Ref. on CN No. 25 of 11,

From (Name) The Hon'ble Mr. J.H. Stone, M.A., F.R.H.S.,

(Designation) Ag. Director of Public Instruction.

To The Secretary to the Government of Madras,
Educational Department.

Sir,

'through the Accountant-General, Madras'

Sir,

I have the honour to request you will be so
good as to obtain the sanction of Government for
providing temporarily a separate Model school staff for
the Teachers' College, Saidapet, as shewn in the
accompanying proposition statement, with effect from
1st July 1911 until 31st March 1912 or until the
introduction of the scheme relating to the Model
High Schools, whichever is earlier.

2. The present staff of the college consists
of ^{six} ~~seven~~ senior assistants and ^{seven} ~~six~~ junior assistants
besides the Principal, Vice-Principal and the Superin-

2

Superintendent of the Primary department. It is stated by the Principal that of the ~~seven~~ junior assistants five will be required for the primary classes and two for teaching Telugu for the secondary forms, and that of the six senior assistants three will be required for the training sections of the collegiate and secondary departments and one will be in charge of the Model school under the control of the Principal and Vice-Principal. Thus there will only be two assistants left for the Model school. The Principal further states that there will be at least ten sections in the secondary forms of this school and that as each section should have a permanent teacher ^eight more assistants who must be specialists will be necessary - two in English, two in History and Geography, two in Science and two in Mathematics. Besides these, two assistants will be required for Tamil.

I beg to submit that the Principal's proposals are based on the assumption that the L.T. Section will be closed at Rajahmundry on the 1st July. If this be the case then there will be no need for the services of the 1st and 2nd assistants of the Training section at Rajahmundry. At present there are five assistants in this section and two of them may be ordered to do duty at Saidapet. The 1st assistant at Rajahmundry is a member of the Provincial Educational Service and the 2nd assistant is an officer on Rs 80-4-100. If these two officers are transferred to the Teachers' College, then there will be required only six assistants for the Model school besides the two vernacular assistants.

I agree with Mr. Hall in thinking that to attract good and efficient teachers the pay of each of the six assistants should not be less than Rs 60 per mensem and

3
and that of the assistants for Tamil who must be at least trained Matriculates, should not be less than Rs 25 per mensem.

3. The extra cost involved by the proposals will be Rs 410 per mensem or for the eight months from 1st July 1911 to ²⁷th February 1912 (the pay for March 1912 being a charge on April 1912) will be Rs 3,280 or Rs 3,300 in round numbers. I request that provision may be made for this sum in the Budget Estimate for 1911-12 now under the consideration of Government if it is not proposed to ~~retain~~ the lump provision of Rs 4,17,000 already provided in the above budget estimate for the establishment of Government Model High schools.

4. In conclusion I beg to state that the provision now applied for is the fundamental part of the reorganization of the Teachers' College ~~and~~ that the College cannot possibly work efficiently in accordance with the ~~course~~ laid down in the new University Regulations until the practising school is converted into a Model school by the provision of a staff entirely independent both of the students under training and of the staff of the training section.

I have the honour to be,

Sir,

Your most obedient servant,

G. Vishwanathan

for Director of Public Instruction.

NOTES.

C. No. 408 From the D. P. I. No 25 dated 8. 2. 1911.

SUBJECT.

Employment of eight temporary assistants
in the Teachers' College, Saidapet

The D. P. I. requests sanction for the employment of eight temporary assistant masters (6 on Rs 60 per mensem and 2 on Rs 25) in the Teachers' College, Saidapet, from 1st July 1911 to 31st March 1912 or until the introduction of the scheme for the establishment of model High Schools, whichever is earlier. The necessity for the employment of this temporary staff is fully explained in the D. P. I.'s letter. He states that the employment of this additional staff, that is, a separate staff for the Practising school, is the fundamental part of the re-organization of the Teachers' College which he has proposed and which has recently been sanctioned by Govt. He observes that for the efficient working of the College in accordance with the provisions of the new University Regulations the Practising school attached to the College should

should be converted into a complete model secondary school and provided with a staff quite independent both of the students under training and of the staff of the training section.

2. The proposals are made on the assumption that the scheme for the establishment of model schools will not come into force on 1st July next. In another connection, the Honourable member noted that when he was at Calcutta he was told that the model High school scheme had just then gone to the Secretary of State. It is therefore likely that sanction to the scheme may be received before 1st July next. There is, however, no objection to the present proposals of the D. P. I. being sanctioned as effect will be given to them only if the model High school scheme is not brought into force by the 1st July 1911.

3. The A. G. remarks that the rates of pay proposed for the temporary assistants, viz. Rs 60 and 25, are greater than that of the lowest appointment for similar duties, viz. Rs 20.

for 1911-12.

Rs 20. But the teachers required are for higher standards and ^{as} observed by the D.P.I., good and efficient teachers for these standards cannot be had for a pay less than that proposed by him. The rates of pay proposed by the D.P.I. may, it is submitted, be accepted.

4. The charges on account of this temporary establishment may be met from the lump provision of Rs 1,20,000 made in the Budget estimate for 1911-12 for the establishment of Govt model High Schools.
