G.O., No. 164, Educational, dated 28th March 1910.

Placing a further sum of Rs. 15,000 at the disposal of the University of Madras for the purpose of meeting charges connected with the inspection of colleges and the travelling expenses of Fellows and requesting the Syndicate of the University of Madras to submit a detailed account showing the expenditure incurred on all the tours of inspection made during the current year up to 31st March 1910.

Letter—from the Manager in charge, Office of the Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—the 15th September 1910.
No.—2689.

I have the honour, by direction of the Syndicate, to request His Excellency the Governor in Council to make a further contribution to the funds of the University for the purpose of meeting the expenses connected with the inspection of colleges and the travelling expenses of Fellows.

2. The necessity for this request arises mainly from the fact that the Syndicate has decided to hold a general inspection of the Arts Colleges affiliated to the University of Madras. The Syndicate considers that, as it is now more than five years since the last inspection was held, it is necessary that all the colleges should be inspected again, especially in view of the important changes that have been made in the courses of study since that date. The Syndicate therefore has appointed a Commission consisting of six members, including the Director of Public Instruction, which along with the Registrar will, during the months of September and October, visit all the Arts Colleges of the University except those inspected last February. The Syndicate has also decided that the Professional Colleges, which have not hitherto been inspected, shall also be inspected at an early date. Further, in consequence of the requests for affiliation in the new courses that are still being received, it is still necessary from time to time to hold local inquiries in connection with individual colleges in order to satisfy the requirements of the Universities Act.

3. The accompanying statement will show the present condition of the account of the Government Contribution fund. It will be seen that of the grant of Rs. 15,000 in G.O., No. 164, Educational, dated 28th March 1910, a balance of Rs. 6,331-1-8 remains. Most of this sum will be required for the payment of the travelling expenses of Fellows during the current year, and I am therefore directed by the Syndicate to request His Excellency the Governor in Council to make a grant this year of Rs. 20,000 in view of the special expenses that have to be incurred in connection with the inspection of colleges.

Please see G.O., No. 164, Educational, dated 28th March 1910, and the notes therewith.

2. In that order the Government sanctioned a grant of Rs. 15,000 to the University of Madras for the purpose of meeting charges connected with the inspection of colleges and the travelling expenses of Fellows, and requested the Syndicate to submit a detailed account showing the expenditure incurred on all the tours of inspection made during the year 1909-1910.

3. The Syndicate now submits an account of the expenditure incurred from the grant of Rs. 15,000 made in March last. From this it is observed that the cost of the inspection of the nine second-grade colleges undertaken in February last amounted to Rs. 5,093-6-3 and that a sum of Rs. 6,331-1-8 still remains out of the grant of Rs. 15,000, the balance having been spent on the payment of travelling allowance to Fellows.

4. The Syndicate of the University now states that most of the balance still left will be required for the payment of the travelling expenses of Fellows during the current year and requests that a grant of Rs. 20,000 may be made to the University this year to meet the special expenses in connection with the inspection of colleges which it has decided to make. The Syndicate has already appointed a commission to inspect during this and the next month all the arts colleges affiliated to the University, except those inspected last February, and it has also decided to hold an inspection of the professional colleges.

5. It is for consideration whether the request of the Syndicate may be complied with and a grant made to the University to meet the charges connected with the inspection of colleges which it has undertaken.

6. From the Home Department letter No. 518, dated the 11th June 1909, printed with G.O., No. 421, Educational, dated 16th July 1909, it will be seen that the annual grant of Rs. 1,05,000 made by the Government of India from the Imperial revenues for University and collegiate education in this Presidency has merged in the

new Provincial settlement, which was introduced with effect from the year 1908-1909, and that the Government of India expect this Government to make out of this assignment such grants to the University as may be necessary and to aid non-Government colleges. As regards the obligation of this Government to make these grants, please see the Chief Secretary's note, dated 25th March 1910, on page 10 of the notes with G.O., No. 164, Educational, dated 28th March 1910.

7. There is a provision of Rs. 50,500 under the head 22. EDUCATION—UNIVERSITY in the current year's budget. Out of this amount, a sum of Rs. 33,458 has been appropriated as follows:—

	Rs.
G.O., No. 503, Educational, dated 2nd September 1909.	Annual contribution for the maintenance of Johnston of Carnsalloch scholarships .. 480
G.O., No. 460, Educational, dated 8th August 1910.	Building grant to Madras Christian college. 11,379
File separately in circulation to Honourable Member.	Special grants to various colleges for the purchase of furniture, apparatus and books .. 21,599
	Total .. 33,458

The balance still available is Rs. 17,042. As it is not likely that there will be a further demand on behalf of colleges during the current year, a grant of Rs. 17,000 may be made to the University if the Government decide to comply with the request of the Syndicate.

Vide also G.Os., No. 425, Financial, dated 15th June 1905; No. 59, Educational, dated 1st February 1906; No. 249, Financial, dated 30th March 1906; and No. 301, Educational, dated 2nd April 1906.

Committee appointed by the University in 1905 amounted to Rs. 16,372-5-0 — *vide* the abstract given in paragraph 2 of the office-note on page 1 of the notes to G.O., No. 371, Educational, dated 26th May 1906. The Commission of Inspection now appointed is numerically of the same strength as the previous Committee of 1905, but this Commission is to inspect only all the arts colleges except the nine second-grade and three first-grade colleges which were inspected by the Committee appointed in February last.

2. The Syndicate ask for a grant of Rs. 20,000, not only to cover the cost of the proposed inspection of the arts colleges above referred to, but also to meet the expenses of an inspection of professional colleges and also of local enquiries of individual colleges in connection with their application for affiliation in new courses.

3. Perhaps it will be sufficient to make a grant of Rs. 15,000 for the present, the University being asked as usual to submit a detailed account of the expenditure under each of the three heads referred to in paragraph 2 *supra*. The Syndicate seems to think that the bulk of the

balance (Rs. 6,331-1-8) of the grant of Rs. 15,000 already sanctioned * will be required for the travelling allowance of Fellows.

K. RANGASWAMI AIYANGAR—27-9-10.

As there is a balance of Rs. 17,042 available, perhaps a grant of Rs. 15,000 may be made.

S. H. SLATER—30-9-10.

We may give the University Rs. 15,000 and ask for an account as usual.

L. M. WYNCH—1-10-10.

Yes. We may give this Rs. 15,000.
