ABSTRACT.—Communicating to the Director of Public Instruction the orders of the Government of India defining the scope of the note to article 72 (b) of the Civil Service Regulations with regard to fees paid to Educational officers appointed as examiners in consecutive years and prescribing the rules for the grant of fees to the Educational officers for tuition work.

To—the Secretary to the Government of Madras, Educational Department.

Dated—Simla, the 4th October 1910.

No.—1021.

I am directed to state, for the information of the Governor in Council, that the Government of India have approved, in the cases of the United Provinces and of the Punjab, of the delegation to Inspectors of Schools and Principals of Colleges of the power of sanction, at present vested in the Director, Public Instruction, in respect of the grant of permission to teachers in Government institutions to accept fees for private tuition up to a money-limit of Rs. 100 during a school term, and to explain that the Government of India would have no objection to a similar delegation of powers being carried out in the Madras Presidency should the Governor in Council consider it desirable.

Order—No. 668, Educational, dated 23rd November 1910.

The Government are pleased to authorize Inspectors of Schools and Principals of Colleges to sanction the acceptance by teachers in Government institutions of fees for private tuition up to a money-limit of Rs. 100 during a school term.

NOTES CONNECTED WITH G.O., No. 668, EDUCATIONAL,
DATED 23RD NOVEMBER 1910.

[SUBJECT.—Power of sanction in respect of the acceptance of fees for private tuition.]

Previous paper :

G.O., No. 542, Educational, dated 14th August 1906.

From the Government of India, dated 4th October 1910, No. 1021.

Under the note to article 74 (c) of the Civil Service Regulations, the Director of Public Instruction, as head of the Educational Department, has power to sanction the acceptance by teachers in Government institutions of fees for private tuition up to a money-limit of Rs. 100 during a school term—cf. G.O., No. 542, Educational, dated 14th August 1906.

2. The Government of India have now approved of the delegation of this power to Inspectors of Schools and Principals of Colleges in the United Provinces and the Punjab, and state that they would have no objection to a similar delegation of powers being carried out in this Presidency should the Government consider it desirable.

3. The Director of Public Instruction may, it is submitted, be asked u.o. to state whether the power of sanctioning the acceptance of fees for private tuition up to a limit of Rs. 100 may be delegated to Inspectors of Schools and Principals of Colleges, as is the case in the United Provinces and the Punjab.

OFFICE OF THE DIRECTOR OF PUBLIC INSTRUCTION.

I certainly think that the power might be delegated. I presume "Inspector" includes Inspectress.

J. H. STONE—22-10-10.

Demi-official—from the Hon'ble Mr. J. H. STONE, Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 24th October 1910.

On Saturday a u.o. file was sent to me about delegating powers of sanctioning private tuition by teachers in Government schools to College Principals and Inspectors. I noted on it that this might be done. Since doing so it has happened to come to my notice that clerks and librarians are sometimes employed as managers of hostels on small rates of pay, and I write to suggest that the order, if the delegation proposed is finally approved, be so worded as to include cases of this kind. They would ordinarily come under the limitation of Rs. 100 per term.

EDUCATIONAL DEPARTMENT.

Submitted to the Under Secretary.

K. RANGASWAMI AYYANGAR -24-10-10.

The Director of Public Instruction states that the power to permit teachers in Government institutions to accept fees for private tuition may be delegated to Inspectors of Schools and Principals of Colleges and requests that the Government order to be issued on the subject may be so worded as to include the cases of clerks and librarians in Government institutions who are sometimes employed as managers of students' hostels attached to such institutions.

2. As the Government of India expressly state that the delegation of power to Inspectors of Schools and Principals of Colleges should be in respect of "the grant of permission to teachers in Government institutions to accept fees for private tuition," power to grant permission to clerks and librarians in Government institutions to accept fees for acting as managers of students' hostels cannot, it is submitted, be delegated to Inspectors of Schools and Principals of Colleges without a further reference to the Government of India.

3. The draft therefore deals with the delegation of power authorized by the Government of India. If approved, it may issue with the concurrence of the Financial Department.

T.K.—7-11-10.

K. RANGASWAMI AIYANGAR—7-11-10.

I agree. The question raised by the Director of Public Instruction in his demi-official of the 24th October is a separate one, and if he thinks it necessary to raise it, he should come separately about it in an official letter. The advisability of addressing the Government of India in the matter may then be considered.

2. The draft is for the Honourable Member's approval. Financial Department should see for concurrence before issue.
