Letter—from Rao Bahadur M. RANGACHARYA, M.A., Registrar of Books, Madras.
To—the Secretary to Government, Educational Department (through the Director of Public Instruction).
Dated—the 19th October 1910.
No.—2244.

I have the honour to submit herewith the printed catalogue of books registered in the Madras Presidency during the second quarter of 1910 with the following report on the catalogue.

2. The publications received and registered during the quarter are 825 in all, or 13 more than the figure of the previous quarter. Of these, 563 are grouped as "Books" and 262 as "Periodicals".

3. A classification of the collection in the order of languages shows that English including diglot editions has contributed 220 works, Dutch 2, Latin 1, French 4, Italian 1, Tamil 269, Telugu 148, Malayalam 34, Canarese 17, Konkani 3, Tulu 1, Toda 1, Lushai 1, Uriya 6, Hindustani 2, Arabic 7 and Sanskrit 108 comprising those published in Telugu, Grantha and Nāgarī characters.

4. A little more than 13 per cent. of the total number registered are school manuals or keys and guides designed for educational purposes.

5. The total number of copyright entries made during the quarter under report is 166 including five Government publications registered free of charge and seven other works detailed in the list appended to the accompanying catalogue.

6. The delay in the publication of the catalogue is due to the growth in the quantity of work to be done in connection with it and also in connection with the office in consequence of the new obligations and responsibilities thrown upon the Registrar of Books by G.O., No. 491, Judicial, dated 1st April 1910. If the proposals I have submitted after very careful consideration for the reorganisation of this office are given effect to early, I have no doubt it will become possible to avoid such delays in future.
