Copy of letter from the District Judge, Guntur,
to the Registrar, High Court of Judicature, Madras,
No. Dis. 1840, dated 2nd July 1910. 14

Adverting to your letter Ref. on Cur. No. 1470
of 1910 dated 6th May 1910 calling for renewed applica-
tions for exemption from examination rules, I have the
honour to forward herewith the applications of the three

1. Y. Sreeramulu Naidu
2. N.V. Seshachellam Naidu marginally noted officers.
3. Mohamad Abdul Khadir

2. No. 1 Y. Sreeramulu Naidu is the Record-
keeper of this Court on Rs. 50. He also acted as Head
Clerk of the local Temporary Sub-Court on Rs. 80 for 3
months. He requires exemption from passing Criminal
Lower and an application for the same was recently for-
warded by me with my letter Dis. 1061 of 1910 dated 21st
March 1910 with the following endorsement:-

" I can state from my experience that the appli-
cant possesses a thorough knowledge of all the minis-
terial work of Civil Courts and bears a spotless charac-
ter. He deserves the exemption he prays for."

I still adhere to the same opinion and again re-
commend his exemption in virtue of his long service and
good qualifications. He is the only non-Brahmin Upper
Subordinate in the Judicial Department in this district.

3. No. 2, N.V. Seshachellam Naidu is the permanent Superintendent of Copyists of this Court. He wants exemption from passing the Civil Judicial Test. As Superintendent of Copyists and as Acting Record-keeper he gave me thorough satisfaction. His character is good. I believe he is an officer deserving promotion and is rather ^{old} for passing the Test. He is one of the few non-Brahmin in the Judicial Establishment in this district. I recommend his exemption.

4. No. 3, Mohamad Abdul Khadir is the Deputy Nazir of the District Munsif's Court, Ongole. He too wants exemption from passing the Civil Judicial Test. He has been very well spoken of and is considered to be a very efficient officer. When I had been to Ongole to inspect the Court there on two occasions, I ^{also} ~~also~~ had the opportunities of observing his work and forming a good opinion thereof. He is spoken of to be a man of exceptionally good character. I would have been very willing to promote him to the place of the Head Clerk of his Court but for the examination bar. He is the only Mohammadan in the clerical Establishment and I recommend his exemption.

To

His Excellency the Governor in Council

M A D R A S.

Through

The Honourable the Judges of the High Court,

M A D R A S.

The humble petition of Y. Sreeramulu Naidu, Record Keeper, --
District Court, Guntur.

Most respectfully sheweth,

That the petitioner has been the permanent
Record-Keeper on Rs. 50/- in the District Court, Guntur, since
1905 when it was established, and that he also acted as Head --
Clerk (Sheristadar), Temporary Subordinate Court, Guntur.

2.. That he entered in the Judicial service so long back as
in the year 1888 and has by dint of hard work risen to the pre-
sent office.

3. That he passed the Matriculation, the Civil Judicial Test,
Translation Lower, but that he cannot now appear for the Criminal
Lower as only under graduates are permitted to go up for it.

4. That the petitioner cannot, under the existing rules --
aspire to become even the Head Clerk of the District Court,
though he is otherwise quite competent for it and has in due --
course become entitled to it as the passing of the Criminal Lower
is a necessary qualification for holding that appointment.

5. That the petitioner has also had chances of actually being
made Head Clerk, but that, unfortunately, his claims had to be
passed over on account of the only disqualification referred to.

6.. That the petitioner has during his long service of 21 --
years had the fortune of serving under many officers, Sub Judges
and District Judges, all of whom were invariably satisfied with
his hard work and pleased with his good conduct, and that the
numerous testimonials he possesses (copies of which are hereto

annexed) will speak for themselves.

7. That the petitioner has had full knowledge of all branches of Judicial work during his long service of 21 years so much so that his superior officers were pleased to certify to his being "all-round" and to his having "thorough -- knowledge of all branches of work" etc.

8. That the petitioner was also fortunate enough to secure the approbation of his superior officers for his hard work and good conduct as will appear from their observations in the testimonials given by them, viz., that 'he does not mind any amount of work', 'is a hard-working and reliable officer', 'is truthful and honest', etc.,

9. That the said and only disqualification from which the petitioner suffers permanently shuts out to him all further prospects of legitimate rise in the Judicial service.

10. That the highest post that the petitioner can, under the present circumstances, aspire to is that of the Sheristadar, Sub Court, and that his opportunities of even getting it are few and far between as there is no permanent Sub Court in the District.

11. That the petitioner's only chance of getting promotion is by being made Head Clerk, District Court and that by the disqualification referred to he is debarred from getting it with the result that he must continue to be but a Record-Keeper all the length of his service and retire as such.

12. That the Government have always been generous enough to take note of such exceptionally unfortunate but deserving cases, and to grant exemptions from passing the required Special Tests and that instances have even occurred in the -- adjoining districts of Kistna and Godavari.

13. That exemptions from passing the Criminal Lower are

being occasionally granted by Government to officers in the Police Department (Clerical and Executive) and that the same concession may be extended even to the Judicial Department at least in -- exceptional cases of this kind. 17

14. That the petitioner is the only non-Brahmin among the Upper Subordinates in the Judicial Department of this District and Nellore and his claims for further rise in the service are specially entitled for every consideration at the hands of the benign Government which has always evinced great interest and sympathy for the community to which the petitioner belongs on account of the fact that it is backward in Education and deserving of encouragement.

15. That the case of the petitioner is indeed an exceptional and pitiable one and as such deserving of every kind and generous consideration in view of his long service, hard and honest work, his full knowledge of all branches of business, and his being -- competent to be made Head Clerk or the Sheristadar of the District Court, and particularly in view of the fact that for this disqualification, the petitioner would long ago have been made -- Head Clerk as more than once had actually occurred when his -- legitimate claims had to be passed over.

The petitioner therefore most humbly prays that in view of all the circumstances mentioned in the petition the Government may be pleased to grant him exemption from passing the Criminal Lower to enable him to secure that rise in the Judicial Department which by his good work and conduct and competency he can lay -- claim to legitimately and in due course.

Guntur,
1st July 10.

He begs to remain,

Your Excellency's most obedient and humble
servant,

Yadam Srinawulu.

The humble application of N.V.Seshachellam Naidu, Sperin-
tendent of Copyists, District Court, Guntur and late Deputy
Nazir, District Munsiff's Court, Guntur,
Most Respectfully Sheweth,

That in obedience to the High Court's reference on Cur.No.
1470 dated 6th May 1910 communicated through the District Judge,
Guntur, the petitioner begs to submit this application praying
that the benign Government may be pleased to grant him exemption
from passing Civil Judicial Test.

b.
2. That when Government in its order No. 864 dated 22-5-06
sanctioned the conversion of the Deputy Nazarat attached to the
District Munsiff's Court at Guntur into the Central Nazarat and
its transfer to the District Court, Guntur, the District Munsif
of Guntur in his letter No. 838 dated 14th June 1906 (Enclosure A)
addressed to the High Court through the District Judge to obtain
sanction of the Government for exempting the petitioner-- the --
then Deputy Nazir -- from passing the requisite Civil Judicial --
Test so that he could be appointed as the Central Nazir of the
District Court. The District Judge late Mr. C.G.Kuppuswami Iyer
who had originally applied for the establishment of the Central
Nazarat, approving the proposal made by the District Munsiff, --
forwarded to the High Court on 24-6-06 the District Munsiff's
letter "with his strong support" and had the exemption been --
granted, the petitioner would have been then made a Central Nazir

3. That by virtue of Government Order No. 864 dated 22-5-06 the petitioner ought to have been the Central Nazir because it was a conversion and transfer in toto including the petitioner the Deputy Nazir.

4. That a perusal of copy of this letter (Enclosure A) together with printed copies of testimonials (Enclosure B) obtained from experienced Officers -- District Judges like Messrs. E.A. Elwin, F.H. Hamnett and S. Gopalachary and many experienced District Munsiffs, clearly show that the petitioner is quite qualified and fitted to hold higher appointments.

5. That the petitioner belongs to a respectable family of Naidus (Non-brahmins) and that his father N. Raghavulu Naidu Garu was a District Munsiff who died in 1934 after having won the good opinion of Messrs. W. Wilson and F. Brandt, late 1st Member of the Board of Revenue, and Honourable Judge of the High Court, Madras, respectively and about whom the District Munsiff has referred to in highly praiseworthy terms in the 4th para of his letter (Enclosure A).

6. That the petitioner is a Matriculate with Hand-writing Test, Translation and Account Test Lower in First Class; that the petitioner's want of passing the Civil Judicial Test is due to no lethargy on his part but he was not permitted to study hard for the examination owing to a complaint in the eye.

7. That the Highest pay that can be aspired for by passing this Test in this District is Rs. 50/- as Head Clerk of some District Munsiff's Court or a Central Nazir of the District Court as there is no permanent Sub Court here; and even that, the petitioner cannot hope to have unless he is granted exemption.

8. That the petitioner has put in a total service of 20½ years during which period he was a Deputy Nazir for 7½ years, Superintendent of Copyists, District Court for more than three

23 22

years and lastly acted as Record-keeper, District Court for three months and attended to various other duties to the entire satisfaction and approbation of all the officers under whom he had the fortune to serve so-much-so that " he knows all the -- branches of work in the Civil Courts very well" as appears from the copies of testimonials (Enclosure B).

9. That the petitioner is already 41 years old with about 21 years' service and that his prospects of promotion are few and far between; that the case of the petitioner is really a pitiable one in that he lost several chances of promotion owing to the - disqualification of not passing the Civil Judicial Test.

10. That the Government have always been generous enough to take note of such exceptionally unfortunate but deserving cases and granted exemptions from passing the required Special Tests.

The petitioner therefore most humbly prays the benign Government for a perusal of enclosures A and B and in view of all the circumstances mentioned in the petition, the Government may be graciously pleased to grant him exemption from passing the - Civil Judicial Test and thus protect him by enabling him to - secure a rise in the Judicial Department.

Sir,

I have the honour to request you will be good enough to move the Government for the exemption of N.V. Seshachellam Naidu, Deputy Nazir of my Court, from passing Civil Judicial Test so that he may be appointed Central Nazir.

2. Ever since I assumed charge of the District Munsif's Court here, N.V. Seshachellam Naidu has been the Deputy Nazir. He has been discharging the duties of the Deputy Nazir very efficiently. I have had no occasion to find fault with him all this time. Before he came to this Court, he was Deputy Nazir of the Tenali District Munsif's Court for 4 years. He holds a number of testimonials from the various officers under whom he happened to serve. A printed copy of his testimonials is herein enclosed and I need not enlarge in respect to them as they speak for themselves.

3. In October last, the District Court was located here. On the recommendation of the District Court, Central Nazarat system has been sanctioned. It will come into force from 1st July. The Deputy Nazir, the amins, and the process-servers attached to this Court will have to go to the District Court hereafter. The only change is that the Deputy Nazir will be styled Central Nazir with increased pay and all the Nazir's establishment will be attached to the District Court instead of to the District Munsif's

25 24

Court. Neither the strength of the amins nor that of the process-
servers has to be increased. The duties of the Deputy Nazir and
the Central Nazir are the same. The same work that has to be done
by the Deputy Nazir in the District Munsif's Court, the Central
Nazir will do in the District Court holding his office there. ---
Virtually, the Deputy Nazir's pay is raised without any material
change. N.V. Seshachellam Naidu's post will be abolished and --
that of Central Nazir will be substituted. So, N.V. Seshachellam
Naidu who has been managing the same establishment for over 3 years
in this court, with much credit and efficiency, is naturally en-
titled to be appointed as Central Nazir. As far as efficiency is
concerned, he is eminently fitted to fill the post of Central ----
Nazir. He has a very good knack of managing a large number of ---
peons and amins. He has more than 16 years' service, of which, 7½
years he has been as Deputy Nazir.

4. N.V. Seshachellam Naidu belongs to a respectable fa-
mily of Naidus of this District. His father was a District Munsif
in the Godavery District for several years whose reputation for -
unsullied honesty and efficiency is still green in the memories of
the people in the Tanuku Munsifi, where he served for several years;
and where I had to serve for 8 months in 1892 & 1893 as Munsif.

5. N.V. Seshachellam Naidu is a very intelligent Matri-
culate with Precis Higher and Translation Lower. Owing to the --
complaint in the eye, he was not permitted to study and pass the
Departmental Examinations. He has not passed the Civil Judicial
Test. Hence the application for his exemption from passing that
examination for his being appointed as the Central Nazir of the
District Court of Guntur.

chellam Naidu at his request.

ONGOLE.

Most Honored sir,

In renewing my application for exemption from passing the Civil Judicial Test, I beg to bring to your honor's benevolent and kind consideration the following facts again though already once submitted, so that your honor might be pleased to make a favorable recommendation for the exemption.

2. I beg leave to submit that I joined the Government service on January 1st, 1890, as a clerk in the Munsif's Court and am now the Deputy Nazir of the District Munsif's Court at Ongole on a pay of Rs. 25 per mensem. That as regards my character, industry and integrity, I only refer your honor to the various testimonials given me by the several Officers under whom I have had the good fortune to serve during these 20 years, and content myself with a hope that my case will receive the best and kindest consideration in your honor's hands.

3. As for my qualifications, I beg to state that I am a First Class Matriculate of 1886, and the only Matriculate in the Mahamadan Community of this Town for about 20 years. I did not prosecute my studies further, though the benign Government were pleased to offer me a scholarship of Rs. 10 per mensem in those days, on account of my then domestic difficulties which were not within my power to overcome and as there was no 2nd grade College here then.

4. On account of heavy work I had during all these years, I was not also able to pass the Civil Judicial Test though I was able to pass all the other examinations. Without this I cannot be appointed even as Head Clerk of a Munsif's Court, not to speak of further promotion. Because of that, I lost several opportunities of being made Head Clerk of a Munsif's Court though I was in charge of the Head Clerk's duties several times. My age being 41 now, any attempt to pass the examination at this age, I submit, is well nigh fruitless. Again, I submit I can discharge the duties pertaining to that or to any higher appointment satisfactorily in as much as I have given some satisfaction to all the Munsifs as regards my capacity to do so.

5. I, therefore, most respectfully pray that your gracious honor might be pleased to recommend me to the Government through the High Court once more to mercifully re-consider my case and exempt me from passing the Civil Judicial Test.

For which act of kindness I, as in duty bound, shall ever pray.

I humbly beg to remain,
Most Honored Sir,

Your honor's most obedient and humble servant.

With reference to the High Court letter R.O.C.

No.1470 dated 6th May 1910, I have the honour to forward herewith a memorial for exemption from examination rules submitted by K. Moideen Kutty, Amin, District Munsif's Court of Tirur.

2. The District Munsif of Tirur states that the memorialist is intelligent, hardworking, bears an excellent character and deserves to be exempted from the examination rules. The memorialist is the only Mopla in service in the Munsif's Court.

The humble Memorial of

K. MOIDEENKUTTY Amin

in the District Munsif's Court

Tirur, South Malabar.

Most Respectfully sheweth,

That with profound respect and due submission the memorialist begs to lay his following grievances before your Excellency in council in the humble hope that they will be redressed.

1. The memorialist humbly submits that he is a young mopla (mohamadan) belonging to an ancient and respectable family at Tirur in South malabar, he has passed the Lower Secondary Examination, he has a fair knowledge of English, Malayalam, Tamil and Arabic languages and while at school he has had the good luck of obtaining several prizes for his intelligence and good conduct also. The premature decay of his family circumstances precluded the continuation of his school career and compelled him to seek an early means of livelihood.

2. The memorialist was entertained as a copyist in September 1900. He is now an Amin in the District munsif's court Tirur and has put in a total service of more than 9 years in this Department, during which period he always discharged his duties to the satisfaction of his superiors. The copies of testimonials obtained by the memorialist from his several superiors are herewith submitted for kind perusal

3. The memorialist further begs to submit that it may not be out of place for him to mention here that the moplas of malabar, especially that of south malabar, are the most backward class of population in point of education, and even in spite of the strenuous efforts on the part of Government in the cause of moplal Education, and the special encouragements and concessions shown to deserving individuals by providing them with suitable appointments they are not yet brought to the level of their brethren of other castes and creeds in the District.

Copy of letter from the District Judge of North Arcot, to the Registrar, High Court of Judicature, Madras, No. 1778, dated 20th June 1910.

With reference to your letter R.O.C.No. 1470 of 1910, dated the 6th ultimo, I have the honour to forward herewith a memorial addressed to His Excellency the Governor-in-Council, from C.Ramaswami Naidu, one of the individuals therein mentioned and who is now a Copyist on the Central Copyist Establishment of this Court, praying firstly that he may be exempted from the examination rules so as to enable him to be given a permanent appointment of at least Rs. 20 in the Judicial Department and secondly, that his past services may be treated as qualifying for pension; and to state, with regard to the first prayer, that, as unpassed men are now eligible for appointments, the pay of which does not exceed Rs. 20, and as the memorialist wants to be exempted so that he may be given a permanent appointment of at least Rs. 20, and I consider that a maximum appointment of Rs. 20 is sufficient for him, I think it unnecessary to address the Government in this matter.

2. With regard to the memorialist's second prayer I think that the appropriate time for considering such matters is the time of applying for pension. Further he resigned his post so long ago as September 1898, vide

vide this Court's letter to Government No. 90, dated
10th January 1906, a copy of which is herein en-
closed. I therefore think it unnecessary to address
the Government in this matter also.

To

His Excellency The Governor in Council,
FORT SAINT GEORGE,
MADRAS.

The humble memorial of
C. Ramaswami Naidu, now Co-
pyist in District and Ses-
sions Court of North Arcot.

Most Respectfully Showeth,

That your Memorialist belongs to a respectable family, being the eldest son of the late C. Thiruvengadaswami Naidu, the distinguished Headmaster of the Zillah School, Chittoor, for a long period of 20 years and whose meritorious services were duly recognised and appreciated by the Government in their Proceedings, No. 440, dated 20th November, 1876. Vide Exhibit A.

2. That the said C. Thiruvengadaswami Naidu having died in March 1876, his brother, C. Govinda Naidu, was supporting your Memorialist, his brothers and other dependants for some time, and he also died in March 1883 leaving your Memorialist, his brothers and others in a helpless state.

3. That your Memorialist had thus to suffer in several ways by various calamities in his big family and, in consequence, he was unable to prosecute his studies, as the son of a distinguished educationist ought to do. But he had however passed the Middle School Examination in 1884 and was employed in the District Court, Chittoor, as acting clerk on Rs. 15/- and permanently as an Amin (Process Writer) on Rs. 12/- for about 7 years from 1887 to 1893, and as a Receiver of Gudipatipolliem Estate on Rs. 25

for more than 5 years, i.e., from September 1893 to December 1898, under the management of the District Court of North Arcot, in execution of a decree (in O.S. No. 5 of 1880) and at last he was suddenly thrown out of employ, as the Estate was transferred to the management of the creditor of the Estate under the orders of the High Court in Letters Patent Appeal No. 13 of 1898 and to the great misfortune of your Memorialist, he had to give up his lien on the permanent appointment as Process Writer in Chittoor District Munsif's Court on the strong basis of the judgment of the High Court in Civil Miscellaneous Appeal No. 188 of 1897 and, as the salary of Rs. 25 he was getting as Receiver of Gudipatipolliem Estate was more attractive.

4. That, thereupon, your Memorialist had to apply to the High Court for restoring him to his former appointment as a Process Writer in Chittoor District Munsif's Court and he was favoured with a Proceedings of the High Court, dated 8th December 1898, No. 2019, referring his application to the District Judge, North Arcot, for disposal. Vide Exhibit B. Thereupon, the then District Judge was pleased to appoint your Memorialist as acting clerk on Rs. 15/- in Chittoor District Munsif's Court for 3 months in 1899 and confirmed him as Copyist, as there was no Amin's place vacant then and that ever since, i.e., from the year 1887, he has been continuing in the employment. Subsequently, your Memorialist has received an endorsement from the District Court of North Arcot, dated 25th April 1900, directing him to apply for an Amin's place that may fall vacant in any of the Munsifs' Courts in the District. (Vide Exhibit C.) But your Memorialist was not able to know of any vacancy in time and he was not fortunate enough to get an Amin's place.

5. That your Memorialist has put in a service of more than 22 years and has earned the good opinion of one

and all of his superiors in the discharge of his duty.
(Vide Exhibits D, E, F, G and H.) Your Memorialist begs to refer in this connection to the judgment of the High Court in Civil Miscellaneous Appeal No. 188 of 1898, dated 13th April 1898, which contains very favourable remarks in appreciation of the meritorious services rendered by your Memorialist in managing the Estate of Gudipati Polliem as Receiver efficiently and satisfactorily. The opening ^{passage} in the above judgment runs as follows:- "From an examination of the annual gross and net income of the Estate I find that the net income available for payment to the Appellant (Judgment Creditor) has tended to increase very considerably under the management of the present Receiver and he refers to other sources of income which he is taking steps to develop."

6. That your Memorialist begs to implore your Excellency to be pleased to take into consideration the above circumstances as a special case which deserves your Excellency's sympathy and to grant him the gracious favour of exempting him from the Examination Rules that he may be given a permanent appointment of at least Rs. 20/- in the Judicial Department and also to treat his past services as qualifying for pension.

For this act of kindness and mercy your Memorialist shall, as in duty bound ever pray.

No. 10. Read the following letter from Colonel R. M. MACDONALD, Director of Public Instruction, to the Chief Secretary to Government, dated Madras, 6th November 1876, No. 3469:—

I have the honor to submit the papers noted in the margin for the orders of

Letter from C. Govindu Naidu of the 31st July 1876.

Copy of Proceedings of the Director of Public Instruction, No. 2218, of the 31st July 1876.

Letter from C. Govindu Naidu of the 28th October 1876.

2. C. Tiruvengada Naidu, late Headmaster of the Zillah School of Chittoor, died on the 16th March without having made any provision for his numerous family. He entered the

Educational Department in 1853, and during the last twenty years was Headmaster of the Zillah School of Chittoor, which has been one of the most successful Zillah Schools in this Presidency. He was an excellent public servant, and would probably if he had lived been promoted to a higher post. He was only forty-five years of age, and his death, which was the result of an accident while out shooting, was unexpected.

3. There is no doubt that he ought to have made some provision for his family, but Hindus have not yet acquired the habit of insuring their lives, or of subscribing to Provident Societies.

4. C. Govindu Naidu, who appeared to be now the head of the family, is a Clerk in the Collector's office on the coast, and states that he is unable to support the four sons, three infant daughters, and five female relatives left by the deceased. He refers to a case in which Government

undertook the education of the sons of an officer in the Judicial Department, and requests that the four boys named in the margin may, when of a proper age, be admitted as free scholars into any Government institution which may be selected for them.

C. Ramasawmi	...	...	Age 11 years.
C. Nadamani	...	...	" 4½ "
C. Parthasarathy	...	...	" 3½ "
C. Jayaram	...	...	" 1½ "

5. Under G.O., No. 105, of the 21st January 1858, the three sons of the late C. Vencatachelliah, Principal Sadr Amin of Tinnevely, were relieved of the payment of school fees and provided with books at the cost of Government. The same privileges might perhaps be extended to these boys.

6. Although C. Govindu Naidu only speaks of himself, I think it right to add that C. Narrainsawmy Naidu, the Sub-Registrar of Combaconum, is also a brother of the late C. Tiruvengada Naidu.

No. 11. ORDER THEREON, 20th November 1876, No. 440.

In compliance with the Director's recommendation, and in special recognition of the valuable services of the deceased to the Educational Department, the admission of the sons as free scholars in a Government School when they attain suitable age is sanctioned.

10 January 1906

To
The Chief Secretary to Government
Medical Department
(Through the Registrar, High Court,
Madras)

Sir,

In submitting herewith a memorial addressed to His Excellency the Governor-in-Council of Fort Saint George, Madras, from Edamaswami Naidu, at present a Copyist in the District Munsif's Court of Ranipet, I have the honour to state that the prayer of the memorialist is two fold, viz, (1) that he may be exempted from the Examination Rules so as to enable him to hold a permanent appointment the pay of which is at least Rs 20 and (2) that his past services from 1st November 1887 to 1st December 1898 or, more correctly, to 20th September 1898, and his services as a Copyist (if the same be admissible) from

53
April 1899 be treated as qualifying for
pension ^{period}. As regards the 1st part
of his prayer, the grounds urged by him
are that he is a son of the late Mr. C.
Tiriveyya Daswami Naidu, who was Head
master for a long time of the Zilla
School at Chittur and whose services
appear to have been specially recognised
by the Government; and that, owing
to the death of his father in 1876,
which was followed by that of his
uncle Govindu Naidu in 1883, he was
unable to prosecute his studies, beyond
the standard of the (late) middle school
examination, which he managed to
pass in 1884; and that he has earned
the good opinion of his superiors as a
Process Writer, acting Clerk, and Copy-
ist, and very favourable remarks in a
Judgment of the High Court as
Receiver of the Gudipati Dalayam Estate.
In consideration of the above circum-
stances, I beg to recommend that he

54
may be exempted as prayed by him.
2. I cannot, however, recommend
the other part of the memorialist's prayer.
The case of the memorialist is one of
deliberate resignation of, and not of
interruption in, service; and, under
Article 418 (a) of the C. S. R., resigna-
tion of the public service entails
forfeiture of past service. His Service
register shows that he was, on 1st Novem-
ber 1887, appointed as an Amin on
Rs 12 in the District Munsif's Court
of Bellare and was transferred in the
same capacity on 3rd May 1888 to
Chittur Court, and that he resigned
the Amin's post on 20. 9. 1898. During
the last 5 years of his service from
1st November 1887 to 20th September
1898 he was on leave without allowances,
presumably as he was employed as

Receiver of the Gudipatipalayam
estate. His subsequent services as a
Copyist do not, of course, qualify
for pension.

Sir,

I have the honor to forward herewith a petition, dated the 1st instant, and addressed to His Excellency The Governor-in-Council, from K. Venkoba Rao, a 3rd grade amin of the District Munsif's Court of Arni, praying that he may be exempted from the Examination Rules so as to be eligible for further promotion in the Subordinate Judicial service up to such limit as His Excellency may be pleased to prescribe and to state that the District Munsif of Arni reports about the petitioner as under:-

"The applicant was first appointed as permanent copyist of Vellore District Munsif's Court on 1st September 1889 and worked as such for about 8 years, giving entire satisfaction to the presiding officers of the said Court, as will be seen from the testimonials Nos. 2, 4 and 5 appended to the application.

"He was appointed as 3rd grade amin on 12th June 1897 and has ever since been doing the duties of the said post very satisfactorily. One of my predecessors, M. R. Ry D. Venkoba Rao Pantulu Garu (at present Subordinate Judge of Salem), entrusted him with commissions relating to the measurement of lands and preparation of plans and was satisfied with the work turned out by him--vide his testimonial No. 7. It appears from the records of this Court that my immediate

predecessor, M. R. Ry V. K. Desikachariar Avergal (at present Subordinate Judge of Negapatam), entrusted the applicant with the onerous work of picking out the time-barred Execution applications for being despatched to the District Court and was highly pleased with his work in that connection. In fact it was through the assistance rendered by the applicant that the Execution work of this Court, which was then in a state of chaos, was brought to working order.

"After I took charge of this Court I tried him in almost all kinds of ministerial work of the regular establishment and he did them all to my entire satisfaction. He has a fairly good knowledge of English and writes a neat hand. I have found him to be a willing, intelligent, painstaking and honest public servant".

2. The District Munsif, therefore, requests that, in consideration of his long and faithful service in the Judicial Department and of the fact that duly qualified men do not often apply for posts in Munsif's Courts for the reason that the chances of promotion therein are rare and far between, the petitioner may be recommended for exemption for posts carrying a salary of Rs. 30 and below. I support the Munsif's application.

May it please your Excellency,

The humble petition of A. Venkatesa Iyer^{2nd} clerk of the District Munsif's Court, Madanapalle most humbly sheweth:-

1. Your Excellency's humble petitioner has put in a service of 16 years entirely in Judicial Department. He has passed the late Middle School Examination 1st class in the year 1886; and Translation Lower of the special test Examination. His present pay is - Rs.25/- and the next step for his promotion is the Head clerk's place of the Munsif's court. He has also acted as Head clerk on several occasions. Under the Public service notification now in force, he cannot aspire to that promotion unless he passes Civil Judicial Test also for which he is debarred now to appear. Your Excellency's humble petitioner begs to submit that the chances of promotion in the Department are very limited and old servants deserve encouragement and patronage as they have to wait long for small promotion also. The petitioner as the old and faithful servant of Government deserves your Excellency's kindness for being exempted to appear for the Civil Judicial Test so that, if he gets a pass in it, he may secure the promotion at least to the place of a Head clerk, after so many years faithful service on small salary in these hard

days of famine . Unless he is exempted what he has passed already will be of no practical use.

2. He begs therefore that your Excellency may be graciously pleased to either permanently exempt him from passing the said Civil Judicial Test or to allow him to appear for the said examination.

3. The petitioner begs to renew this application in accordance with letter reference on current No. 1470 dated 6th May 1910 of the Honourable High Court to the District Judge, Cuddapah.

For this act of kindness the petitioner ever prays for your Excellency's long life and prosperity.

He has been discharging his duties to the entire satisfaction of his superiors.

2. Under the present rules until your Excellency's petitioner passed the Translation test, he cannot aspire for promotion to higher clerical appointments in the Judicial line, as even for the Head clerk's place, Civil and Translation tests are made compulsory. Though the petitioner possesses all other qualifications for promotion, this Translation test is in his way. Thus your Gracious - Excellency will be pleased to see that unless he passes this one, his having passed the Civil and Criminal Judicial tests would not be of much practical benefit unless he be given the indulgence --- sought for.

69

62

3. Therefore your Excellency's humble servant (petitioner) most respectfully prays that your Excellency may be pleased to reconsider his hard case either to exempt him from passing the Translation test Lower grade or to grant him concession to appear for the same.

For this act of mercy he ever prays for your Excellency's long life and prosperity.

He humbly begs to remain,
Your Excellency's most obedient and
humble servant,

Copy of letter from the District Judge, Tinne-
velly, to the Registrar, High Court of Judicature, Madras
No. 1534, dated 29th June 1910.

With reference to your Ref. on Cur. No. 1470 of
1910, dated 6th May 1910 returning the application of
Mahomed Kadir Pacha Sahib 3rd grade Amin of this Court
for exemption from passing the Upper Secondary Examina-
tion, and requesting me to forward his application if he
renews it, I have the honour to forward a fresh applica-
tion from him with the following remarks.

2. This Amin applied once before for exemption from
examination rules and the Government declined to grant
his request (vide my letter D. No. 74, dated 10th

B January 1907 and G.O. No. 28-R., dated 2nd February 1907
communicated in High Court Order Dis. No. 147, dated 5th
February 1907).

3. Since the last application was submitted cer-
tain changes have occurred. The necessity of all persons
employed in Government service being thoroughly loyal has
become increasingly apparent at a time when signs of dis-
loyalty are visible in certain other quarters. Descend-
ants of families which have rendered loyal service in the
past are likely to possess this quality more developed

71 64
than persons picked by chance from the ranks of passed candidates.

4. Secondly G.O. No. 511, Educational, dated 9th July 1908 has been passed permitting unpassed men to be appointed to posts carrying a salary not exceeding Rs. 20. Thirdly the minimum pay of clerks in all District Courts has been raised to Rs. 20.

5. This applicant for exemption was confirmed on 14th March 1906 as a 3rd Grade Amin, his age when he entered the service being 26 years and 7 months and he has had no promotion since his first appointment.

6. There is nothing to prevent his rising to an appointment on Rs. 20 from his present salary of Rs. 12, but owing to there being other men above him on Rs. 15 as 2nd grade Amins, the progress may be somewhat slow.

I doubt if he is fitted intellectually and educationally for discharging the duties of a post carrying a pay exceeding Rs. 25 or at the most Rs. 30.

7. I have no objection to his being exempted if the Government see fit to do so, but the object of exempting him does not arise until he attains a Rs. 20 appointment and is then found fit for further promotion.

The District Judge,

The humble application of Mohamed Katherpatcha
Sahib, son of late pensioned District Munsiff Mohamed -
Madar Sahib Bahadur, residing in Saliar Street, Tinnevel-
ly,
Most humbly sheweth,

That the petitioner belongs to a very respect-
able family. His ancestor, Mohamed Masood Sahib came
from Medina in Arabia. Mohamed Masood Sahib's son, --
Darwish Mohamed Sahib was a Minister in the Darbar of -
His Highness Saw-da-tul-la Khan Bahadur, Nawab of the
Karnatic. His son, Shaik Imam Sahib was a Dewan of the
Maharaja of Arni. His grandson, Mohamed Abdul Rahiman
Sahib Bahadur was a Subadar Bahadur in the British Ca-
valry. His son, the petitioner's father Mohamed Madar
Sahib Bahadur was a District Munsiff in this District -
and rendered loyal and faithful services to the British
Government and charity to the poor, he lately died after

receiving pension for 33 years. His son, the petitioner's brother, Mohamed Azeemudeen Sahib Bahadur is a Town Kazi of Tinnevely.

2. That his son, the petitioner was a trusty -- Manager of Pottalapudur Mohiadeen andavargal Mosque and has passed the Lower Secondary examination in English, held in 1894 (12th March 1895, Fort St. George Gazette, page 17) and also is well acquainted with Tamil and Hindustani. Copies of the certificates granted to the applicant by Mr. Mohamed Usman Sahib, formerly a District Surgeon of Tinnevely, and by Revd. R.F.Ardell are herein enclosed for kind perusal.

3. That at present no member of his family is employed in this British Government. Being anxious to serve the Government, he ~~will~~ gladly accepted the post of an amin in the District Court, Tinnevely, in spite of his forefathers' nobility and his high social standing. But educational qualifications bar his promotion to -- superior service.

4. That, considering the merits of his respected ancestry, he humbly requests that the Government out of generosity will be pleased to encourage a member of such a family.

5. Under the present rules, the applicant is eligible for promotion only upto Rs. 20; and the applicant's prospects being therefore much limited it is quite necessary that he should be exempted from passing the Upper Secondary Examination, so that the scope of his -- prospects

74

prospects might increase.

6. Now the applicant is informed by the Honourable the Judges of the High Court, through the District Judge of Tinnevely, that the applicant may renew his application for exemption.

7. Therefore he most humbly begs Your Excellency to be graciously pleased to exempt him from passing the Upper Secondary Examination required for superior service and to confer upon him a certificate so that he may not be barred from getting promotion to such a post where he can discharge his duties satisfactorily.

8. Copies of the certificates granted to the petitioner's father by the Government are also submitted for kind perusal.

For which act of charity and benevolence, the petitioner shall, as in duty bound, ever pray.

Adverting to R.O.C.No.1470 of 1910, dated the 6th
May last of the High Court, I have the honour to state
that Meera Saheb does not renew his application as his
pay has been raised to Rs.20 in the recent revision of
the establishment, and to forward herewith for favour-
able consideration of the High Court the application
of P. Venkata Ramayya, Translator of my Court, for exemp-
tion from passing the Civil Judicial Test.

2. The enclosed letters to the High Court (Nos.
3198/16-11-1908 and 627/15-2-1910 show that in the
opinion of M.R.Ry. Diwan Bahadur M.O.Parthasarathy
Aiyangar, the permanent District Judge, P.Venkata
Ramayya, whose application for exemption is herewith
enclosed, is, by reason of his past service and present
qualifications, fully deserving of exemption, and would
if appointed, make an excellent Head Clerk. During
the short period I have been here I have found him a
very good interpreter and have no doubt that as time
goes on I shall have no reason to differ from the High
opinion that my predecessor formed of his attainments.

3. He has spent the best part of his life in

service and it seems ^{to me} to be a pity that with his past record and his fitness to fill the appointment of a Head Clerk he should be debarred from future promotion because of his not having passed the required test.

4. I think his case is a fit one for exemption and I forward his application with my strong support.

To

J.T.Gillespie Esquire,

Registrar of the High Court

of Judicature, Madras.

Sir,

In forwarding herewith an application from P.Venkata Ramayya aged about 46, Translator of my Court on a salary of Rs. 75, I have the honor to recommend strongly that Government may be moved to exempt him from passing the Civil Lower, a portion of the Judicial Tests prescribed for the post of the Head Clerk of my Court that will fall vacant within a very short time consequent on the retirement of my Sheristadar on pension and the promotion of the present Head Clerk to the Sheristadar's place.

2. I consider the applicant is the most eligible candidate for the post of Head Clerk and is the only one in my department standing next in grade to that of the Head Clerk. He has put in nearly 25 years' service, is intelligent, hardworking, perfectly reliable and physically strong. He has passed Precise Writing and Translation Higher, examinations necessary only for a higher appointment than that of a Head Clerk. He is acquainted with almost every department of work in the District Court and in my opinion is best fitted to fill the place of the Head Clerk. I feel sure he will command the respect of his subordinates as well as he has earned the approbation of his superiors. I have no hesitation in endorsing the remarks as to his qualifications

82
contained in the various testimonials accompanying his application. Further by far better fitted, as he is in every --- other respect for the place of the Head Clerk, I do not think it desirable, if it can be helped, that a junior of his in grade should get a double promotion at a single stretch.

I am naturally disinclined to make recommendations for exemptions from even a portion of the tests prescribed, certainly after mature consideration, for the respective posts. But, in the case of the applicant, the interests of Public service, the long faithful work of the applicant, and the fact that he is the only one standing immediately below the Head Clerk have induced me to depart from my rule.

I have the honor to be,

Sir,

Your most obedient servant,

To

Registrar of the High Court

Sir,

In forwarding the Memorial submitted by P.Venkata Ramayya Translator of my Court on a salary of Rs. 75, I have the honor to recommend that the Government may be moved, at least, to exempt him from passing the Civil Lower Test for three years so that he might be eligible to hold for the --- period the post of Head Clerk of my Court carrying a salary of Rs. 100 which is now vacant, consequent upon the retirement of the late Sheristadar on pension.

2. Under Clause 3, Rule 5 of the Public Service Notification No. 169 published at page 617, Fort Saint George Gazette dated 22--12--1908, the High Court was pleased to exempt him from passing the test for one year and during that period, he held the post of Head Clerk and gave me entire satisfaction. He has put in a service of about 26 years in this department and has been found intelligent, hardworking and perfectly reliable and in my opinion, is best fitted to hold the place of Head Clerk. I have no hesitation in endorsing the remarks as to his qualifications in the several testimonials accompanying his application.

In Car. No. 1470/10

4. The Honourable the Judges of the High Court were pleased in their Order of 3--2--1909 to exempt Your Excellency's humble Memorialist from passing the Civil Judicial Test pending the publication of the results of the last Examination. But Your Excellency's humble Memorialist failed to secure ^a to pass in the last Examination and from the date of publication of the results has vacated the office of Head Clerk by virtue of the rules promulgated by Government in the Public Service Notification.

5. Your Excellency's humble Memorialist humbly begs to submit that when he was appointed Record Keeper in 1899, the then District Judge (now the Honourable Mr. Justice Munro) gave special directions to him to sort and arrange records in proper order as they were then in great confusion and in 1901 Mr. -- Hamnett the District Judge directed him to catalogue records of 100 years, which work Your Excellency's humble Memorialist did in addition to his ordinary work. During the period Your Excellency's humble Memorialist was in charge of the record rooms, -- the Honourable Mr. Justice Sheppard inspected the Court and was highly pleased with the way in which the important work connected with the arrangement of records was being done in the Court, one of the heaviest Courts in the Presidency. When His Excellency Lord Ampthill and His Excellency's Private Secretary the Honourable Mr. Wynch visited the District Court, Rajahmundry, Your Excellency's humble Memorialist was specially required to give all the information in connection with the records of the District Court, Godavari, and other matters connected therewith.

6. When the Honourable Mr. Cardew came to Rajahmundry in November 1904, on special duty, Your Excellency's humble -- Memorialist was specially deputed by Mr. Hamnett to furnish the information required by him in connection with the redistribution of districts and Your Excellency's Memorialist believes that that Honourable gentleman would bear testimony to the hard and useful work done by him during the gentleman's stay here on special duty.

7. Your Excellency's humble Memorialist begs to represent that one of the principal reasons he was not able to pass the Civil Judicial Test before, is that the nature of the work he was entrusted with was such that he had hardly any time to prepare for an examination, although in the course of his service the major portion of which was near the Bench, he has picked up the knowledge of Civil Law needed for the post of Head Clerk and Sheristadar.

8. Your Excellency's humble Memorialist begs to submit copies of testimonials given him by Messrs. Bird, Hamnett, Moberly, Spencer and of the Certificate granted by Order of His Excellency the Governor in Council for services rendered by him as Charge Superintendent during the Census operations of 1901.

9. Having passed all the necessary Tests (with the exception of the Civil Judicial Test) required for the post of Head Clerk, and some other Examinations necessary only for a higher appointment than that of a Head Clerk, Your Excellency's humble Memorialist prays Your Excellency will be pleased, in consideration of his previous record of faithful service of -- nearly 26 years in the District Court, Godavari, and the good opinion he had earned from the several gentlemen under whom he had served, to exempt him from passing the Civil Judicial Test.

For which act of kindness Your Excellency's humble Memorialist humbly prays for Your Excellency's long life and happiness as in duty bound.

Your Excellency's most obedient
and humble servant,

Rajahmundry,

Sir,

I have the honour to submit herewith for the orders of the Government a memorial addressed to His Excellency the Governor (in Council) from Deen Dayal Singh, a 3rd Grade Amin of the District Munsif's Court of Sholinghur, praying that he may be exempted from the examination rules "so as to enable him to improve his future prospects in the world" and to state that the memorialist entered the service of Government as Attender of the Stationary Sub Magistrate's Office at Arcot on a salary of Rs 7 in October 1892 and remained as such for about 6 years. Then in July 1898 he got a third Grade Amin's place on Rs 12 in the Judicial Department, which he has continued to hold till now. His testimonials go to show that he is deserving of encouragement.

I have the honour to be,

Sir,

Your most obedient servant,

His Excellency The Honourable Sir Arthur Lawley

K.C.M.G. G. C. I. E.

Governor of Madras.

Through,

The DISTRICT JUDGE,

NORTH ARCOT.

The humble Memorial of N. Deen Dayal Sing, Ameen
Munsifs Court, Sholinghur, North Arcot district.

Humbly sheweth:-

That your Excellency's humble Memorialist is
the direct descendent of families which have for several
generations past, rendered signal and meritorious services
His father was a Jamadar of the then 28 M.N.I now 88
Infantry who had rendered faithful services during the ---
troublesome days of the Great Indian Mutiny and was awarded
a medal therefor, while his grandfather served as a Jamadar
Adjutant in the same Regiment and had distinguished himself
in the Mianpur war in which he had also received a gun shot
wound and was awarded a medal.

2. That owing to lack of facilities and opportu-
-nities for sons of Military Officers to avail themselves of
the benefits of higher education by reason of the constant
itineration which they have to undergo while in effective
service, your Excellency's humble Memorialist in common ---
with his compatriots had thus been deprived of such educa-
tion. He had thus to terminate his educational career at
the Lower Secondary stage by reason of the age restriction
and the absence of parental protection. In the midst of
adverse circumstances he managed to secure for himself at
least just sufficient education to obtain some footing how-
ever humble, to enable him to earn his bread. Having passed
his Primary Examination in the year 1891 and being as ----

1470/1019

already submitted, deprived of the means of prosecuting his studies further, Your Excellency's Memorialist enlisted -- himself as an attendar in the Sub-Magistrate's Court at -- Arcot. Finding his prospects in that Department blocked up and possessing the desire and energy to improve them, Your Excellency's Memorialist transferred himself to the Judicial Department as an Ameen on Rs. 12/- in the Court of the District Munisiff at Vellore in 1898 having previously qualified himself therefor by passing the Survey Test in the the same year.

3. During the period that he has been connected with public service he has not missed a single opportunity of augmenting his stock of general knowledge and from the --- enclosed copies of testimonials submitted for your Excellency's kind perusal, it will he ventures to think, appear abundantly clear, that he has always tried to discharge his duties to the entire satisfaction of those under whom he served and that his work and character have always created a favourable impression upon the minds of his Masters.

4. Your Excellency is aware that the Rajput Community which has never lagged behind in shewing its loyalty to the British Crown and which has always been to the front in shedding its blood on many a battle-field in the cause of British Supremacy, has always been backward in the matter of education. Your Excellency will also find that in the matter of public service the members of this community are even to day in the infinitesimal minority. It therefore must look from time to time for special treatment and consideration at the hands of generous and sympathetic administrations like your Excellency.

5. Your Excellency's humble Memorialist is yet young being at present only 32. He has yet to serve the Government for over two decades to qualify himself for that where without which would serve him in his old age. He has, he

he ventures to think, the capacity and aptitude for higher appointments and he has, like every other human being, --- higher aspirations too but in view of the Examination rules his future prospects are barred and his career blighted. He ventures therefore to approach your Excellency with the humble prayer that in consideration of his respectable --- family connections, the distinguished and meritorious ---- services which his immediate forefathers have rendered, the special claims of the community on the Government, his own long and unblemished career in the public service during the last 15 years, Your Excellency will be graciously pleased to grant him exemption from the Examination Rules so as to enable him to improve his future prospects in the world. In doing so your Excellency's humble Memorialist is fortified by the testimonial of the District Munisiff of Sholingar under whom he served until June last in which that officer has distinctly vouchsafed his opinion regarding the memorialist competency for the indulgence that he seeks at your Excellency's hands. It is needless for the Memorialist to emphasize the fact that such exemption have invariably been granted in the case of deserving public servants and even in the case of deserving aspirants for such service and the Memorialist consoles himself with the idea that he has adduced sufficient facts and figures to bring himself under the humane and generous wings of his protectors and benefactors--the British Government.

6. It may not be considered out of place if your Excellency's information that in view of the kindly disposition of Government towards the descendants of Military Officers to provide them with direct commission Memorialist moved His Excellency's the Commander-in-Chief in India --- through the District Officers who all supported his cause for commissioned berth in the Army but by reason of age bar his claims therefor could not be considered although if he had applied much earlier he could have secured the same.

97

28

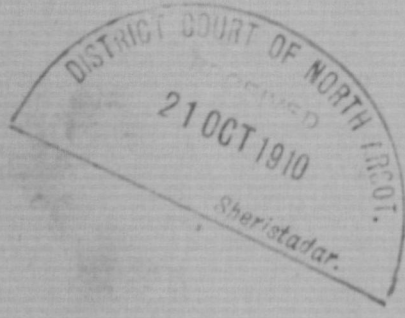

His only chances thus ^{lie} be in the Civil Department in which
he has already spent the best part of his life.

For which act of kindness and charity Your Excel
-lency's humble Memorialist shall ever pray.

I had intended to write to get him exemption from the examination rules, but I had been transferred from the station before I could do it. He is a good and deserving man and I trust my successor will see his way to help him to enter the superior service of the Government.
