SENATE HOUSE, 29 JUL 1910

FROM

The Manager in Charge, Office of the
Registrar, University of Madras,

TO

The Secretary to Government,
Educational Department.

Sir,

p. 4.

A. The Government are aware that subject index Catalogues are now being prepared of the books in the University Library. Since those catalogues are to contain the names of the books in the Connemara Library as well as of those in the University Library, the University Library Committee considers it desirable to have the University Library catalogues uniform with those of the Connemara Library. I am accordingly directed by the Syndicate to request that the Government will be pleased to sanction the printing of the catalogues of the University Library being carried out at the Government Press, free of cost.

I have the honour to be,

Sir,

Your most obedient servant,

Wm. A. Henderson

C.No.1511, from the University of Madras, No.2309, d/29-7-1910.

Subject.

Printing of the catalogue of the
University Library.

It is submitted that the proposal of the
Syndicate may be referred to the Principal
Librarian, Connemara Public Library, u.o. for
remarks. He may also be requested to state
what approximately will be the cost of print-
ing the catalogues in question.

As under the orders of Govt. the books of the University Library will, so long as they continue to be housed in the Connemara Library buildings, be available to readers in the latter library (G.O. no. 603, Educational. dated 5.12.03)

(A) I would recommend that the Govt. be pleased to authorize the printing of the University Library Catalogue and subject-indexes at the Govt. Press, free of charge.

2. In the letter from the University Syndicate in the file, it is stated that the University Library "Subject-index catalogues" are to contain the names of the books in the Connemara Library as well as of those in the University Library. This question has since been further considered by the University Library Committee and myself, and we have come to the conclusion that it would be more expedient to keep the subject-indexes, as well as the author-catalogues, of the two libraries distinct. As a result of this course, it is hoped that the subject-indexes of both libraries will be published at much earlier dates than would otherwise be possible.

3. As regards the estimate of cost called for by Govt., I have consulted Mr. Fisher of the Govt. Press. The cost of printing the University Library Catalogue and subject-indexes is roughly estimated at Rs. 650.
