CONFIDENTIAL.

NOTES CONNECTED WITH G.O., No. 161, EDUCATIONAL,
DATED 20TH MARCH 1911.[SUBJECT.—*Selection of a candidate for the Vice-Principalship of the Teachers' College.*]*Demi-official*—from the Hon'ble Mr. J. H. STONE, M.A., Acting Director of Public Instruction.*To*—the Hon'ble Mr. L. DAVIDSON, I.C.S., Acting Secretary to Government, Educational Department.*Dated*—Madras, the 3rd February 1911.*No.*—5.

I suppose I may assume that Dodwell will be appointed to the Record office, and that there will therefore be an acting vacancy in the Vice-Principalship of the Teachers' College.

2. Hall is also taking leave so that the Principalship and Vice-Principalship of the Teachers' College have to be filled for two years at least. If suitable appointments are made the reorganization of the college could practically be effected in that time. For the Principalship I intend to propose an officer of the Indian Educational Service but am not in a position to do so just yet. He will be a man of experience and organising and disciplinary power, but not necessarily an expert in education as the subject is now understood. I think therefore it is very necessary to secure for the Vice-Principalship a man of really first-class attainments in education, a man of the stamp of the Professor of Education at Edinburgh, Manchester and Leeds—I mention those whom I happen to know—or at any rate one who might be expected to develop into such. I have laboured this point in my letter R.C. No. 5015-A/09, dated 9th December 1910. What I suggest therefore is that the Secretary of State should be asked to make a temporary appointment for this purpose.

3. The fact that there is not a permanent vacancy will of course be an obstacle to getting a thoroughly good man, but it is more apparent than real since it can hardly be doubted that even if Mayhew and Dodwell revert both Mackintosh and the proposed man can easily be provided with acting appointments till permanent vacancies occur. I would suggest, however, that it should be suggested to the Secretary of State that in the agreement made with the new man it should be provided that in the event of his being eventually confirmed his acting service should count retrospectively for leave and pension.

4. I would further suggest that with a view to better indicating the qualifications necessary the name of the appointment should be changed from that of Vice-Principal to Professor of Education in the Teachers' College and that the proposal in my letter above referred to that the appointment should be in the higher grade of the Indian Educational Service (Rs. 500—1,000) should receive consideration in this connection.

5. I attach the greatest importance to these appointments in the Teachers' College. L.T. teachers are by no means what they should be and the work of Inspectors consists largely in giving them the knowledge and inspiring in them the intelligent interest in their profession that they ought to have brought from the college. The new University Regulations properly worked should improve matters, but we must have people in the college competent to teach up to them.

Office-note to the Deputy Secretary, Educational Department.

A demi-official letter came from Mr. Stone a day or two ago advocating the recruitment from England of a successor to Mr. Dodwell who will shortly be deputed for special record work with the result that arrangements must be made to replace him at the Teachers' College. Mr. Stone tells me that he forgot to emphasise the important point that this successor must arrive in the second week of July when the college reopens after the vacation.

G. F. PADDISON—7-2-11.

There are, at present, two acting vacancies in the Indian Educational Service, one caused by the transfer to foreign service of Mr. Mayhew and the other caused by the appointment of the Hon'ble Mr. Stone to act as Director of Public Instruction in the place of Dr. Bourne. The former vacancy will last till the 23rd December 1911, unless Mr. Mayhew's term of appointment under His Highness the Nizam's Government is extended. The latter vacancy will, in the first instance, last till the return of Dr. Bourne from leave in November next, but is likely to continue longer, as the Hon'ble Mr. Stone will probably proceed on leave on the termination of his present acting appointment.

Vide the Director of Public Instruction's letter on page 1 of G.O., No. 531-2, Educational, dated 7th September 1911.

Yes.

L. DAVIDSON.

2. In July next, there will be two acting vacancies in the Indian Educational Service, one in consequence of the absence on furlough of Mr. Hall, Principal of the Teachers' College, for one year, eight months and five days from 9th July next, and the other consequent on Mr. Dodwell's appointment* as Curator of the Madras Record office with effect from the 15th April 1911, the date on which the college closes for the ensuing summer vacation—*vide* G.O., No. 92, Public, dated 25th January 1911. There will also be another vacancy in November next, as Mr. Littlehailes, Inspector of European and Training Schools, proposes to proceed on leave—*vide* G.O., No. 531, Educational, dated 7th September 1910. There will be a permanent vacancy in 1913, if Mr. Hall retires at the end of his leave—*vide* Honourable Member's note on page 5 of G.O., R. No. 30, dated 23rd January 1911.

[as he probably will.]

L. DAVIDSON.

3. In Educational Despatch No. 4, dated 16th November 1910, the Secretary of State has already been requested to send out two temporary officers to act in the place of the Hon'ble Mr. Stone and Mr. Littlehailes, when they proceed on leave. If appointed in time, these officers will arrive here, one on or about the 15th July next and the other on or about the 15th November 1911. It was originally intended that the officer coming out on the 15th July next should take the place of the Hon'ble Mr. Stone, but as the latter will not probably go on leave till the return of Dr. Bourne in November next, although he originally intended to do so in continuation of the next summer vacation of the college, this officer may be appointed in the place of the officer of the Indian Educational Service who might be selected to act for Mr. Hall as Principal of the Teachers' College or in the vacancy caused by the transfer of Mr. Mayhew. [Mr. Pranatartihara Aiyar is

acting in the Indian Educational Service in the latter vacancy.] Mr. Mackintosh who was sent out by the Secretary of State to fill the vacancy caused by the transfer of Mr. Mayhew is now acting as Additional Professor of English in the Presidency College in the place of Mr. Dodwell.

4. The position now is as follows:—

The Hon'ble Mr. Stone, Principal and Professor of English, Presidency College, *acts* as Director of Public Instruction, *vice* Dr. Bourne on leave.

Mr. Mark Hunter, Principal, Rajahmundry College, acts as Professor of English, Presidency College.

Mr. Couldry, Inspector of Schools, 3rd Circle, acts as Principal, Rajahmundry College.

G.O., R. No. 59, Educational, dated 25th February 1909.

G.O., R. No. 1819, Educational, dated 11th January 1910.

G.O., R. No. 275, Educational, dated 18th July 1910.

G.O., R. No. 1819, Educational, dated 11th January 1910.

G.O., R. No. 22, Educational, dated 17th January 1911.

Mr. Champion, Vice-Principal, Teachers' College, acts as Inspector of Schools, 3rd Circle.

Mr. Dodwell, Additional Professor of English, Presidency College, acts as Vice-Principal, Teachers' College.

Mr. Mackintosh, Temporary officer, acts as Additional Professor of English, Presidency College.

If, as is presumed, the Hon'ble Mr. Stone proceeds on leave on the return of Dr. Bourne in November next, the acting vacancy that will be caused by Mr. Dodwell's vacating the post of Vice-Principal in April next is likely to last till the return of Mr. Stone from leave.

5. The Hon'ble Mr. Stone suggests that for filling the vacancy in the Vice-Principalship of the Teachers' College, caused by Mr. Dodwell's transfer to the Record office, the Secretary of State should be requested to make a temporary appointment. He states that it is necessary to secure for this post a man of really first-class attainments in education, a man of the stamp of the Professor of Education at Edinburgh, Manchester and Leeds, or, at any rate, one who might be expected to develop into such and one who might be eventually confirmed in the post. He further suggests that the designation of the appointment should be changed from that of Vice-Principal to Professor of Education and that the proposal made by him in connection with the reorganization of the Teachers' College for raising the pay of the post from Rs. 500—50—750 to Rs. 500—50—1,000 should receive consideration.

Paragraph 5 of letter No. 5015-A., dated 9th December 1910.

Rs. 500—50—750 to Rs. 500—50—1,000 should receive consideration.

6. There is, it is submitted, no objection to change the designation of the appointment from that of Vice-Principal to Professor of Education. The proposal to raise the pay of the post from Rs. 500—50—750 to Rs. 500—50—1,000 has already been discussed in the file regarding the reorganization of the Teachers' College which is now with the Financial Department. It will however be noted that in

Page 6 of G.O., No. 27, Educational, dated 17th January 1910.

paragraph 13 of their letter No. 754, Education, dated 26th August 1909, regarding the reorganization of the Indian Educational Service, the Government of India proposed that the present practice by which the maximum pay of headmasters (and Vice-Principals) in the Indian Educational Service is limited to Rs. 700 or Rs. 750 should be terminated and that they should be recruited on the same terms as Inspectors and Professors, and

Paragraph 6 of letter to India, No. 28, Educational, dated 17th January 1910.

this proposal has been accepted by this Government. The pay of the post may thus be increased in the near future, if the proposals for the reorganization of the Indian Educational Service are accepted by the Secretary of State.

7. It is, however, for consideration whether the Secretary of State may be requested to select and appoint temporarily, for the post of Vice-Principal of the Teachers' College, a person possessing the qualifications mentioned in paragraph 2 of Mr. Stone's demi-official. The Hon'ble Mr. Stone states that the officer selected

L. DAVIDSON. should arrive here in the second week of July next when the College reopens after the summer vacation. Please see also Mr. Stone's suggestion in paragraph 4 of his demi-official, page 1 *supra*.

T.K.—14-2-11.

K. RANGASWAMY AIYANGAR—15-2-11.

First as to the title, I think Professor of Education and Vice-Principal sounds more attractive than Professor of Education simply and suggest its adoption.

In the vacancy caused by Mr. Hall's going on leave the Secretary of State may be asked to select a man with the qualifications given by Mr. Stone in his letter. The Secretary of State may be asked to explain to the candidates that though the appointment is only temporary there is a strong probability of his continuing to act till a permanent vacancy occurs, and that in the event of his being confirmed his acting service will be allowed to count for leave and *pension* (will this have

to go to Financial?). The Secretary of State may also be asked to explain the improved prospects of the Indian Educational Service, if he approves of the Government of India's proposals to that effect.

G. F. PADDISON—16-2-11.

L. DAVIDSON—17-2-11.

Financial n.o. before circulation to Honourable Member.

FINANCIAL DEPARTMENT.

It is proposed to address the Secretary of State for the recruitment of two officers for the Indian Educational Service, in the vacancies caused by—

K. RANGASWAMY AIYANGAR—8-3-11.

(i) the grant of furlough to Mr. A. A. Hall for 1 year, 8 months and 5 days; and

(ii) the deputation of Mr. H. Dodwell to the Record office for two years.

The Educational Department states that though these officers are now required temporarily, there is a strong probability of their being continued in service till permanent vacancies occur, and proposes that the acting service of these officers should be allowed to count for leave and pension.

2 Under article 371 of the Civil Service Regulations, officiating service of an officer without a substantive appointment cannot count towards pension unless it is rendered in an office which is vacant or the permanent incumbent of which does not draw any part of the pay or count service. The officer appointed to officiate in the vacancy caused by Mr. Hall's leave, cannot clearly count his officiating service towards pension.

3. The appointment of Curator, Record office, has been sanctioned only temporarily for two years, and Mr. Dodwell is to do temporary duty in the Record office. Under articles 376 and 490, Civil Service Regulations, Mr. Dodwell will count service in his permanent appointment during this period, and the officer appointed in his place cannot therefore count service also.

4. As regards leave, temporary and officiating service counts for leave only if it counts for pension—*vide* article 201, Civil Service Regulations.

5. Although the rules of the Civil Service Regulations do not permit of the officiating service being counted towards leave and pension, there appears to be no objection to asking the Secretary of State to allow their officiating service to count retrospectively towards leave and pension. This has been done by the Secretary of State in the case of Mr. H. Champion, who was temporarily appointed in the Indian Educational Service in 1908—*vide* clause 7 of the agreement on page 3 of G.O., No. 787, Educational dated 24th November 1908. A general exemption has also been sanctioned in

This case is very different.

the case of temporary and officiating Assistant Superintendents of Police—*vide* article 374, Civil Service Regulations.

There appears, therefore, no objection to the Secretary of State being asked to incorporate in the agreement the condition that the officers should count their temporary and officiating service towards leave and pension.

To Honourable Member for orders whether the Secretary of State may be addressed on the above lines.

G. F. PADDISON—1-3-11.

Yes. I agree. I think Mr. Paddison's proposed title for the office, viz., Professor of Education and Vice-Principal should be attractive. I quite agree as to the kind of man we should ask for.

M. H[AMMICK]—2-3-11.

Draft accordingly.

G. F. PADDISON—3-3-11.

A draft despatch to the Secretary of State is submitted for approval.

2. In the Financial Department note, page 4 *supra*, it is stated that two officers have to be recruited. This is not correct. Only one temporary officer is required.

T.K.—6-3-11.

Please type as revised and please see whether the draft is correct as to the amalgamation of the Teachers' College at Rajahmundry. Is that to come shortly or has it been done? Also I have said, "the College will become by far the most important Teaching College"; is this right or is it the only Teaching College? Please correct the draft if either of the points is wrong.

G. F. PADDISON—9-3-11.

Draft retyped and submitted.

2. With reference to **A** it is submitted that the amalgamation of the Rajah-mundry College with the Teachers' College is to come on only hereafter. As regards **B**, the Teachers' College, Saidapet, will, after the amalgamation, be the only Training College for the Presidency.

K. RANGASWAMY AIYANGAR—10-3-11.

G. F. PADDISON—10-3-11.

I approve of the draft.

M. H[AMMICK]—11-3-11.

G. F. PADDISON—15-3-11.

The despatch has been put in type and copy for signature is submitted in a separate board. It may be circulated to His Excellency and Honourable Members for signature.

K. RANGASWAMY AIYANGAR—15-3-11.

Circulate for signature.

G. F. PADDISON—16-3-11.

I only got this late on in the afternoon to-day.

A. L[AWLEY]—16-3-11.

In all cases in which a letter or despatch has to be signed by all the Members of Government, I think the draft should be first circulated to all. It is inconvenient to suggest verbal or other modifications when the copy goes round for signature.

V. K[RISHNASWAMI AIYAR]—18-3-11.

Issue the despatch and then take action on Honourable Member's note, dated 18th March 1911. It will presumably be for treatment in Public, as the suggestion is general and affect the Council Rules.

LETTER to the Right Honourable the Secretary of
State for India.

No. 1, dated 20th March 1911.

REQUESTING that a candidate may be selected for the acting post of Vice-Principal of the Teachers' College at Saidapet.

EDUCATIONAL DEPARTMENT.

LETTER—to

THE RIGHT HONOURABLE THE SECRETARY OF STATE FOR INDIA.

MY LORD,

We have the honour to address you on the subject of the selection of a candidate for the acting post of Vice-Principal of the Teachers' College at Saidapet in the Madras Educational Department.

2. Mr. Herbert Champion, who was appointed in Lord Morley's Despatch No. 5, Public, dated 11th September 1908, to act temporarily as an Inspector of Schools in the vacancy caused by Mr. Logan's leave, was appointed in 1910 as permanent Vice-Principal of the Teachers' College, Saidapet, in succession to Mr. R. G. Grieve, who was promoted to be an Inspector of Schools. Mr. Champion is now acting as an Inspector of Schools and is not likely to revert to the Vice-Principalship of the Teachers' College. The sanction of the Government of India has been obtained to the deputation, as Curator of the Madras Record Office, of Mr. Henry Dodwell, who is now acting as Vice-Principal, for a period of two years from the 15th April 1911, the date on which the Teachers' College closes for the ensuing summer vacation; and it has become necessary to find a suitable person for the post of Vice-Principal.

3. The post for which we now request Your Lordship to make an appointment is one to which we attach great importance. The Teachers' College is shortly to be enlarged, the College now at Rajahmundry being amalgamated with it, and to be thoroughly reorganised: in consequence it will become the only Training College in the Presidency, and on the nature of the training given therein will largely depend the success or failure of higher education in this Presidency for some time to come. The course of study for the degree of Licentiate in Teaching in the Madras University has recently been considerably modified and enlarged, and if the higher standard now required by the University Regulations is to be attained, it will be necessary that the man now selected for the post of Vice-Principal should be a real specialist in educational science. We consider that he should occupy a similar position to that of the Professor of Education in Edinburgh, Manchester or Leeds, and to indicate more clearly the nature of the duties which he will be expected to fulfil, we propose to change the designation of the post to that of Vice-Principal and Professor of Education in the Teachers' College. Apart from the question of teaching in the college itself, it is imperative that there should be, in the Educational Department in this Presidency, a recognized expert in educational science to whom the officers of the department can refer as authority in all matters connected with modern methods of teaching.

4. It will thus be clear that there will be ample scope for the energy and enthusiasm of a real specialist in education. We propose that the Professor of Education should, as far as possible, be retained continuously in the post and not be transferred to other duties. There is no officer in the Madras Educational Service with the necessary qualifications, and we consider it essential that a man should be recruited from England.

5. At first sight it would appear improbable that any one with the requisite attainments would be willing to take up the appointment. The vacancy is only temporary and the present pay of the post is only Rs. 500—50—750. We would, however, point out to Your Lordship that there is a strong probability of the selected candidate being confirmed in the appointment at no distant date, if he fulfils his duties to our satisfaction, and we would suggest, for Your Lordship's consideration, that a clause might be inserted in his agreement that in case of his confirmation, his previous temporary and officiating services would count towards leave and pension. As regards the pay of the post, proposals have already been submitted, in connection with the reorganization of the Indian Educational Service, that the pay of Headmasters and Vice-Principals should no longer be limited to Rs. 700 or Rs. 750, but that they should be given the same pay as other members of the Indian Educational Service. If these proposals should meet with Your Lordship's approval, we hope that it will be possible to secure a man with the requisite qualifications for this important post.

6. In conclusion, we would invite Your Lordship's attention to the necessity for taking early steps in the matter, as the candidate selected should arrive in Madras in or about the second week of July next when the Teachers' College reopens after the ensuing summer vacation.

We have the honour to be,

My Lord,

Your Lordship's most obedient, humble servants,

ARTHUR LAWLEY.

Mr. Champion, Vice-Principal, Teachers' college, acts as Inspector of schools, 3rd circle.

Mr. Dodwell, Additional Professor of English, Presidency college, acts as Vice-Principal, Teachers' college.

Mr. Mackintosh, Temporary officer, acts as Additional Professor of English, Presidency college.

If, as is presumed, the Hon'ble Mr. Stone proceeds on leave on the return of Dr. Bourne in November next, the acting vacancy that will be caused by Mr. Dodwell's vacating the post of Vice-Principal in April next is likely to last till the return of Mr. Stone from leave.

5. The Hon'ble Mr. Stone suggests that in the Vice-Principalship of the Teachers' College, caused by Mr. Dodwell's transfer to for filling the vacancy in the Secretary of State the Record office, the Secretary of State should be requested to make a temporary appointment.

Page 1 ante

He states that it is necessary to secure for this post a man of really first class attainments in education, a man of the stamp of the Professor of education at Edinborough, Manchester and Leeds or at any rate one who might be expected to develop into such and one who might be eventually confirmed in the post. He further suggests that the designation of the appointment should be changed from that of Vice-Principal to Professor of Education and that the proposal made by him in connection with the reorganization of the Teachers' college for raising the pay of the post from Rs.500-50-750 to Rs.500-50-1000 should receive consideration.

Education. The proposal to raise the pay of the post from Rs.500-50-750 to Rs.500-50-1000 has already been discussed in the file regarding the reorganization of the Teachers' college which is now with the Financial Department. It will however be noted that in paragraph 13 of their letter No.754 Education, dated 26th August, 1909, regarding the reorganization of the Indian Educational service, the Government of India proposed that the present practice by which the maximum pay of head-masters (and vice-Principals) in the Indian Education service is limited to Rs.700 ^{or} ~~750~~ should be terminated and that they should be recruited on the same terms as inspectors and professors, and this proposal has been accepted by this Government. The pay of the post may thus be increased in the near future, if the proposals for the reorganization of the Indian Educational service are accepted by the Secretary of State.

7. It is however for consideration whether the Secretary of State may be requested to select

and appoint ~~one~~ temporarily for the post of a person ~~possessing the qualifications mentioned in para 2 of Mr. Stone's D.O.~~ Vice-Principal of the Teachers' college. The

Hon'ble Mr. Stone states that the officer

selected should arrive here in the second week of July next when the college reopens after the summer vacation. Please see also Mr. Stone's Eng.

 First as to the title. I think Professor of Education & Vice Prin-
 cipal sounds more attractive than Professor of Education & Vice Prin-
 cipal. I suggest its adoption.
 As to the vacancy caused by Mr. Hale's going, we learn from Secretary of State that
 he asks to select a man with the qualifications given by Mr. Stone in
 his letter. The Secretary of State may be asked to explain to the candidates
 that there is no assurance of a permanent position, but a strong
 probability of a permanent vacancy occurring, and that it is one of his being
 confirmed his acting service will be allowed to come for leave and pension
 (with this leave to go to Finance). The Secretary of State may also be asked to
 explain the various prospects of the I.S.S., if he approves the sort of Indian
 prospects to that effect.

It is proposed to address the Secy. of State for the recruitment of 2 officers for the Indian Educational Service, in the vacancies caused by—

(i) the grant of furlough to Mr. A.A. Hall for 1 year. 8 m + 5 ds; and

(ii) the deputation of Mr. H. Dodwell to the Record Office for 2 years.

The Educational Deptt states that though these officers are now required temporarily, there is a strong probability of their being continued in service till permanent vacancies occur, and proposes that the acting service of these officers should be allowed to count for leave and pension.

2. Under art: 371 of the C.S.R., Officiating Service of an Officer without a substantive appointment cannot count towards pension unless it is rendered in an office which is vacant or the permanent incumbent of which does not draw any part of the pay or count service. The officer appointed to officiate in the vacancy caused by Mr. Hall's leave, cannot clearly count his officiating service towards pension.

3. The appointment of Curator, Record Office has been sanctioned only temporarily for two years, and Mr. Dodwell is ~~able~~ to do temporary duty in the Record Office. Under arts: 376 and 490 C.S.R., Mr. Dodwell will count service in his permanent appointment during this period, and the Officer appointed in his place cannot therefore count service also.

4. As regards leave, temporary and Officiating service counts for leave only if it counts for pension — vide art: 201 C.S.R.

5. Although the rules of the C.S.R. do not permit of the Officiating service being counted towards leave and pension, there appears to be no objection to asking the Secy of State to allow their ^{Officiating} service to count retrospectively towards leave and pension. This has been done by the Secy of State in the case of Mr. H. Champion, who was temporarily appointed in the ~~Indi~~ Indian Ed. Service in 1908 — vide clause 7 of the agreement on page 3 of G.O. 787 Ed. of 24.11.08. A general exemption has also been sanctioned in the case of Temp. and Officiating Asst. Supts of Police — vide art 374 C.S.R.

This case is very different

There appears therefore no objection to the Secy. of State being asked to incorporate ~~the~~ in the agreement the condition that the officers should credit their temp. and officiating service towards leave and pension.

LETTER:- No. 1 of 20. 3. 11

To

The Secretary of State for India.

My Lord,

We have the honour to address you on the subject of the selection of a candidate for the acting post of Vice-Principal of the Teachers' College at Saidapet in the Madras Educational Department.

2. Mr. Herbert Champion, who was appointed in Lord Morley's despatch No.5 Public, dated 11th September 1908 to act temporarily as an Inspector of Schools in the vacancy caused by Mr. Logan's leave, was appointed in 1910 as permanent Vice-Principal of the Teachers' College, Saidapet, in succession to Mr. E.G. Grieve, who was promoted to be an Inspector of Schools. Mr. Champion is now acting as an Inspector

of Schools and is not likely to revert
to the Vice-Principalship of the Teachers'
College. ~~Mr~~ Henry Dodwell, who ~~is~~ ^{is and}
acting as Vice-Principal, ~~has~~ ^{with} been ~~sanctioned~~
~~with~~ the sanction of the Government of
India ~~has been obtained~~ ^{has been obtained} ~~his~~ ^{to the} deputation as Curator
of the Madras Record
office for a period of two years from the
15th April 1911, the date on which the
Teachers' college closes for the ensuing
summer vacation; and it has become
necessary to find a suitable person for
the post of Vice-Principal.

3. The post for which we now request
your Lordship to make an appointment is
one to which we attach great importance.
The Teachers' College is shortly to be
enlarged, the College now at Rajamundry
being amalgamated with it, and to be
thoroughly reorganized: in consequence
it will become ~~the~~ ^{only} ~~the~~
Training College in the Presidency and
on the nature of the training given there-
in will largely depend ~~the~~ the success or
failure of higher education in this
Presidency for some time to come. The
course of study for the degree of
Licentiate in Teaching in the Madras
University has recently been considerably
modified and enlarged, and if the higher
standard now required by the University
Regulations is to be attained, it will
be necessary that the man now selected
for the post of Vice-Principal should be
in
a real specialist, educational science.

3

We consider that he should occupy a similar position to that of the Professor of Education in ~~Edinburgh~~^{urgh}, Manchester or Leeds, and to indicate more clearly the nature of the duties which he will be expected to fulfil, we propose to change the designation of the post to that of Vice-Principal and Professor of Education in the Teachers' College. Apart from the question of teaching in the college itself, it is imperative that there should be in the Educational Department in this Presidency a recognised expert in educational science to whom the officers of the department can refer as authority in all matters connected with modern methods of teaching.

4. It will thus be clear that there will be ample scope for the ~~enthusiasm~~^{energy} and ~~enthusiasm~~ of a real specialist in education. We propose that the Professor of Education should as far as possible be retained continuously in the post and not ~~be~~^{not} transfer^{red} to other duties. There is no officer in the Madras Educational Service with the necessary qualifications and we consider it essential that a man should be recruited from England.

5. At first sight it would appear improbable that any one with the requisite attainments would be willing to ^{up}take the appointment. The vacancy is only temporary and the present pay of the post is only Rs.500-50-750. We would

however

4 5p

however point out to your Lordship that there is a strong probability of the selected candidate being confirmed in the appointment at no distant date, if he fulfils his duties to our satisfaction, and we would suggest for Your Lordship's consideration that a clause might be inserted in his agreement that in case of his confirmation, his previous temporary and officiating services would ~~be~~ count towards leave and pension. As regards the pay of the post, proposals have already been submitted, in connection with the reorganization of the Indian Educational Service, that the pay of Headmasters and Vice-Principals should no longer be limited to Rs.700 or Rs.750, but that they should be given the same pay as other members of the Indian Educational Service. If these proposals should meet with your Lordship's approval, we hope that it will be possible to secure a man with the requisite qualifications for this important post.

6. In conclusion, we would invite your Lordship's attention to the necessity for taking early steps in the matter as the candidate selected should arrive in Madras in or about the 2nd week of July next when the Teachers' College reopens after the ensuing summer vacation.
