From (Name) The Hon'ble Mr. A.G. Bourne, D.Sc. F.R.S.C.I.E.,

(Designation) Director of Public Instruction,

To The Secretary to the Government of Madras,

/Through the Accountant General, Educational Department.

Sir,

I have the honour to request you will be so good as to obtain the sanction of Government for the employment for a period of one year from the 1st proximo of a temporary assistant teacher on Rs. 20 per mensem in the Government Training school, Ranipet.

2. The Inspector of Schools, Fifth circle, reports that owing to the ~~construction~~ ^{concentration} of Tamil Training students in it, the Government Training school, Ranipet, is now working as a higher elementary school with 10 students in the higher Elementary department, and that the present staff of three teachers which was designed to supply the needs of a lower Elementary school is hardly adequate to manage the three classes comprised in a higher elementary training school, viz., the higher elementary and the 1st and 2nd year Lower Elementary classes. He requests therefore

therefore that an additional assistant on Rs. 20-2-30 may be employed as early as possible as the school is suffering from the disabilities of understaffing. I consider the Inspector's proposal to be reasonable as the admission of 10 Higher Elementary students in the school this year would seem to warrant the employment of an additional assistant in the Training section. The appointment may be temporary for a year from the 1st proximo, and the pay of the post fixed at Rs. 20 per mensem—instead of the lowest scale sanctioned for the staff in the school, viz, Rs. 15-1-20—as the services of a teacher holding a trained teachers' certificate of the secondary grade cannot be had for any less pay.

3. I submit herewith the necessary proposition and reappropriation statements for favour of sanction.

I have the honour to be,

S i r,

Your most obedient servant,

G. Krishnaswami

For Director of Public Instruction.

NOTE.—If the proposal is a reorganization of establishment the Head of the Department should certify that claims to pension that may arise in consequence have been considered with reference to the provisions of art. 429 C.S.R. and should specify any case in which the maximum pension ordinarily admissible will be subject to reduction under that article—M. T. M. para. 67.

If Local Government is competent to sanction, its order will be written across these four columns.

The entries in the column "Present scale" have been compared with the Registers of this office and are correct.

There is no audit objection to the proposal being sanctioned by Government.

The rate of pay proposed for the temporary teacher is not that of the lowest appointment on the permanent establishment for similar duties which is Rs.10--1--15.

The proposed reappropriation requires the sanction of Government in the Financial Department.

C.No.1904, from the D. P. I. No.4753/10, dated 20th September 1910.

Subject.

Employment of a temporary teacher on
Rs.20 per mensem in Government
Training School, Ranipet.

The Director of Public Instruction requests
sanction to the employment for a period of one year
from 1st October 1910 of a temporary assistant
teacher on Rs.20 per mensem in the Training section
of the Government Training School, Ranipet.

2. The present staff of this school (Training
section) consists of a Head master on Rs.30-2-40
and two assistants on Rs.20-2-30 and Rs.15-1-30
respectively.

~~and~~ The necessity for the additional teacher
is explained in para. 2 of the current letter.

Dr. Bourne states that he has proposed a pay of
Rs.20 per mensem instead of the lowest scale
sanctioned for the staff in the school, viz.,
Rs.15-1-30, as the services of a teacher holding
a trained teachers' certificate of the secondary
grade cannot be had for any less pay.

3. The additional cost which the proposal

involves

involves is Rs.240 per annum. The amount that will be required on this account during the ~~current~~ current financial year is Rs.100 - that is to say, the pay of the teacher from October 1910 to February 1911 at Rs.20 per mensem. The pay for March 1911 will fall due only in April and will be debited to the accounts of 1911-12. A re-appropriation statement for meeting the expenditure during the current year is submitted by the D.P.I. - page 6 of G.P.

4. The draft order placed below is submitted for approval. It may issue with the concurrence of the Financial Department.

A perusal of pp 12 of the F. V. C is solicited.

2. The proposal is to strengthen the staff of the Training Section of the Govt Training School, Ranipet, by a teacher at Rs 20 temporarily for one year from 1st October 1910. As it is stated that the school has now an additional class, besides the 1st and 2nd year Lower Elementary classes for which alone the present staff provides, the ^{temporary} additional teacher asked for may, it is submitted, be allowed.

3. The lowest scale of pay sanctioned for the staff of this school is Rs 15-1-20. As, however, the D. P. I. explains that a qualified teacher on less than Rs 20 cannot be obtained, the pay asked for may, it is submitted, be approved also. A re-appropriation statement to meet the extra cost in the current year (Rs 100) has been forwarded by the D. P. I. The draft may be accepted in Financial.
