SUBJECT.

The D. P. I requests sanction for the employment of a Commercial Instructor on Rs 60 per mensem in the Govt College, Mangalore, from 1st June 1911 up to 30th April 1912 or until the scheme for the establishment of model High Schools is sanctioned, whichever is earlier.

3. In the revised proposition statement submitted ^{with} Letter No 735-50 dated 12. 12. 1910 provision has been made for the employment of 19 instructors in Commercial subjects on Rs 60 each, one for each of the 19 model Secondary Schools, which it is proposed to establish. The Govt

The proposal to appoint a commercial instructor on Rs 600 p.m in the Govt College, Bangalore for the teaching of Commercial subjects may be accepted in this Dept. The Scheme of Model High Schools provides for a similar

appointment on the same salary for this college when it will be worked as a model Secondary School.

2 It is not, however, clear why sanction has been asked to create the appointment from 1.6.11, when the college reopens after the Summer vacation only on the 19th idem. The latter date may, perhaps, be adopted.

and 12 days in June 1911.

$(60 \times 8 + 24) = 504$

3 The extra cost involved is about Rs 504* during 1911-12, and the D P I proposes to meet the charge by reappropriation. The charge may be met from the lump provision of 1.20 lakhs made in the C.B.E. for 1911-12, for the establishment of Govt Model High Schools as the present proposal really forms part of the Model High School Scheme, and a para indicating the source from which the charge will be met may, perhaps, be added to the draft order.
