GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following paper:—

Letter—from F. DEWSBURY, Esq., B.A., LL.B., Registrar, University of Madras.
To—the Secretary to Government, Educational Department.
Dated—the 1st November 1910.
No.—3025.

I have the honour, by the direction of the Syndicate, to submit to Government for sanction the following proposed alterations in Regulations 65, 68 and 214:—

(i) In Regulations 65 and 68 for "*March*" substitute "*November or December*".

(ii) In Regulation 214, paragraph 2, after the words "after taking his degree" insert the words "or after passing the examinations qualifying for a degree in this or some other accepted University."

In the year 1911 for the first time the degree examinations will be held in April and May instead of in December and the following January, as has been the case hitherto. Consequently, if the annual Convocation were held in accordance with Regulation 65 in the month of March, considerable inconvenience would be caused to candidates for degrees who had been successful at the examinations. Under instructions from the Syndicate the Registrar communicated with the Private Secretary to His Excellency the Chancellor and ascertained that the month of November would be most suitable for His Excellency to hold Convocation, provided that the Regulations could be amended where necessary so as to remove any disabilities which would attach to candidates for degrees on account of their not having received those degrees at an earlier date after passing their examinations. Such disabilities would attach to candidates for the L.T. Degree examination under Regulation 214; the proposed alteration of that Regulation will remove them.

The words "or December" were added by the Senate to the original proposal of the Syndicate in view of the possibility of continued inclement weather during the month of November when a Convocation might be almost impossible.

Order—No. 679, Educational, dated 25th November 1910.

Under section 25 (1) of the Indian Universities Act, 1904, the Government are pleased to sanction the alterations proposed in Regulations 65, 68 and 214 of the University Regulations.

From the Registrar, Madras University, dated 1st November 1910, No. 3025.

The Syndicate proposes to amend Regulations 65, 68 and 214 of the University Regulations.

2. *Regulations 65 and 68.*—Under the Regulations which were in force previous to 1907, the Degree examinations were held in December and January of each year, and the annual Convocation for conferring Degrees was held in the month of March. As, however, the Degree examinations will from 1911 be conducted in April (*vide* the addition made to the Transitory Regulation 370, by G.O., No. 620, Educational, dated 23rd November 1909), the Syndicate proposes to hold the annual Convocation in November. It is stated that His Excellency the Chancellor also considered it most suitable to hold the Convocation in November. The Syndicate accordingly proposes to substitute the words "November or December" for the word "*March*" in Regulations 65 and 68. The proposal appears unobjectionable and may, it is submitted, be sanctioned.

Ibid.

3. *Regulation 214.*—In the revised Regulations approved in G.O., No. 841, Educational, dated 27th December 1906, it was provided that the examination for the Degree of Licentiate in Teaching should be held in January—*vide* Regulation 212.* This Regulation† was altered by G.O., No. 624, Educational, dated 25th November 1909, so that the examination for the Degree of Licentiate in Teaching is to be held in April from the year 1911. Regulation 214 as approved in G.O., No. 841, Educational, dated 27th December 1906, provided that a candidate for the L.T. Degree Examination must forward with his application his graduate's diploma and a certificate of having attended a full course of two terms at a Training College affiliated to the University; but it was revised in G.O., No. 624, Educational, dated 25th November 1909, whereby a candidate was required to produce a certificate to the effect that he had attended a Training College for a period of at least one year after taking his degree. In consequence of the proposed change in the date of the Convocation from March to

Degree examination, in consequence of the proposed alteration of Regulations 65 and 68 under which they would be unable to receive the Degree of Bachelor of Arts until November or December, when the Convocation is hereafter to be held. Otherwise, a candidate who passes a Degree examination in April and joins the Teachers' College immediately cannot count the period of one year's study in the College from the date he joined the College, but only from November or December when he shall have taken the Degree. The insertion of the words proposed appears therefore to be necessary, and may be approved. This proposal will,
