Rev. L. L. Uhl, Ph. D.,

Chairman of a Public Meeting convened in the

A. E. L. M. College Hall, the 17th Dec. 1910.

To

The Chief Secretary,

To the Government of Madras, Madras.

I have the honor at the request of a public meeting called to assemble at the A. E. L. M. College, last Saturday, on the reported removal of the Training School from Rajahmundry to transmit to yourself and for your action in the premises, the following resolution adopted by that body, viz:-

Resolved that the public of Guntur assembled at this meeting greatly regrets the proposal to remove the L. T. Classes from the Training College, Rajahmundry, as such removal will be detrimental to the interests of education in the Northern Circars; and it requests that Government may be pleased to continue the L. T. Department in the said College.

This resolution was supported by addresses the purport of which it is not permitted me to record, but I may add that there are many conditions, unknown in Madras, I should say, whereby hardships and discouragements to future L. T. candidates would accrue to graduates who reside even so far south as Guntur, should they be compelled to seek training in Madras. As an educator in these parts for thirty eight years, I know how slow has been the process of educating and training men hereabouts, and how impossible it is even yet to get a sufficient number of trained Telugu graduates, and therefore I humbly beg that the resolution above quoted receive consideration from Government and for that reason be transmitted to the Excellency Governor.

I have, Sir, the honor to be very respectfully,

L. L. Uhl

Principal, A.E.L.M. College,

Chairman, Public Meeting of the
17th December 1910.

Abolition of the L. T. class in the Training
College, Rajahmundry.

The Rev. L. L. Uhl, Principal of the A.E.L.M.
College, Guntur, submits copy of a resolution pass-
ed at a public meeting held in the college hall on
the 17th December 1910, urging that the removal of
the L.T. classes in the Rajahmundry Training College
will be detrimental to the interests of education
in the Northern Circars and that the classes should
be retained. He states that there is not a suffi-
cient number of trained Telugu graduates in the
Presidency and that the abolition of the Rajahmundry
Training College will cause "hardship and discouragement"
to future L.T. candidates from the northern
parts of the Presidency, if they were forced to go
to Madras for training and requests that the resolu-
tion may receive favourable consideration at the
hands of Government.
