Ref. on. C. No. 4791 / 10

Station Madras, Dated the 10th September 1910

From (Name) The Hon'ble Mr. A.G. Bounre, D.Sc.F.R.S.C.I.F.

(Designation) Director of Public Instruction,

Madras.

To The Secretary to the Government of Madras,

/Through Educational Department.

By, the Accountant General/

I have the honour to request you will be so good as
to obtain the sanction of Government for the employment from
1st October 1910 up to 31st March 1912, of a Hindustani
munshi on a salary of Rs. 30 per mensem in the Government
Training College, Rajahmundry.

2. Until the end of the last term, the Hindustani
munshi of the Arts college was under my orders giving instruc-
tion to the pupils of the Practising section attached to the
Training college during the periods he was free at the Arts
College. The Principal now reports that it will not be possible
to meet the requirements of the Secondary School Leaving
Certificate scheme with any make-shift arrangements, as instruc-
tion in Vernacular texts, Composition and translation should
now form a part of the regular school course. He states that

the scheme of 1908-9

that the proposed munshi will not be able to meet the requirements of the time-table even if he should be engaged all the thirty periods of the week but that as the classes are small, there being 12 muhammadian pupils under instruction in forms I to VI, arrangements could be made to hold two classes together at the same time.

I agree with Mr. Hunter in thinking that the arrangement under which the Hindustani munshi of the Arts college was giving instruction in Hindustani to the pupils of the practising section of the Training College is no longer possible or desirable and that a separate munshi is necessary. The pay of the post may be fixed at Rs. 30 per mensem which is the minimum pay proposed for vernacular pandits in the proposed model High Schools and for the Hindustani munshi in the Madrasa-i-azam. I beg to add that no provision has been made in the proposition statement submitted for the 19 model High schools for a Hindustani munshi for the proposed High school at Rajahmundry as the necessity for a separate munshi for the subject in the Training College was not much felt until now.

3. The usual proposition statement and a reappropriation statement showing how the charge can be met during the current year are herewith submitted.

I have the honour to be,

Sir,

Your most obedient servant,

C. V. S. S. S.

For Director of Public Instruction.

Draft order.

It is proposed to employ temporarily from 1-10-10 to 31-3-12 a separate Hindustani Munshi on Rs 30 per mensem for giving instruction to the pupils of the practising section of the Govt. Training College, Rajahmundry. The Training College is one of those institutions which has been proposed to be worked as a Model High School, but in the proposition Statement Submitted to the Govt. of India, provision was not made for a Hindustani Munshi for the school as the D. P. I. says that the necessity for a separate munshi for the subject was not felt until now. It is, however, not known why the D. P. I. asks only for a temporary munshi up to 31-3-12. Probably he will make proposals for the continuance of the Munshi after the Model High School scheme is brought into effect.
