G.O., No. 403, Educational, dated 13th July 1910.

ABSTRACT.—Addressing the Government of India on the subject of the payment of travelling allowance to the non-official members of the Madras Students Advisory Committee residing in the mufassal for journeys to Madras to attend the meetings of the Committee.

II

Letter—from H. G. STOKES, Esq., Deputy Secretary to the Government of India, Home Department (Education).

To—the Secretary to the Government of Madras, Educational Department.

Dated—Simla, the 17th August 1910.

No.—851.

In reply to your letter No. 404, dated the 3th July 1910, I am directed to say that the Government of India sanction the proposals of the Government of Madras (1) that official members of the Madras Students Advisory Committee should be considered to be on duty while they proceed to Madras on business connected with the Committee and should be granted travelling allowance according to the Civil Service Regulations; and (2) that the non-official members of the Committee who reside in the mufassal should be granted, under article 1004 of the Regulations, travelling, hotel and carriage expenses incurred by them while attending the meetings of the Committee.

2. I am, however, to suggest, for the consideration of the Governor in Council, an alternative in the case of non-officials, viz., that they should be given travelling and halting allowances at rates not exceeding those admissible to officers of the first class under the Civil Service Regulations. Such an arrangement, the Government of India think, while ensuring equality in treatment, will be free from the objections for audit purposes to which the local Government's proposal is open and will also obviate the possibility of dispute between non-officials and the Accounts department.

Order—No. 535, Educational, dated 9th September 1910.

With reference to his letter, dated 3rd May 1910, the Secretary to the Madras Students Advisory Committee will be informed that the following arrangements are sanctioned :—

(1) Official members of the Madras Students Advisory Committee will be considered to be on duty when they proceed to Madras on business connected with the Committee and will be granted travelling allowance according to the Civil Service Regulations.

(2) The non-official members of the Committee who reside in the mufassal will be granted travelling and halting allowances for attendance at meetings of the Committee at rates not exceeding those admissible to officers of the first class under the Civil Service Regulations.

THE SECRETARY TO THE GOVERNMENT OF INDIA,

HOME DEPARTMENT.

Dated Ootacamund, the 9th September 1910.

SIR,

I am directed to acknowledge the receipt of Mr. Stokes's letter No. 851, Education, dated 17th August 1910, sanctioning the proposal of this Government in regard to the payment of travelling allowance to members of the Madras Students Advisory Committee, and to state that the Governor in Council accepts the alternative proposed by the Government of India in the case of non-official members of the Committee, viz., that they should be given travelling and halting allowances at rates not exceeding those admissible to officers of the first class under the Civil Service Regulations.

I have the honour to be,

Sir,

Your most obedient servant,

Madras.*]

From the Government of India, dated 17th August 1910, No. 851.

Please see letter No. 404, Educational, dated 13th July 1910, requesting the sanction of the Government of India to the payment of travelling allowance to members of the Madras Students Advisory Committee.

2. The Government of India sanction the proposals of this Government—

(1) that official members of the committee should be considered to be on duty when they attend the meetings of the committee and should be granted travelling allowance according to the Civil Service Regulations; and

(2) that non-official members should be granted, under 1004 of the Civil Service Regulations, travelling, hotel and carriage expenses incurred by them while attending the meetings of the committee.

3. With regard to non-official members the Government of India suggest that, instead of travelling, hotel and carriage expenses, they should be given travelling and halting allowances at rates not exceeding those admissible to officers of the first class.
