If the three ^{*}Educational officers serving on the University Inspection Committee were considered to be on deputation, ^(Vide Art. 77 of the C.S.R.) then other officers might be appointed to act ^{for them}. ~~places~~. But the Director of Public Instruction does not seem to contemplate any such acting appointments. It does not therefore seem to be necessary to place the officers formally on deputation; they may simply be considered to be 'on duty' while they are inspecting the affiliated colleges.

2. As under rule XXXVIII of the correspondence rules communications regarding deputation of officers should be submitted to Government through the Accountant General, the Director of Public Instruction's letter may in the first instance be referred to the Accountant General for remarks.
