FROM

T. H. D. LA TOUCHE, Esq., B.A., F.G.S.,
OFFG. DIRECTOR, GEOLOGICAL SURVEY OF INDIA,

The Secretary to the
Government of Madras,
Educational Department.

Dated Calcutta, 24th Oct., 1910

SIR,

With regard to the proposal to transfer an officer of the Geological Survey of India to the Madras Educational Service with a view to his appointment to the Professorship of Geology in the Presidency College, Madras, I have the honour to state that the sanction of the Right Hon'ble the Secretary of State for India has now been received to the transfer of the services of Mr. Murray Stuart, Assistant Superintendent in this Department. Partly on account of the fact that his ~~xxxx~~ health has suffered during the recent field-season in Burma, and partly for domestic reasons, Mr. Stuart is particularly desirous of availing himself of three months' privilege leave due to him, and has asked for permission to do so before being transferred to the Educational Service in Madras. I am of opinion that it would be unwise to refuse the leave to Mr. Stuart, as it is desirable that he should be given an opportunity of completely

completely recovering his health before joining his new appointment; I should, therefore, be glad to know if it can be made convenient to postpone the transfer of Mr. Stuart's services until the middle of February, 1911. As Mr. Stuart wishes to proceed to England by the mail leaving on the 18th November, I should be glad if you would reply to this letter by telegram.

I have the honour to be,

Sir,

Your most obedient servant,

H. H. Hayden

for Offg. Director, Geological Survey of India.

*Please send my letter No. 26 to the

U.O. no. 55 of 28-10-10.

Work in Geology under the new scheme will not begin till the Commencement in July. I think however that it would be well for Mr. Stuart to join earlier so that he may get his laboratory and museum into order and organize the working in department. I don't think it would be too early if he joined on leave from his leave leave in February. His college vacation begins in April.
