I

G.O., No. 55, Educational, dated 4th February 1901.

ABSTRACT.—Approving, with remarks, the proposals of the Director of Public Instruction that the reports on certain educational institutions may be for the calendar instead of for the official year, and that the dates for their submission to Government may be altered accordingly.

II

G.O., No. 359, Educational, dated 21st June 1910.

ABSTRACT.—Communicating to the Director of Public Instruction, the Commissioner for Government Examinations, the Superintendent, Government Museum and the Registrar of the University of Madras, the revised statement of periodical reports and returns and budget estimates to be submitted to this department.

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 23rd January 1911.

No.—404 C.

With reference to G.O., No. 359, Educational, dated 21st June 1910, I have the honour to suggest that the reports on the first-grade colleges, the Law College, the Training colleges and the College of Engineering be submitted in future for the academic year instead of for the calendar year according to G.O., No. 55, Educational, dated 4th February 1901. Under the new University Regulations, the academic year in the case of these colleges runs from July to March and it is desirable that the report should be a record of the work done during the same period. If this is done, the dates of the submission of the reports to Government will have to be altered and the 15th June may be fixed as the date in the case of all the colleges mentioned above. The best time for the Principals to get their reports ready is just before the long vacation which commences about the middle of April and the reports can conveniently be submitted to Government before the 15th June.

Order—No. 109, Educational, dated 22nd February 1911.

The proposals of the Director of Public Instruction are approved.

Ag. Secretary to Government.
