To The Secretary to the Government of Madras,
/ through Educational Department.
The Accountant-General/

Sir,

I have the honour to request the sanction of Government for the substitution of the post of a typist on the usual scale of pay, viz., Rs 20-1-50, for the post of 2nd assistant clerk on Rs 20-1-25 in the College of Engineering, Madras, in view to the supply to it of a typewriting Machine. The need for this has, it is reported, been keenly felt particularly in connection with the faircopying of reports on testing investigations in the College workshop and on investigations carried out in the laboratories. These are of considerable importance and require to be not put in as clear a form as possible, a result obtained by having them copied by clerks in, at best, indifferent handwriting.

2. The present second assistant clerk has passed the Government Elementary Examination in typewriting and is thus qualified to handle the machine when one is supplied.

3. An indent for a typewriter will be submitted separately for the sanction of Government in the Financial Department.

4. I submit herewith the usual proposition statement from which it will be seen that the proposal will involve an extra average cost of Rs 6-4-0 per mensem ; there will, however, be no increased cost during the next year.

I have the honour to be,

S i r ,

Your most obedient servant,

SUBJECT.

Appointment of a type-writing clerk
at the College of Engineering, Madras.

The D.P.I. proposes to substitute the post of a typist on Rs 20-1-50 for the post of second Assistant Clerk on Rs 20-1-25 in the College of Engineering, Madras. The proposal involves an extra average cost of Rs 6-4-0 per mensem, but there will be no increased cost for the present.

The pay proposed viz Rs 20-1-50 will have to be provided only if the college requires a typist with advanced qualifications. From the letter in the C.F. it appears that the object of the present proposal is to obtain for the Engineering College a type-writing machine which under the rules are

Supplied only to offices in which type-writing
clerks are provided. The existing pay Rs 20-1-25
is that of a typist with elementary qualification
For the purposes of the college this clerk is apparently
considered sufficient. All that is necessary
therefore appears to be to treat the post as
that of a type-writing clerk. No extra cost
will be involved and no proposition statement
will be necessary as the ~~only~~ change will be only
in the designation of the appointment. This
may be suggested for the consideration of

A draft order in accordance with Dy. Secy's orders is placed below.

2. It is however respectfully Submitted that G.O.No. 608 Financial, dated 27th June 1900

fixes the pay of type-writing clerks. For clerks

who have passed the Elementary Examination in

Type-writing the pay is fixed at Rs.20-1-25 and

for clerks who have passed the Intermediate Exa-

mination at Rs.25-1-35. In G.O.No. 216 Financial

dated 18th May 1908 the pay ~~is~~ clerks who have

passed the Advanced Examination is fixed at

Rs.35-1-50. These G.Os. do not say how the pay

of type-writing clerks should be shown in the

proposition statement. This is done in G.O. No.

218 Financial, dated 8th March 1902 (which is

subsequent to G.O.No. 608 Financial dated 27th

June 1900) and it states that the pay of type-

writing clerks should be shown in the proposed

scale of the proposition statement as Rs.20-1-35

and the average cost as Rs.27-8-0. A similar

order does not seem to have been issued after

the pay of type-writing clerks who have passed

the Advanced Examination was fixed in 1908 at

Rs.35-1-50. But following the ruling in G.O.

No.218 Financial, dated 8th March 1902, the

Director of Public Instruction has shown the pay

of the type-writing clerk in the proposition

statement as Rs.20-1-50. From this it does not

follow that the clerk at the College of Engineer-

ing who has not passed the Intermediate and

Advanced Examination in Type-writing will rise

to Rs.50. By G.O.No.608 Financial, dated 27th

June 1900 the pay of a clerk who has passed the

Elementary Examination only is fixed at Rs.20-1-25

and the clerk at the College of Engineering can-

not get more than Rs.25, unless he passes the

Intermediate Examination. Under G.O.No.608

Financial, dated 27th June 1900 and G.O.No.464

Financial

E

Financial, dated 23rd July 1906, however, the clerk will be allowed to draw pay, according to the higher scale immediately on his passing the Intermediate Examination and it is to allow of this being done, that it has been laid down that the pay of type-writing clerks should be shown as Rs.20-1-35 or Rs.20-1-50. In these circumstances and in face of G.O.No.218 Financial dated 8th March 1902 it is for consideration whether the pay of the type-writing clerk at the College of Engineering should be shown as ^{Rs.}20-1-25. Assuming that a clerk who has passed the Advanced Examination is not wanted for the College of Engineering; there seems to be no reason why the pay of the clerk should not be shown as Rs.20-1-35 as laid down in G.O.No.218 Financial dated 8th March 1902.

The Dept. as I have amended it puts it matter correctly I think, but I agree with you that it w^d be simpler to sanction at once a pay of Rs 20-1-35. It is my view that the clerk's pay will not go beyond Rs 25 unless he has passed the Intermediate Examⁿ. The matter however is not one of

Please see the preceding notes. With reference to para 2 of the Educational Dept office note of 21.1.11, it is submitted that what was suggested in this Dept notes on pp. 1-2 ante was that as the D P I's letter did not show that a typist with higher qualifications than Elementary was necessary for the Engineering College, it was not necessary to provide for more. The Educational Dept note seems to have missed this point. The orders quoted in that note merely fix the pay admissible to typists of certain qualifications. These do not necessarily imply that the pay admissible should be given as a matter of course whether provision for it exists or not, nor does G.O no 218 Financial & 8.3.1902 directing that the pay of typewriting clerks should be shown as 20-1-35 imply that this pay should be shown as such irrespective of the requirements of an office. The point for consideration is, it is submitted, what provision

Should be made for the purposes of the Engineering college. So far as can be gathered from the DPT's letter it does not appear that a higher pay than Rs 20-1-25 is called for. But this Dept need not, it is submitted, object to the pay being fixed at Rs 20-1-35 if Educational consider it necessary.

[The pay allowed for typists in Sub Courts is Rs 20-1-35 and in a recent case a type-writing clerk has been sanctioned for the office of the Agent for Government consignments at Rs 20-1-25].

This follows the precedent set in recent cases.

The above is correct.

For the Engineering College no higher qualifications appear to be necessary for the typist than in the case of the ^{typist of the} Agent for Govt. Consignments. Rs 20-1-25 shd. do very well.
