Dr. Bourne last returned from furlough on the 15th September 1907. In G.O. No. 308 R. He now ^{the permission of Govt. to} applies for the commutation of his special leave into furlough and the extension of the same by seven months, that is, till the 11th November 1911. The A.G. seems to have certified as to Dr. Bourne's eligibility for the extension.

H.E. the Governor.

In a personal letter to me Dr Bourne writes

"I hope you will be able to get me a reply before the Xmas holidays. I wanted to get some goat treatment at Carlsbad or elsewhere, but find all these places shut in winter and so propose to get if possible the summer in as well."

2. As to office points at Dr Bourne's eligibility for leave and the formal part of it are matters for the Secretary of State. All that is necessary now is to decide whether the Local Govt shall object to, or acquiesce in, the extension.

3. Mr. Stone had a letter from Dr Bourne on Saturday mentioning his intention to apply for 7 months more leave.

Let the Secretary of State know that we have no objection to the extension of leave applied for by Dr. Bourne. I also heard from him this mail. The secretary should look up the papers about the Dr. Bourne's attendance at the Educational Congress to be held in April in London. He will now be able to represent Madras at that Congress and I think the Government of India had better be addressed on the subject. We have already sent them one letter.
