To

THE DIRECTOR-GENERAL OF MILITARY WORKS,

SIMLA,

Dated Ootacamund, the 10th August 1910.

SIR,

In reply to your letter No. 1645-E., dated 8th June 1910, I am directed to state that there is only one educational institution in the Madras Presidency which receives assistance from Military funds. It is the Lawrence Asylum at Ootacamund which was founded in 1858 in honour of the memory of Sir Henry Lawrence, K.C.B., who had suggested the establishment at some hill station in this Presidency of an institution, similar to the Lawrence Asylums at Sanawar and at Mount Abu, for the benefit of the children of soldiers of the British Army serving, or who had served, in Madras. It is situated at Lovedale, three miles from Ootacamund.

2. The original cost of the Lawrence Asylum buildings amounted to rather more than eight lakhs; only Rs. 87,402 was met from the funds of the Asylum and the balance was met from Military funds. Since then many improvements and additions to the buildings have been made, mostly from the funds of the Asylum, but the total cost of these additions and improvements cannot now be given. The cost of the additions made in 1903-1904 alone amounted to Rs. 74,091.

3. The institution is in receipt of two grants from the Army estimates, viz., a grant of Rs. 48,000 per annum sanctioned in 1862 on account of the Lawrence Asylum and a fixed annual grant of Rs. 6,000 sanctioned in 1907 in lieu of the capitation grant of Rs. 5 *per mensem* and the extra military grant of Rs. 2 formerly paid to the late Military Female Asylum, Madras, which was amalgamated with the Lawrence Asylum with effect from the 1st October 1904. From the Military Works fund, the institution receives an annual grant of Rs. 2,400 to meet the cost of petty repairs to the buildings.

4. The average amount expended on maintenance and repairs to the Lawrence Asylum buildings during the last three years was Rs. 12,412.

5. I am also to forward a copy of the report on the working of the Lawrence Asylum during the year 1909 which furnishes full particulars regarding the institution.

I have the honour to be,

Sir,

Your most obedient servant,

L. M. WYNCH,
Ag. Secretary to Government.

EDUCATIONAL DEPARTMENT.

NOTES CONNECTED WITH G.O., Nos. 470, 471, EDUCATIONAL,
DATED 10TH AUGUST 1910.

[SUBJECT.—*Charitable and Educational Institutions in the Madras Presidency aided from Military funds.*]

PUBLIC WORKS DEPARTMENT.

From the Director-General of Military Works, No. 1645-F, dated 8th June 1910.

The Director-General of Military Works enquires whether any Charitable and Educational institutions in Madras are receiving assistance from Military funds and, if so, requests to be furnished with certain particulars regarding them.

2 The only institution of the kind in this Presidency appears to be the Lawrence Asylum, Ootacamund. The Lawrence Asylum buildings were constructed at a cost of about Rs. 12 lakhs mainly from Imperial funds—a sum of Rs. 87,402 being contributed by the institution. The buildings are classed as “Imperial Military” and are kept in repair from funds assigned under this head. An annual grant of Rs. 2,400 is provided under “Imperial Military” for petty repairs to the buildings. An annual grant-in-aid of Rs. 48,000 is also paid to the institution from Imperial. The expenditure incurred on maintenance and repairs to the buildings during the last three years is—

1908-1909	12,966
1907-1908	10,359

the average for the period being Rs. 12,412 per annum.

3. The present reference from the Director-General of Military Works may be sent to Educational who may be requested to reply to him furnishing also any other information they consider useful regarding the institution—*vide* paragraph 2 of the Director-General's letter.

EDUCATIONAL DEPARTMENT.

In addition to the grants of Rs. 48,000 and Rs. 2,400 mentioned in the Public Works Department note, the Lawrence Asylum is in receipt of a fixed annual grant of Rs. 6,000 sanctioned in 1907 in lieu of the capitation grant of Rs. 5 per mensem and the extra military grant of Rs. 2 formerly paid to the late Military Female Orphan Asylum, Madras, which was amalgamated with the Lawrence Asylum with effect from the 1st October 1904.

2. Information regarding the capital cost of the Lawrence Asylum buildings is given in paragraph 17 of the précis of correspondence relating to the Lawrence Asylum Press. This, however, does not appear to be quite correct, for from the letter of the Government of India printed with G.O., No. 7, P.W.D., dated 4th January 1871, it appears that all the buildings originally proposed and estimated to cost about 12 lakhs were not constructed and that the total cost of the buildings did not probably exceed 8 lakhs. Papers have been called for from the General Record Office and their receipt is awaited.

3. A draft is in the meantime submitted for approval.

Approved subject to such alteration as to initial cost of building that may be necessary in paragraph 2.

L. M. WYNCH—21-7-10.

Papers called for from the General Record Office regarding the capital cost of the Lawrence Asylum buildings have been received.

2. In his note, dated 29th July 1910, the Superintendent of the Record Office states that no report regarding the final cost of the Lawrence Asylum buildings appears to have been submitted to the Secretary of State with reference to paragraph 5 of his Despatch No. 36, dated 24th May 1871, printed with G.O., No. 2-33, Public Works, dated 1st September 1871, and that no completion report also was submitted. The Superintendent has examined the records up to 1893.

3. From paragraph 34 of the Government of India's letter, dated 12th November 1870, printed with G.O., No. 7, Public Works, dated 4th January 1871, it would appear that the total estimate for the Lawrence Asylum buildings was Rupees 11,80,132*. This amount included an item of Rs. 4,01,540 for the construction of a building for the Female Branch. In

* In paragraph 2 of Despatch on page 1 of G.O., No. 2233, P.W., dated 1st September 1871, the estimate is given as Rs. 11,80,112. K.R.—5-8-10.

paragraphs 16 and 17 of their letter No. 16-B.M., dated 6th January 1871, printed with G.O., No. 964, Public Works, dated 1st April 1871, the Government of India declined to sanction the estimate of Rs. 4,01,540 for the construction of a separate building for the Female Branch and suggested that the existing hospital should be adapted for the Female Branch and that a smaller hospital for both boys and girls should be constructed. From paragraph 2 of Colonel Beatty's letter, dated 18th November 1882, printed with G.O., No. 3281 W., dated 12th December 1882, it would appear that the construction of a building for the Female Branch was abandoned, and that the girls were accommodated in the building originally built as a hospital for the boys' school. In G.O., No. 2977 W., dated 29th November 1881, an estimate amounting to Rs. 4,800 was sanctioned for providing additional hospital accommodation for the Girls' Branch, and the construction of a separate hospital for the boys' school at a cost of Rs. 31,538 was sanctioned in G.O., No. 3281 W., dated 12th December 1882. It is thus plain that the original proposal to construct a separate

building for the Female Branch at a cost of Rs. 4,01,540 was not carried out, and this amount should therefore be deducted from the original estimate of Rs. 11,80,132, and to the amount thus arrived at should be added the sums of Rs. 4,800 and Rupees 31,538, the cost of the hospitals subsequently built. The capital cost of the Asylum buildings will thus be Rupees 8,14,930.

4. It is therefore submitted that for the words "nearly 12 lakhs" in the first sentence of paragraph 2 of the letter to the Director-General of Military Works, may be substituted the words "rather more than 8 lakhs".

Please see correction made in the draft letter.
