I think that in every case where an Indian Educational officer is likely to be absent for a year or more an earnest effort should be made to secure an European substitute.

Perhaps inquiries may be made through the Govt. of India as to whether there will be any officers, who have been brought out temporarily, available.

As to qualifications the vacancies can either or both be thrown into the Inspecting Agency and be filled satisfactorily with an officer qualified to act as Inspector of European Schools and another as a Circle Inspector.

If it is possible to secure one officer only he may suitably fill the former post as Inspectress and be transferred to the Presidency College and Provincial Office act as Circle Inspector. A 25.8.10

It is for consideration whether any enquiries, as suggested by the D.P.I., should be made of the Govt of India as to whether any temporary officers will be available to act in the place of Messrs Stone and Littlehales when they proceed on leave next year.
