(Designation) Ag. Director of Public Instruction,

Madras.

To The Secretary to the Government of Madras,
/Through Educational Department.
The Accountant General/

I have the honour to request you will be so good as to obtain the sanction of Government for the employment of four temporary additional assistants-one on Rs. 60, two on Rs. 50 and one on Rs. 40-in the Presidency Training School for mistresses, Egmore, from the date of reopening of the school after the ensuing Christmas holidays until the 31st December 1911 or until the introduction of the scheme for the reorganization of the school, if that is earlier.

2. The Superintendent of the school reports that the number of students who have applied for training in the English section next year is 11 (5 secondary and 6 Elementary) and that as the number of classes in the English

2/ 4
practising school is nine for which there are only two teachers- one permanent and the other temporary - it will not be possible to carry on the work of the institution next year with the limited staff of teachers and so few students. She states that during the current year there have been 5 secondary and 13 elementary students and that even with this number it has been found very difficult to carry on the work efficiently. As the difficulty will be much more felt next year in view of the fact that the students under training have, under the new curriculum, to attend lectures on Methods of teaching and on Botany, Physiology, English &c., and cannot therefore devote their time to any large extent in teaching classes the Superintendent requests that four additional teachers may be employed from the beginning of next year. The Inspectress of Girls' Schools, Central Circle, in recommending the proposal states that the school is suffering under great disadvantages, that some tentative arrangement such as that proposed by the Superintendent is necessary and that even the number of additional assistants proposed does not give the full complement of teachers required for the practising school, though it is possible to carry on the work without much inconvenience, with the help of the students under training. In these circumstances I consider that the extra assistance proposed is necessary.

3. I beg to submit herewith the necessary proposition statement and a reappropriation statement showing how the extra cost during the current year can be met, and to state that a similar statement showing how the charge can be met during the next year will be submitted after the issue of the Civil Budget Estimate for 1911-12.

I have the honour to be,

I see what is in the Scheme in this organization only his teachers have been provided in this English practicing section, & unless his number of students in training in this section goes up, it seems probable that temporary assistants will be required even after this organization. But this must be a permanent one & no problem seems to be established, & this staff

It is proposed to sanction from 16-1-11 upto 31-12-11
the temporary estab. shown below in The Presidency

The existing estab. does not contain an appointment
cf p. 3. CP (Prof. Statement) on Rs 40/. The corresponding scale is on Rs 30-3-45
(average cost Rs 40). The lowest of the proposed
appointments should therefore properly be on Rs 30/
but the rates proposed (Rs 40/-) need not perhaps be
objected to in this Dept. if, as seems to be intended
Trained graduates are required for the appointments.

2 Period of Sanction

The DPE states that
the temporary estab. will be required "until the
31st December 1911 or until the introduction of

The Scheme of the reorganisation of the School, if That is earlier," while the draft proposes to Sanction the establt up to 31-2-11. It is submitted that para(s) of the draft may follow The D P I's recommendation.

3 Provision of funds

The D P I has forwarded

a reappropriation statement to meet the charge for the current year. For next year it is proposed to ask for a reappropriation Statement after the final issue of the budget. The amount involved if the establt continues up to 31-12-11 (viz Rs 2000) is small, and the budget for 1911-12 includes a lump provision of Rs 20,000 for the reorganisation of Training Schools for mistresses under 22 Education. The charge for the next year may be met from this source, and The Educational Dept may be requested to modify the last sentence of para 2 of The draft order accordingly.
