FINANCIAL DEPARTMENT.

The proposals relate to the revision of the establishments in the Government Girls' schools at Karur, Erode and Madura. The following statement shows the existing scale, and that proposed by the Director of Public Instruction:—

School.	Existing scale.	Cost per mensem. rs.	Proposed scale.	Cost per mensem. rs.

The extra cost involved in the proposals under permanent establishments is thus Rs. 507 — Rs. 290, or Rs. 217 *per mensem* or Rs. 2,604 *per annum*. There will be a saving of Rs. 120 *per annum* under temporary establishment.

2. According to the proposals, there are to be in future 8 teachers in each of the three schools. The pay of the staff proposed for each of the schools is in accordance with the scale of salaries for a staff of eight* teachers laid down in Rule 82 of the Educational rules — *cf.* G.O., No. 357, Educational, dated 10th June 1907.

Statement above.

* Scale costing Rs. 162 *per mensem*.

Cf. also paragraph 2 on page 1 of notes to G.O., No. 658, Educational, dated 22nd December 1909.

Paragraph 1 of Director of Public Instruction's letter and draft order.

3. No extra cost will be incurred during the current year as the proposals are to be sanctioned only with effect from 1st March 1911.

4. In G.O., No. 489, Pension, dated 3rd July 1897, Government have declared all watchmen (except the one for the Secretariat offices on Stonehouse Hill) and all conductresses ineligible for pension. In the draft order proposed to be issued in connection with the question of debiting to contingencies the pay of menials who have been declared ineligible for pension, it has been proposed that in future the pay of watchmen (with the exception referred to above) and the pay of conductresses should be debited to contingencies. The case of the watchers and conductresses in the present three schools will be covered by the orders which will issue on the general question.

5. The draft order may, it is submitted, be accepted in Financial, the sanction being registered as No. 6 of 1911-12.

C.P.N.—19-9-10.

P.G.—19-9-10.

1. Rule 82 of the Educational Rules only *recommends* certain scales of salary for adoption, and does not lay down that they *shall* be granted. In Madura the existing scale is not reported to be giving any dissatisfaction, and there is therefore no good reason for altering it *merely* to bring it into conformity with a particular standard. It is submitted that in the case of this school the reduction of one post on Rs. 10 will meet the requirements of the case, and the pays of the other posts may remain as they are.

2. In the case of the other two schools at Karur and Erode, it is only the existing pay, viz., Rs. 20 of the Headmistress that is stated to be unattractive. We may agree that the same strength of staff, viz., 8 may be given to these two schools as for Madura. The scale of pay may, however, be that which apparently suffices in Madura, viz.:—

	rs.
1 Headmistress on	30
1 Assistant on	20
1 "	15
1 "	2
4 Assistants on Rs. 10 each	40
8	117

* There will be a saving of Rs. 120 under temporary establishment.

Teaching staff 3 × 117 =	351
Watchers, etc.	21
	372

The extra cost under permanent* establishment under these proposals would be Rs. 372—290 or Rs. 82 *per mensem*, or Rs. 984 *per annum*, as against Rs. 2,604 *per annum* under the Director of Public Instruction's proposals.

3. Educational may, perhaps, be asked whether they have any objection to the modifications proposed.

C. REILLY—23-9-10.

I think that in this case we may follow the general pay distribution indicated in paragraph 82 of the Educational Rules, and accept the Educational Department's proposals. It will be seen from the draft that the higher rates of salaries now to be sanctioned will be given only to teachers possessing the requisite qualifications.

W. S. MEYER—26-9-10.
