The Engr. In-charge IV who was referred to on the subject states that plans and estimates for improvements to the Lawrence Asylum buildings ^{London} would be ready by the end of the current month and that if they are sanctioned by the middle of February next, an expenditure of Rs 2000 can be incurred during the current year and Rs 7000 during 1911-12.

It seems doubtful if estimates will be sanctioned sufficiently early to admit of expenditure during the current year. There is no information in the P.W.D. as to the details of the proposed improvements and extensions. The orders on the Subject were passed in the Educational Department and were communicated to the P.W.D. for information ^{only}. In these orders the Committee of the Lawrence Asylum have been asked to submit detailed plans and estimates for the work. ~~These~~ ^{The} Detailed plans and estimates referred to are presumably the documents necessary under para 648 of the P.W.D. code for administrative approval. On receipt of the plans and estimates from the Committee the question of design ^{herein} will have to be gone into, and it seems unsafe to assume that the scheme will be ready for commencement during the current year.

As regards next year the S.E.'s estimate of Rs 70,000 is probably too high. A provision of Rs 25,000 or Rs 30,000 is perhaps sufficient, ~~considering~~ ^{considering} that the Govt. of India have reserved only

Rs 10,000 in their next year's budget estimate under Imperial Military works for special demands for the whole of India it seems doubtful if they will be in a position to provide funds for the Lawrence Asylum Buildings during 1911-12. The Lawrence Asylum Committee has already at its disposal a sum of Rs 54,745 vide Vol. Dept Memo No 2339-3 of 5-3-10, which ^{the Committee} it has agreed to provide for the present purpose. This amount seems to be ample to meet requirements until the end of next official year. The Committee maybe asked to arrange to place Rs 30,000 on 1st April 1911 at the disposal of the Executive Engineer, and to be prepared to place more funds up to the limit of Rs 54,745 in the course of 1911-12 if necessary.

As regards Govt funds, arrangements may be made in connection with the Budget estimate for 1912-13.

The P.W.D. state that no expenditure is likely to be incurred on the proposed improvements to the Lawrence Asylum buildings in 1910-1911. As regards 1911-12 also, no funds are to be provided in the Budget, as the Asylum Committee has agreed to place at the disposal of the P.W.D. necessary funds for the work in that year. No assignment under the Land Revenue head has accordingly been proposed in the I Edition of the C.B.E. recently submitted to the Govt of India.
