OFFICE OF THE REGISTRAR OF BOOKS,

No. 2149 Madras, S. W., 19 September 1910.

From

RAO BAHADUR M. RANGACHARYA, M.A.,

REGISTRAR OF BOOKS,

Madras,

To

The Secretary to Government,
Educational Department,

through the Director of Public Instruction,
Madras.

SIR,

I have the honour to request to be informed whether the Registrar of Books is expected to furnish the information asked for by an officer in Government service regarding publications registered in this office under Act xxv of 1867—such information as has been asked for in the enclosed copy of the letter of the Government Epigraphist for India. I have learnt from him that he wishes to have the information for some public purpose. It may be mentioned here that the information sought for can be gathered easily enough by any member on the staff of his office by going through the quarterly lists of registered

registered publications that have been issued up to date as supplements to the Fort St. George Gazette. Moreover, section 3 of the Indian Copyright Act xx of 1847 requires the payment of annas eight for every entry searched for or inspected in the Book of Registry maintained in this office.

I have the honour to be,
Sir,

Your most obedient servant,

M. Rangacharya

Registrar of Books.

NOTES.

C. No. 1902 From the D.P.J.

No. 6205, dated 28-9-1900.

SUBJECT.

Whether the Registrar of Books can furnish information to Public Servants regarding books registered without charging the usual search fee

A perusal of the letter from the Registrar of Books on pages 3 & 4 of the current file is solicited.

2. There appears to be no objection to the Registrar of Books' furnishing to ~~any~~ Public officer any information regarding books registered in his (the Registrar of Books') office which may be required for public purposes.

T.H.

6-10-10

It would certainly be easier for the Registrar of Books to ^{trace} furnish the information asked for by the Govt. Epigraphist than for the latter to trace it himself from Gazette Supplements, although it must be said that the requisition from the Govt. Epigraphist is very indefinite. It is doubtful whether Sec. 3 of Act XX of 1847 which requires the payment of eight annas for every entry to be searched for in the Book of Registry applies to searches made by the Registrar of Books himself or behalf of a public officer.

Submitted that to Reg. D.S. I be informed that in the case mentioned by the Registrar, the Government sees no objection to his furnishing the required information to the Antiquary free of cost. Should such repetitions be so frequent as to interfere with the Registrar's proper work, he may be informed that he may raise the question again.
