GOVERNMENT OF MADRAS.

EDUCATIONAL DEPARTMENT.

READ—the following papers :—

I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction, Madras.

To—the Secretary to Government, Educational Department.

Dated—the 17th December 1910.

No.—Ref. on Cur. 6721.

I have the honour to submit the enclosed plan with estimate, amounting to Rs. 7,020, towards the cost of constructing (1) a building (Rs. 6,000) and (2) a compound wall (Rs. 660) and purchasing a piece of land (Rs. 360) for the American Arcot Mission high school, Madanapalle, and to recommend that a third grant of Rs. 2,340 may be sanctioned under Rule 51 of the Grant-in-Aid Code.

2. The present building was constructed some years ago when the school had only lower secondary and primary classes. It has subsequently developed into a high school. There is no suitable accommodation even for Forms IV and V and from the beginning of the next school year Form VI is to be opened. The school is also in need of a good play-ground.

3. The Correspondent reports that the Mission will hold its annual meeting in Madanapalle from December 28th, 1910, to January 6th, 1911, when an official deputation from their Home Committee is expected to visit the place and requests that permission may, as a very special case, be granted to lay the corner-stone at that time. The permission applied for may be granted on the distinct understanding that no guarantee is given that any particular amount of grant or any grant whatever will be sanctioned towards the cost of the proposed building. A permission almost similar to this was granted to the Tirukkattupalli high school in Memorandum No. 48-1, Educational, dated 13th January 1908.

4. The grant, if sanctioned, will be paid when funds are available.

II

Memorandum No. 2519-1, Educational, dated 22nd December 1910.

The authorities of the American Arcot Mission high school, Madanapalle, will be permitted, as a special case, to lay the corner-stone of the proposed building for the school without prejudice to their application for a grant for the purpose of constructing a building for the school which is now under the consideration of Government on the distinct understanding that no guarantee is given that any grant will be sanctioned towards its cost.

C. A. INNES,
Dy. Secretary to Government.

To the Director of Public Instruction.

III

Note by the Chief Engineer, Public Works Department, dated 19th January 1911.

The Director of Public Instruction submits for sanction an estimate, amounting to Rs. 7,020, and one plan (not numbered) for constructing a building for the American Arcot Mission high school at Madanapalle, Cuddapah district.

The plan and estimate have been scrutinised in the Chief Engineer's office and the scantlings of the roof timbers have been corrected.

The timber used for roofing should be equal in quality to timbers of class I in Chief Engineer's Memorandum No. 2440 C., dated 11th May 1909.

The pressure on the soil in foundations as shown on the drawing amounts to 0.72 ton per square foot. The soil is described as ordinary black wet soil.

The Superintending Engineer should satisfy himself that the foundations provided are suitable before building is commenced.

With these remarks the estimate, amounting to Rs. 7,180, as altered in the Chief Engineer's office, is recommended for sanction.

C. A. SMITH,
Ag. Chief Engineer.

Order—No. 48, Educational, dated 26th January 1911.

The Government are pleased to sanction a grant not exceeding one-third of the actual expenditure, nor exceeding Rs. 2,393 towards the cost of constructing a building and a compound wall and purchasing a piece of land for the American Arcot Mission high school, Madanapalle, subject to the following conditions :—

(1) that in carrying out the work the suggestions of the Chief Engineer in his note read above are adopted ;

(2) that the work is completed before the 30th September 1911 ;

(3) that a certificate of the actual expenditure incurred on the work is submitted before the 30th November 1911 ;

(4) that all other conditions prescribed in the Grant-in-Aid Code have been duly complied with.

2. On the above conditions being fulfilled the grant will be paid as funds become available.

NOTES CONNECTED WITH G.O., No. 48, EDUCATIONAL, DATED
26th JANUARY 1911.

[SUBJECT.—*Application for a building grant of Rs. 2,340 for the American Arcot mission high school, Madanapalle, Cuddapah district.*]

From the Director of Public Instruction, dated 17th December 1910, No. 6721.

In submitting an application for a grant of Rs 2,340 in aid of constructing a building for the American Arcot mission high school, Madanapalle, Cuddapah district, the Director of Public Instruction recommends that the Mission may be permitted to lay the corner stone of the building on the occasion of the annual meeting of the Mission which will be held from 28th December 1910 to 6th January 1911, when an official deputation from their Home Committee is expected to visit the place.

2. It will be observed that the Government are not generally in favour of granting permission to begin the work in advance of approval of the plans and estimates by the Public Works Department except in very exceptional cases—*Vide* Memorandum No. 262-1, dated 20th February 1908, on page 2 of G.O., No. 209, Educational, dated 19th March 1908, and G.O., No. 66, Educational, dated 25th January 1908. The authorities of the Church of England Zenana Mission Girls' Boarding School, Ootacamund, were, as a special case, permitted to begin the work in advance of approval of the plans and estimates by Government—*Vide* Memorandum No. 1729-1, dated 3rd September 1910, on page 2 of G.O., No. 575, Educational, dated 5th October 1910. The present case appears to be similar to that of the Church of England Zenana Mission. The permission applied for may be granted subject to the conditions specified by the Director of Public Instruction.

3. The draft memorandum placed below is submitted for approval. After its issue the file may be sent to the Public Works Department for scrutiny of estimates and plans. That department may be requested to treat the matter as urgent.

P.R.—19-12-10.

Orders are solicited as to whether the circumstances of the case are such as to justify a departure from the ordinary rule to be observed in such case. If it is considered that an exception may be made in this case, the memorandum below may issue.

K. RANGASWAMI AIYANGAR—19-12-10.

There are precedents for the action proposed and the draft memorandum may perhaps issue.
