G.O., No. 646, Educational, dated 12th November 1910.

ABSTRACT.—Sanctioning a building grant not exceeding Rs. 9,510 towards the cost of constructing a building for the S.P.G. High School, Trichinopoly.

II

Letter—from the Rev. A. F. GARDINER, M.A., Principal, S.P.G. College, Trichinopoly.

To—the Director of Public Instruction, Madras.

Dated—the 26th December 1910.

No.—638-C.

With reference to your letter No. 6995 of 1900, dated 22nd November 1910, regarding sanction of grant and approval of plans for the new high school building at Trichinopoly Fort, I have the honour to request your kind sanction to the introduction of the enclosed revised plan in place of that already approved. In the original plan (also enclosed) sufficient strength for the verandah end-arches had not been provided and in consequence these arches had to be reduced in accordance with your direction. To carry out the building according to the original plan with this partial alteration only would unfortunately cause the symmetry and the general appearance of the building to suffer considerably. In the revised plan I have not in any way departed from the original ground plan neither in the size of the rooms nor in the general design of the building whatever, *except that, for the sake of symmetry, I have re-spaced the arches*, at the same time adhering strictly to the alteration to the end-arches as laid down by the Chief Engineer, Public Works Department, and incorporating the other changes suggested by him.

As I hope to begin laying the foundations at an early date, your kind approval of this formal modification will much oblige me.

Ref. on Cur. No. 8484 of 1910, dated 9th January 1911.

Submitted to Government with reference to G.O., No. 646, Educational, dated 12th November 1910, and recommended.

2. The original and revised plans are enclosed.

J. H. STONE,
Ag. Director of Public Instruction.

Order—No. 108, Educational, dated 22nd February 1911.

The revised plan for the construction of a building for the S.P.G. High School, Trichinopoly, is approved.
