ABSTRACT.—Informing the Director of Public Instruction that the Government of India have altered the date prescribed for the submission to them of the annual report on books and publications from 15th of March to the 15th of June, and requesting him to submit the report in future to this Government by the 1st of May at the latest.

Letter—from H. C. WOODMAN, Esq., Additional Deputy Secretary to the Government of India, Home Department (Political).

To—the Secretary to the Government of Madras, Educational Department.

Dated—Simla, the 8th September 1910.

No.—880.

I am directed to refer to the Home Department letter No. 372, dated the 24th April 1908, prescribing the 15th of June of each year as the date by which the annual Provincial report on books and publications registered under Act XXV of 1867 should be submitted to the Government of India.

2. The Government of India have noticed that in several instances there was much delay in submitting the reports both for 1908 and 1909, and I am to request that, with the permission of the Governor in Council, care may be taken in future to furnish them punctually by the 15th of June in each year. I am also to ask that an advance copy of the report may, at the same time, be forwarded direct to the India Office, and that thirty-five spare copies of the report may be supplied for the use of the Government of India.

Order—No. 547, Educational, dated 15th September 1910.

NOTES CONNECTED WITH G.O., No. 547, EDUCATIONAL, DATED
15TH SEPTEMBER 1910.

[SUBJECT.—*Report on Books and Publications.*]

From the Government of India, dated 8th September 1910, No. 880.

The remark of the Government of India in paragraph 2 of their letter does not apply to this Presidency. The report for 1908 from this Presidency was despatched from this office to the Government of India on the 18th May 1909 and the report for 1909 on the 31st May 1910, that is, before the due date (15th June) on both the occasions. It is for consideration whether this should be pointed out to the Government of India.

2. The instructions regarding the transmission of an advance copy of the report Paragraph 2 of India's letter. to the India Office and about forwarding 35 spare copies to the Government of India will be noted. Hitherto only 32 spare copies were sent to the Home Department.

3. The draft below is for approval.

T.K.—15-9-10.

The Government of India letter does not make any special reference to the reports from this Government. It seems therefore to be unnecessary to point out that there had been no delay in the submission of the reports for 1908-1909 from this Presidency. The paper may be simply "Recorded".
