With reference to G.O., No. 763, Mis.,
Edl., dated 23rd December 1910, I have the honour to
state that the Superintendent of Industrial Education
considers that, before dealing with detailed proposals

in-aid may be given clearly stated. He proposes to take
this question up after his return to Madras and I beg to
recommend that the matter of aiding the St. Joseph's
Industrial School, Coimbatore, and the Basel Mission at

SUBJECT.

Aid to the St. Joseph's Industrial School
at Coimbatore and to the Basel Mission Calicut.

L

In G.O. no. 763 Edl D 23-12-10, the D.P.I. was requested to advise in consultation with Mr. Chatterton on the proposal made by the Director of Industries that the St. Joseph's Industrial School at Coimbatore should be developed with Govt. aid and that the Basel Mission should be assisted in establishing an Industrial School at Calicut.

2. The D.P.I. reports that Mr. Chatterton considers that, before dealing with detailed proposals for individual institutions, it is desirable to formulate a definite policy in regard to industrial education and to lay down clearly the general principles upon which grants-in-aid to industrial schools may be given and that he (Mr. Chatterton) proposes to take this question up after his return from Allahabad. The D.P.I. accordingly recommends that the question of aiding the St. Joseph's Industrial School, Coimbatore & the Basel Mission at Calicut may be considered after the general question of policy referred to by Mr. Chatterton has been settled.
