Sir,

With reference to your letter No. 559, dated 23rd
September 1910, relative to blocks for the reproduction
of drawings, I have the honour to inform you that steps
have been taken for the supply of the blocks in question.
I enclose, for information, a copy of a letter from
The Strand Engraving Company, dated 8th December 1910,
together with a copy of the letter referred to therein,
dated 15th September 1909, in which they point out that
they have not yet been paid for certain blocks which they
supplied direct to the Superintendent, School of Arts,
Madras, in April 1909.

Similar complaints have been previously received in
connection with direct supplies to officers in India. I
feel sure that you will agree with me that failure to

render the prompt payment, which is expected and usual
in Government transactions, is unfair to contractors and
prejudicial to the interests of Government. I therefore
venture to express the hope that the account of The
Strand Engraving Company may be paid without further delay
and that arrangements may be made for more prompt payment
in future.

I have the honour to be, Sir,

Your obedient Servant,

W. G. Butler
Director General of Stores.

I am much obliged to you for your letter of the 30th ultimo and as requested am sending you copies of the correspondence which passed between Mr. W. S. Hadaway and ourselves. We have written Mr. Hadaway several times since our letter of the 15th September 1909, but up to now have received no remittance from him, in settlement of the account.

We trust you will find this matter quite in order, and hope that we may again be favoured with your esteemed orders, which will always receive our best and prompt attention.
