SIR,

Enclosures.

One application
11 Certificates.

I have the honor to forward herewith an application from K. Muthannah, Temporary Lower Subordinate, for a permanent Lower Subordinate's appointment in the Department. This subordinate was first appointed in October 1908 as a Works Sub Overseer on Rs 40/-

In December 1909 he was appointed as a Temporary Lower Subordinate on Rs 35/- as reported in my No. 846 dated 23-12-1909, but as he had not passed the Sub Overseer's Test of the College of Engineering, Madras, his appointment was not approved.

He is a young man of 24 years of age, of Coorg nationality, and has worked well and given me entire satisfaction. He has passed the Lower Subordinate's Course from Arcot Narayanaswami Mudaliar's Technical

Institute, Bangalore, and in all the technical subjects of the Madras Government required for a Sub Overseer, and it is very difficult to obtain good passed men in Coorg and my Lower Subordinate Establishment is very weak. I think the policy of appointing Natives of the Province is one to be developed as far as possible.

I therefore request that you will be good enough to grant him a permanent exemption for entertainment

as a

Not in all the subjects taught in the Lower Subordinate class of the College of Engg. Vide pages 72 to 74 of the Coorg Calendar for 1910-11.

Respected Sir,

With reference to your No. 12/18

of 1.7.1910 Communicating sanction of the

Madras Government to the exemption

from the sub-division's list of the College

of Engineering granted to me up to 31st

March 1911. I beg to state that I have

already passed the examination of the

Government Technical Examination in

the following subjects and I enclose in

original my certificates

1. Surveyors Test Group Certificate

2. Surveying and Levelling Intermediate Grade

3. Earthwork and Road Making

4. Building materials and construction - 5 -

5. Bridge

- The above Examinations are I believe the same as are passed by the Sub-Overseer's and Surveyor's class for appointment in the Madras P. W. D. Is it required that I must again pass the Examination in order to be appointed to the Permanent Establishment as a sub-overseer? If so I beg to state that it will be very hard on me to take up my books & studies again and also lose time in being appointed to the Department.

He has passed certain Joint
Technical Examinations which
does not exempt him from
passing the Sub-overseers
test which is prescribed as
a qualification for sub-
overseers -

For which act of kindness I shall
as in duty bound be ever grateful.

Exemption of K.S.Muthanna for employment
as a Sub-Overseer.

vide his endt. at bottom of
p. 2 of CF.

The Superintending Engineer, IV Circle,
forwards with strong recommendation, an application
for the permanent exemption of K.S.Muthanna from
the Sub-Overseer and Surveyor test of the College
of Engineering for employment as a Sub Overseer
in the Coorg Division.

2. Muthanna has been temporarily exempted
from the Sub Overseer and Surveyor Test and is now
employed as a temporary Sub Overseer on Rs.35 per
mensem - Vide G.O.Nos.107 R, dated 22nd March 1910
and 213 R, dated 2nd June 1910. The period of his
temporary exemption will expire on 31st March 1911.

3. Muthanna's permanent exemption is now applied
for on the following grounds:--

(1) that he has passed the Lower Subordinate's
course from Arcot Narayanaswami Mudaliyar's
Technical Institute, Bangalore;

(2) that he has passed ^{the} Government Technical
examinations

examinations in all the Technical subjects

required for a Sub-Overseer;

(3) that he has worked well and given entire satisfaction;

(4) that it is very difficult to obtain good passed men in Coorg;

(5) that every possible step was taken to secure the services of a passed candidate but without success;

(6) that the Madras Upper Subordinates who are sent to Coorg almost invariably get ill and are found useless; and

(7) that Muthanna is a native of Coorg and it is very desirable that natives of the place should be employed in Coorg as far as possible.

4. No information is available in this office as to the standard up to which instruction in Engineering is provided in the A.N.Mudaliar's Technical Institute, Bangalore, where Muthanna appears to have received his education. It is not therefore possible to say whether the instruction given in that institution may be accepted as equivalent to the course prescribed for the Lower Subordinate class in the College of Engineering.

5. Muthanna seems to have passed the Government Technical Examinations in almost all the subjects prescribed for the Lower Sub-ordinate class of the College of Engineering and the Chief Engineer may, it is submitted, be requested to state whether in view of his having passed those examinations Muthanna may be regarded as being qualified to hold a Sub Overseer's post.
