-7-10.

The following telegram may be sent to the Director of Public Instruction :—

“No. 19. Please expedite reply to Memorandum 1046-2, dated 22nd June last, enquiring whether Griffith accepts the terms offered.”

T.K.—5-7-10.

S. H. SLATER—5-7-10.

From the Director of Public Instruction, dated 5th July 1910, Cl. No. 28.

The Director of Public Instruction reports that Mr. Griffith is willing to accept the appointment of Professor of Civil Engineering in the College of Engineering on the terms offered.

2. The following telegram may be despatched to the Government of India :—

“No. 21, Education. Please refer [to] my telegram No. 17, [dated] 15th June last. Madras Government propose [to] appoint [Mr.] Griffith, Engineer, Madras Corporation, temporarily to Indian Educational Service as Professor [of] Civil Engineering, College [of] Engineering, for one year in place of [Mr.] Chatterton on deputation as Director of Industries. Griffith was appointed temporary Professor [of] Civil Engineering by [the] Secretary [of] State in 1905. His qualifications [are] given in Taylor's letter No. 140, Educational, [dated] 9th March 1905. Government appointed him Engineer, Madras Corporation. He desires to re-enter Educational Department. His present pay as Municipal Engineer Rs. 1,000, but he accepts Rs. 750 offered by Government being the salary he would have now been eligible for, had he continued to serve in the Educational Department. Orders solicited whether, subject to the Secretary [of] State's sanction, Griffith may be appointed with effect from 15th instant when college reopens.”

T.K.—7-7-10.

S. H. SLATER—7-7-10.

Honourable Member and His Excellency the Governor.

L. M. WYNCH—7-7-10.

The telegram may, I think, issue. His Excellency has accepted the proposal to appoint Mr. Griffith. It will be a good thing to get him out of the Municipality where he is really unsuited to his work.

M. H[AMMICK]—7-7-10.

Approved.

A. L[AWLEY]—8-7-10.

Issue.

L. M. WYNCH—8-7-10.

The Government of India have been asked by telegram to sanction the appointment of Mr. Griffith as Professor of Engineering, College of Engineering. No

We can wait a day or two more.

L. M. WYNCH.

reply has yet been received from India. The college reopens to-morrow. May India be reminded please?

2. The President, Corporation of Madras, may be informed that the Government

Yes.

L.M.W.—14-7-10.

are awaiting the orders of India regarding Griffith's appointment to the Educational Department.

K. RANGASWAMI AIYANGAR—14-7-10.

The draft telegram below may issue to the President, Corporation of Madras :—

“Your telegram to-day regarding Griffith's appointment, Educational Department. Government are awaiting orders of India.”

K. RANGASWAMI AIYANGAR—14-7-10.

L. M. WYNCH—14-7-10.

The Director of Public Instruction asked me this morning when we are likely to get orders about Mr. Griffith.

The Engineering College has now been open for a fortnight and much inconvenience is being felt. How long is it since we addressed India? We might perhaps send them a telegram.

L. M. WYNCH—3-8-10.

The first telegram regarding Mr. Griffith's appointment to the College of Engineering was despatched on the 8th July last—*vide* page 6 *ante*. The next telegram replying to India's reference about Mr. Lobban was despatched on the 18th idem. The Government of India said they would send up this Government's proposals regarding Mr. Griffith to the Secretary of State on receipt of reply to their reference above referred to.

2. The following telegram may perhaps be sent to the Government of India :—

“Number 23. My telegram 22, dated 18th July, regarding Griffith's appointment, College of Engineering. Please say when sanction may be expected. College now open for [a] fortnight and vacancy should be filled soon as possible.”

K. RANGASWAMI AIYANGAR—3-8-10.

S. H. SLATER—3-8-10.

Issue.

L. M. WYNCH—3-8-10.

Telegram from the Government of India, Home Department, No. 80, Education, dated 5th August 1910.

A draft order communicating to the Director of Public Instruction the sanction of the Secretary of State is for approval.

K. RANGASWAMI AIYANGAR—5-8-10.

S. H. SLATER—5-8-10.

A telegram may also be sent to the President, Municipal Corporation, asking him to relieve Mr. Griffith as soon as possible.

L. M. WYNCH—5-8-10.

Yes.

M. H[AMMICK]—5-8-10.

Telegraph accordingly please.

L. M. WYNCH—5-8-10.

The following telegram may be despatched to the President, Corporation of Madras :—

“Secretary [of] State has sanctioned Griffith's appointment [as] Professor, Engineering College. Order follows. Relieve Griffith immediately.”

K. RANGASWAMI AIYANGAR—5-8-10.

Issue.
