With reference to Educational Department letter No. 80, dated the 18th of February 1910, I have the honour to forward herewith, for information of the Government of Madras, a copy of the marginally-noted correspondence which has passed between the Director-General of Telegraphs and the Government of India in the Department of Commerce and Industry, regarding the introduction, with effect from the 15th of February 1910, of the revised rules for the working of the Telegraph Training class at the Lawrence Asylum, Ootacamund.

ENCLOSURES.

(i)

Letter—from the Director General of Telegraphs, Calcutta.
To—the Secretary to the Government of India, Department of Commerce and Industry.
Dated—the 4th April 1910.
No.—5-T.

With reference to Government of India, Public Works Department, Memorandum No. 22-T.E., dated the 3rd of February 1893, with which a copy of a letter No. 21-T.E. of even date from the Government of India, Public Works Department, to the Chief Secretary to

the Government of Madras, relative to the scheme for the more economical working of the Telegraph Training class at the Lawrence Asylum, Ootacamund, was forwarded to this department for information and guidance, I have the honour to submit, for approval of Government, a copy of the marginally-noted correspondence which I have had with the Government of Madras regarding the revision of some of the regulations referred to therein.

2. The Principal and Secretary of the Ootacamund Lawrence Asylum reports that all arrangements for bringing in the new rules were made in the Asylum with effect from the beginning of the new school year, i.e., 15th February 1910, and that reversion to the old rules until the new rules meet with the formal approval of the Government of India would mean the complete dislocation of all time-tables in the upper classes of the school. I have, therefore, to recommend that the new rules may be brought into force with retrospective effect from the 15th February 1910.

(ii)
