READ—the following papers :—

I

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department (through the Accountant-General).

Dated—Madras, the 6th December 1910.

No.—Ref. on C. 3997 of 1909.

I have the honour to request that you will be so good as to obtain the sanction of Government with effect from 1st April 1911 for closing the Government Muhammadan Girls' school at Porto Novo and for transferring the provision to Tindivanam with a view to taking over the local Anjuman Girls' school under departmental management.

2. The Inspectress of Girls' Schools, Central Circle, reports that the condition of the Government Muhammadan Girls' school at Porto Novo has been unsatisfactory for some time past, that its strength on the 31st July last was 34, that the average daily attendance was only 21 and that the Muhammadan residents of the locality are indifferent and do not appreciate the benefit of educating their girls, and she thinks that the provision for the school might with advantage be transferred to some other locality where a Muhammadan Girls' school would be more highly valued. After considering the relative needs of the various places in the district she suggests Tindivanam as a suitable place for the purpose. It is stated that at this place there is a recognized Muhammadan Girls' school under the management of the local Anjuman with 47 pupils on the rolls distributed among the three lowest standards, that owing to its crippled financial condition the management is unable to expand its usefulness and that it is prepared to hand it over to Government unconditionally. The Inspectress therefore proposes that the provision for the Muhammadan Girls' school at Porto Novo be utilized for taking over the Anjuman Girls' school at Tindivanam under departmental management.

I beg to recommend the proposal and to state that it does not involve any extra cost, as the existing provision for the Porto Novo school will be quite sufficient for the proposed school.

The usual proposition statement is herewith submitted.

Memorandum No. 2484-2, Educational, dated 7th January 1911.

With reference to his letter R.O.C. No. 3997 of 1909, dated 6th December 1910, requesting the sanction of Government for the closing of the Government Muhammadan Girls' school at Porto Novo and for the taking over under Government management of the Anjuman Girls' school at Tindivanam, the Director of Public Instruction is requested to state whether, in view of the fact that the school at Tindivanam has at present only three standards with 47 pupils, the proposed staff of three teachers is necessary and whether a staff of two teachers, one on Rs. 15 and the other on Rs. 12 and a peon on Rs. 5 will not be sufficient for the school, at any rate, for the present.

Letter—from the Hon'ble Mr. J. H. STONE, M.A., F.R.H.S., Acting Director of Public Instruction.

To—the Secretary to Government, Educational Department.

Dated—Madras, the 6th February 1911.

No.—Ref. on C. 3997 of 1909.

With reference to Memorandum No. 2484-2, Educational, dated 7th January 1911, I have the honour to state that the proposed school at Tindivanam may, for the present, be started with two teachers, one on Rs. 15 and the other on Rs. 12 and with a watcher on Rs. 5.

Order—No. 122, Educational, dated 1st March 1911.

The Government approve the proposal of the Director of Public Instruction to close the Government Muhammadan Girls' school at Porto Novo with effect from 1st April 1911 and to take over the Anjuman Girls' school at Tindivanam under departmental management.

2. The school will, for the present, be provided with a staff of two teachers—one on Rs. 15 and another on Rs. 12 per mensem—and a watcher on Rs. 5 per mensem. As the pay of the watcher is debited to "Contingencies" under paragraph 3 of G.O., No. 442, Financial, dated 8th October 1910, and is drawn only on contingent bills the item relating to the watcher will be omitted from the proposition statement. The proposition statement submitted by the Director of Public Instruction as thus amended is sanctioned, the sanction being registered as No. 12 of 1911-1912.

NOTES CONNECTED WITH G.O., No. 122, EDUCATIONAL,
DATED 1ST MARCH 1911.

[SUBJECT.—Closing of the Government Muhammadan Girls' School at Porto Novo
and the taking over of the Anjuman Girls' School at Tindivanam.]

G.O., No. 515, Educational, dated 8th August 1907.

From the Director of Public Instruction, dated 6th December 1910,
No. 3997/09.

In the circumstances explained by the Director of Public Instruction, the proposal to close the Government Muhammadan Girls' school at Porto Novo with effect from 1st April 1911, and to take over the Anjuman Girls' school at Tindivanam under departmental management may, it is submitted, be accepted. The proposal does not involve any extra cost.

2. The draft below is for approval. If approved, it may be sent to the Financial department for acceptance.

FINANCIAL DEPARTMENT.

It is proposed to sanction the Director of Public Instruction's proposals :—

- (i) To close with effect from 1st April 1911 the Government Muhammadan Girls' school at Porto Novo, South Arcot district,
- (ii) to take over under Government management with effect from the same date (viz., 1st April 1911) the Anjuman Girls' school at Tindivanam, and
- (iii) to transfer to the latter the following staff of teachers now employed in the Porto Novo school :—

	Cost per mensem.

1 Headmistress	..	..	..	..	..	..	..	20
1 Assistant	..	..	..	..	..	..	..	15

2. Proposals (i) and (ii) may, in the circumstances detailed in the Director of Public Instruction's letter, be accepted in this department. As regards proposal (iii), it is observed that the Tindivanam school has at present only three standards with a

B total strength of 47 pupils, and according to rule 81 of the Educational Rules, only one teacher (on Rs. 12) would appear to be admissible to such a school. The papers do not show whether it is intended to remodel the school. In the absence of fuller explanation on the point it does not appear to be necessary to sanction more than a teacher (on Rs. 12) and a peon (Rs. 5). It is submitted that the Educational department may be requested to consider the point and obtain a further report from the Director of Public Instruction, if necessary.

EDUCATIONAL DEPARTMENT.

The statement at **B** above in the Financial department note does not appear to be correct. Under paragraph 2 of G.O., No. 515, Educational, dated 8th August 1907, with which rule 81 should be read, the minimum number of teachers in

C. A. INNES.

Government Muhammadan Girls' schools should not be less than two. According

to this ruling the proposed Muhammadan Girls' school at Tindivanam should have at least two teachers, one on Rs. 15 * and the other on Rs. 12, * and not one teacher as

* Scale of pay fixed in G.O., No. 515, Educational, dated 8th August 1907, for schools which have two teachers.

suggested in the Financial department note. The Director of Public Instruction proposes to retain the whole of the establishment sanctioned for the school at

Porto Novo, apparently because he considers that under departmental management the usefulness of the school could be expanded, which the present managers are unable, owing to financial considerations, to carry out. The Director of Public Instruction will of course not employ all the three teachers at once if the strength of the school does not require it. In these circumstances, it is for consideration whether any reference should be made to the Director of Public Instruction as suggested by the Financial department. If it is considered that a reference should be made to him, the draft below may issue.

FINANCIAL DEPARTMENT.

Please see Financial department notes on pages 1-2 *ante*. The Educational department now state that two teachers (on Rs. 15 and Rs. 12) will suffice instead of 3 teachers (on Rs. 20, Rs. 15, and Rs. 12) originally proposed by them, and they also propose to replace the peon on Rs. 5 by a watcher on the same pay. The net saving involved in the proposals as modified is Rs. 20 *per mensem* or Rs. 240 *per annum*.

2. As regards the replacement of the peon by a watcher, it is observed that under G.O., No. 442, Financial, dated 8th October 1910, the pay of watchmen in the Educational department is debited to contingencies, and that the item relating to the watcher will therefore have to be omitted from the proposition statement. The Educational department may be requested to make the correction, and the necessary addition to the draft order.

3. As the proposals involve a change in permanent establishment charges, the sanction will have to be registered. The usual sentence may be added to the draft order, the sanction being registered as No. 12 of 1911-1912.

4. With reference to the suggestion made by this department at **B** on page 2 *ante*, and the Educational department's note thereon, it is submitted, that this department followed the fifth edition (latest) of the Madras Educational rules which purports to embody the "modifications approved by Government prior to June 1908". As it now appears that the instructions in G.O., No. 515, Educational, dated 8th August

1907, have not been embodied in the latest edition of the Educational Rules, it seems desirable to issue an addendum to the rules.

C. REILLY—17-2-11.

5. The draft order may, it is submitted, be accepted in Financial subject to the foregoing remarks.

EDUCATIONAL DEPARTMENT.

The draft order in the file has been amended in accordance with the foregoing notes of the Financial department.

2. As regards paragraph 4 of the Financial Department note above, it is submitted that the instructions in G.O., No. 515, Educational, dated 8th August 1907, need not be embodied in the Madras Educational Rules. The Government Order did not sanction any alteration in the rules but merely conveyed an instruction to the Director of Public Instruction in regard to the scale of pay to be adopted for teachers employed in *Government Muhammadan Girls' schools*. Administrative instructions which are issued for the guidance of the Director of Public Instruction are not embodied in the Educational Rules.
