Through the proper channel.

Most Honoured Sir,

I, C. Krishnaswamy Naidu, Sub-Overseer 3rd grade Cuddapah Division, most humbly beg to bring the following few lines for your honour's kind consideration and favourable orders.

In memo No 3232 C dated 29-7-09

C a copy of orders No 409 miscellaneous (Educational Department) dated 13-7-09 was communicated to me granting exemption to my appointment as a 3rd grade Sub-Overseer on Rs 25/ per mensem. In this connection I beg to point out, that no such exemption was required in my favour, as I stand - fully qualified for a Sub-Overseer and Surveyor's place according to the orders passed in the Military Regulations as may be seen from the enclosed copies of certificates and correspondence. I further beg to state that I was a Non-Commissioned Officer in the 71 st Coorg Rifles and my services were transferred to P.W.D on the " Unattached List " like British Non- commissioned Officers agreeably to the provisions laid down in para 388 of Army Regulations India Vol II and as such I am entitled to carry the post of Sub-Overseers of all grades without any exemption. My transfer to P.W.D was sanctioned by the General Officer commanding Bangalore District, in his No 6777 dated 9-7-04, copy herewith attached and my services are still retained in the 81 st Pioneers as Supernumary.

If I had continued in the -
Military service alone I would have carried an appointment

ment of a Commissioned Officer on Rs 80/- and upwards in due course on account of services rendered by me in Burmese war But by my transfer to P.W.D I have lost all chances of promotions in the Military.

Under the above circumstances I most humbly beg to request that the orders of the Educational Department restricting my appointment to 3rd grade Sub-Overseer alone may be reconsidered, and that I may be granted the concession of promotion to Sub-Overseer's of all grades in the usual course according to service.

For which act of benevolence, I shall as in duty bound ever pray.

I beg to remain,
Most Honoured Sir,
Your most obedient servant,

C. N. S. Swami Nadu

I have known Sub-Overseer
 C. Krishnaswami Naider for about five
 years and he has worked under my orders
 in charge of the Drumsed section for the past
 two years. The Sub-Overseer is an honest
 hard working and willing subordinate
 and is capable for taking charge of an ordinary
 section under an upper subordinate. He
 draws very neatly and can also prepare
 estimates for roads, building bridges. The
 Sub-Overseer leaves my Sub-Division under

NOTES.

Enl (88) 12265

C. No. 566 From the P. W. D. No. 291, dated 16-3-1900.

SUBJECT. Forwarding petition from C. Krishnaswami Nayudu, 3rd grade Sub. overseer, Cuddapah Division, requesting that he may be considered eligible for promotion to the post of 1st + 2nd grade Sub. overseer.

C Please see G.O. No. 409 mis. dated 13th July 1909 and the notes connected with it. In that order the Govt. exempted C. Krishnaswami Nayudu from the Sub. overseer and Surveyor's test of the College of Engineering, Madras, for employment as a 3rd grade Sub. overseer on Rs 25 p.m.

Page 2 of C.F.

2. Krishnaswami Nayudu now requests that the above order of exemption restricting his appointment to the post of 3rd grade Sub. overseer may be reconsidered. He states that no such exemption was required in his favour as he ^{stands} qualified for a Sub. overseer and Surveyor's place according to the orders passed in the Military regulations, that he was a non-Commissioned officer in the 71st Coorg Rifles and was transferred to P. W. D. on the "unattached list" like British non-Commissioned officers in accordance with the provisions of para. 388 of Army Regulations, India, Vol. II, and that he is therefore entitled to ^{hold} ~~carry~~ the post of Sub. Overseers of all grades without any exemption.

D

(Of the Pub. Service Notification)
3. According to Art 2 (1), Table A, "native officers and non-Commissioned officers in the Corps of Sappers and miners" are exempt from the examination rules for employment as Temporary lower subordinates in the P. W. D. Krishnaswami Nayudu belonged to the "71st Coorg Rifles".

Art 2 (1), table A, does not therefore seem to apply to his Case. Moreover, that Article refers only to "the post of Temporary lower Subordinates," whereas Krishnaswami Nayudu's contention is that he is qualified for the post of a permanent Sub-overseer of any grade. Submitted that there does not appear to be any authority for such a Contention. If he is to be appointed to the post of a Sub-overseer he requires exemption from the Sub-overseer and Surveyor's test. The remarks of the Public Works Department may, perhaps, be obtained u-o. as to whether the above View is Correct.

4. This file was delayed for want of Army Regulations, India, vol. II, which had to be obtained from the P.W.D after a thorough search which was made in the Secretariat library and in all the departments of the Secretariat and which in the end ^(proved) fruitless.

The petitioner C. Krishnaswami Nayudu, requests that G.O.No.409 Edl., dated 13th July 1909, restricting his appointment to 3rd Grade Sub-Overseer may be reconsidered so that he may get promotion to the higher grades of sub-overseer, in the usual course, according to service. The question for consideration, therefore, is whether the petitioner should be granted a general exemption from the Sub-Overseer's test.

2. In the notes to G.O.No.409 Edl., dated 13th July 1909, the qualifications of the petitioner for employment as a sub-overseer in the P.W.D., were carefully considered and the Hon'ble Member ordered that he might be granted exemption. But in the order, the exemption granted was restricted to the petitioner's employment as a third grade sub-overseer on Rs25 per mensem, which was the appointment that he was holding at the time.

3. In these circumstances it is for consideration whether the condition in the G.O. restricting the petitioner's employment as a third grade sub-overseer on Rs25 per mensem may be removed as

prayed

prayed for.

17

7.4.
12-9-10

I submit that Peter's contention that exemption for employment as a 3rd grade Sub-Overseer was not required in his case, is untenable.

2. It is for consideration now whether the exemption sh^d be extended so as to permit of his employment in a higher grade. In view of his certificates, perhaps he may be exempted up to the 2nd grade.

3. I submit that P.W.D., during the course of the 5 months for which they kept this file, ~~and~~ might have offered some suggestion, as the administration department concerned.
