with

To,

His Excellency the Honourable

Sir Arthur Lawley G.C. I.E., K.C. M.G.,
Governor in Council,
M A D R A S.

Through,

The Collector of Bellary
and the Head Quarters Deputy
Collector,
Bellary.

May it please your Excellency.

The memorial of Muhammad Bahauddin Bijapuri,
Stationary Sub Magistrate Bellary most respectfully sheweth:-

2. That the memorialist has passed the Examinations
noted in the accompanying list (marked A) and that during
his service of nearly 19 years he has served in the following
capacities:-

- (1) Audit Head constable, Correspondence clerk and
School Head Constable and officer in charge of
Anthropometrical work in Police Department ⁱⁿ the
Anantapur District for over 6 years.
- (2) Revenue Inspector for about 4 years.
- (3) Taluk Head Accountant for nearly 4 years.
- (4) Taluk Sheristadar for 1 year.
- (5) Acting Huzur Cash-keeper on Rs.125/- for 1 year &
2 months.
- (6) Deputy Tahsildar and Sub Magistrate for 1 year &
9 months (both in Anantapur and Bellary Districts)

3. That the memorialist passed the Matriculation
Examination in 1888 with Telugu as his second language and
that he continued his studies for the with

in the Christian College Madras for nearly 9 months, the being no college then at Bellary. (Please vide copy marked But owing to the domestic calamities and the loss of his uncle and grand father who were the main supporters in the costly studies in Madras, he had to discontinue his college studies. However he studied for the F.A., Examination privately being employed as a teacher for some time, but 4 years time was required to appear privately for the F.A., Examination after passing the Matriculation Examination, So he could not then appear for the Examination.

4. That, after entering the Public service he had made attempts to appear for and pass the F.A., Examination once in 1903 but since he was acting as Huzur Treasurer in --- Anantapur District in that year, he had to devote much of his leisure hours to the preparation of new Stock Registers of forms which were then in a state of chaos. Hence he was not able to appear for the Examination. (Please vide Extract marked C & D). The year, 1909 being the last chance for the F.A., Examination, he applied for the Examination in that year. Owing to his appointment as Probationary Sub Magistrate in Bellary District (in which appointment the memorialist was eventually confirmed) he could not apply and take long leave. So he devoted his leisure hours (both day and night) for the study of the Examination, took casual leave and went up to Madras to appear for the Examination, where to his great misfortune he was taken ill of fever and could not attend the Examination. This fact is mentioned to show that though only a Matriculate he has studied the subjects prescribed for the F.A., Examination.

5. That the new University Regulations do not permit private candidates to appear for and pass the Intermediate Examination, and hence the memorialist could not make any further attempts to appear for and pass that Examination

with

One post higher grade which is open to the B.As and the Intermediates according to the recent amendment to Special Test notification.

6. That the Government was, in G.O. No.513 dated 17th October 1903 Educational, pleased to exempt him from the Rules requiring that graduates only could appear for the Revenue Test Higher grade and he passed that Examination so recently as 1903, as generously permitted by Government in a subsequent G.O. of that year.

7. That he being qualified in all other respects for almost all the posts in the Revenue Department, he is desirous of qualifying himself by passing Criminal Judicial Test also which will enlarge his knowledge of Criminal Law and qualify ^{him} for the post of Deputy Collector and other appointments for which it is prescribed in the revised Public Service notification.

8. In view of the above circumstances and in view of the fact that he is the only muhammadan in the grade of sub Magistrates in the District and belongs to the Muhammadan community of Anantapur, a District which is backward in point of Education, the memorialist humbly prays that ^{he} may be --- granted permission to appear for the Criminal Judicial Test Higher grade to pass which he is so very anxious.

9. In the end the memorialist begs leave to state that his character has all along been good and has done honest and devoted service about which the credentials bear testimony and ^{it} is not his province to say.

10. For the gracious and charitable act of favour the memorialist seeks at the generous hands of Government, he will with undying gratitude feel ever thankful and

3. Here I beg permission to add that when the acting cash keeper's appointment fell vacant in 1902, many Taluk Sheristadars and Sub Magistrates were asked to take up the appointment. They declined to take it up because they had to lose much for interest on Rs.5000/- as it was furlough arrangement. I took up the appointment as hopes of eventual confirmation or substantial promotion in the arrangement were held out to me. Unfortunately when the vacancy became permanent, no promotion of any kind was given to me nor was I sent to Dharmavaram as acting Taluk Sheristadar as per D.Dis.No.452/18-3-03 in spite of hard work as Treasurer as borne out by the remarks of the Treasury Deputy Collector and Collector's D.Dis.No.2773 dated 29-9-03 read in G.O.No.513 dated 17th October 1903. It is an admitted fact that the forms branch of the Treasurer work had been neglected by my predecessors during the last one decade. I had to work extra hours and in holidays and bring everything into order to the detriment of my studies for the F.A.Examination for which I had applied in 1903. I did not even avail myself of the three week's leave granted for the preparation

preparation of the examination in the enclosed D.Dis.No.
2112/4-11-03 because the work had not been completed.

Order.

The Collector having himself carefully watched the work of this young,
intelligent and well-conducted Mahammadan officer, has granted him a temporary
promotion which is reported to end very soon. His name has been noted for a
permanent promotion in consideration of the very satisfactory testimony of his
good work invariably borne by the officers under whom he has been placed to
work. It is indeed a source of personal gratification to the Collector that
one of his co-religionists has been acquitting himself so creditably in the
public service.
