Station Madras, Dated the 20th October 1910

From (Name) The Hon'ble Mr. J.H. Stone, M.A., F.R.H.S.,
(Designation) Acting Director of Public Instruction,

Madras

To The Secretary to the Government of Madras,

Educational Department.

Sir,

I have the honour to submit the enclosed application for special grant for the installation of a Petrol-Air-Gas plant for the laboratory of the Hindu College, Tinnevelly, together with the plan and estimate, and to recommend that a grant not exceeding Rs 1,233/- or one-third of the entire cost of the work, whichever may be less, be sanctioned on submission of the necessary vouchers by the correspondent of the college before the close of the current official year.

2. The correspondent states that the University requires that the college laboratory should be supplied with gas and that arrangements are in progress to have the plant installed early in December. The cost of the materials to be supplied by Messrs. Beaton & Co. is given as Rs 2,950/-. It is reported that an additional sum of Rs 750/- will be necessary for the excavation

tions, brick-work &c. to be carried out in connection with the setting up of the plant.

3. Although the correspondent has applied for a half grant of Rs 1,850/- I recommend only a third grant, of Rs 1,233/- as the work is more or less of the nature of a permanent structure towards the cost of which a grant under Chapter VIII of the Code would be more appropriate. I request that the grant may be sanctioned from the current year's budget provision under "22-Education-University".

4. I request the favour of early orders so as to enable the correspondent to take prompt steps for the execution of the work before the close of the current official year.

5. It is requested that the enclosures may be returned when no longer required.

I have the honour to be,

Sir,

Your most obedient servant,

H. M. M.
