To

The Secretary to the Government
Educational Department, Madras.

Through the proper channel.

Honoured Sir,

In obedience to your Office No. 1497-1 Dated 8 aug 10
I beg to submit my application through the proper chan-
nel for favourable consideration and orders.

I beg to say that I underwent course of two --
years in the Draftsmen Class of the College of Engineer-
ing, Madras, during the years 1907-08. I was the ----
Senior student of the class drawing the standard scholar-
-ship of the College, but I got only the proficiency --
certificate which the benign Government was pleased to
give, on the abandonment of the Draftsmen class, signed by
the Director of Public Instruction and the Principal of
the College of Engineering.

As some of my Officers do not consider the --
above certificate as valid I beg to request your honour
to be gracious enough to favour me with an order stating
that the certificate will do for appointment as a drafts-
-man or to give me a general exemption from the Examina-
-tion Rules for a post of Draftsman.

I beg to say I am now employed as Draftsman
on Rs. 40/- in the Kistna Reservoir Project, Guntur.

I beg to remain,

Honoured Sir,

Your most obedient servant,

Guntur)

Forwarding an application from T.V.
Swaminathan for exemption from exami-
nation Rules.

T. V. Swaminatha Aiyar an old student
of the College of Engineering who is now
employed as a draughtsman on Rs.40 in the
Kistha Reservoir Project, requests -

(1) that he may be favoured with an order
stating that the certificate (c.f. page 3 of
O. G.O.No.370 R, dated 29th October 1909) granted
R. to him under G.O.No.514 Educational, dated
7th September 1909 will do for his appoint-
ment as a Draftsman, or,

(2) that, in the alternative, he may be
given a general exemption from the examination
rules for employment as a Draftsman.

2. Attention is solicited to the office
note on pages 7 and 8 of G.O.No.322 Edl., dated
P 4th June 1910 where the petitioners' case is

set

set forth. There appears to be no reason for a reconsideration of the orders already passed in the petitioners case. His case is not a special ~~only~~ one.

3. If, however, the Executive Engineer found that passed candidates were not available for the post now held by the petitioner and desired to have him exempted, the matter would be different. But the Executive Engineer does not say so and does not seek exemption on behalf of the petitioner.

4. In these circumstances it is for consideration whether the petitioner may be told that the Government would be prepared to consider the question of exempting him from the examination rules, if the head of his department wished to give him a permanent appointment ^{and} applied for his exemption.
