READ—the following paper :—

Letter—from Rao Bahadur M. RANGACHARYA, M.A., Registrar of Books, Madras.
To—the Secretary to Government, Educational Department (through the Director of Public Instruction).
Dated—the 25th January 1911.
No.—177.

I have the honour to submit herewith the printed catalogue of books registered in the Madras Presidency during the third quarter of 1910, with the following report on the catalogue.

2. It is a noteworthy feature in this catalogue that the output of publications sent in for registration under clause (a), section 9 of Act XXV of 1867, as amended, has beaten the record for any single quarter during the last 42 years. The number of books presented for registration in the previous quarter is 825, while the number of those presented during the quarter to which this catalogue relates is 926. This increase seems to be due mainly to the operation of G.O., No. 491, Judicial, dated 1st April 1910.

3. The total number of publications registered is 926 as noted above. Of these, 624 are grouped as "Books" and 302 as "Periodicals."

4. Distributing the registered collection according to languages, English is represented by 275 works, including diglot publications, Italian by 1, Tamil by 254, Telugu by 211, Malayalam by 54, Kanarese by 19, Uriya by 12, Lushai by 1, Hindustani by 5, Arabic by 11, Persian by 1 and Sanskrit by 81 printed in Telugu, Grantha and Nāgarī characters. Besides these, there has been published a pamphlet in Pālī printed in English containing certain Buddhist teachings.

5. Nearly 10 per cent. of the total number registered consists of works designed for educational purposes.

6. The total number of copyright entries, made during the quarter under report is 150, including the first 12 works mentioned in the additional list appended to the accompanying catalogue. There have also been two cases of assignment of copyright under Act XX of 1847 in respect of the two books numbered 13 and 14 in this additional list.

7. The delay in the publication of the catalogue could not be avoided for the reasons already reported in paragraph 6 of my letter No. 2244, dated the 19th October 1910, forwarding the catalogue for the second quarter of 1910. As the requisite aid asked for in my proposals for the reorganization of this office submitted in July last year has not as yet been given, I am afraid that the catalogue for the quarter ending 31st December 1910 cannot also be published in due time.

N. Ref. on Cur. No. 65/3, dated 4th February 1911.
