No. 357

LOCAL & MUNICIPAL SECRETARIAT
14 MAR 1911

From

The Hon'ble Mr., H. Sharp,
Joint Secretary to the Government of India,

To

The Secretary to the Government of Madras,
Education Department.

Department of Education,
(Education)

Calcutta, the 10th March 1911.

E

Sir,

I am directed to say that an additional member of the Imperial Legislative Council proposes to ask the following question :-

"Will the Government be pleased to lay on the table information concerning the fee rates, or, in the absence of such rates, the general average of fees levied in Arts and law Colleges and in general schools, whether Government Municipal, board, or aided, in the several provinces of British India in the year 1910; and the same as levied in the year 1904 ?"

The Government of India will be glad if, with the permission of the Governor in Council, the necessary information is furnished in respect of the Madras Presidency, with the least practicable delay, so as to enable them to answer the question.

3. I am to enclose a form in which, if possible, the information collected may be summarised. The Government of India will however be glad of any additional information that the Government of Madras may desire to give in any other form.

I have the honour to be,
Sir,
Your most obedient servant,

H Sharp

Joint Secretary to the Government of India.

TABLE OF FEE RATES

in Government
Local Board
Municipal
or Aided Institutions in the year 1904
1910.

NOTES.

Educational Department.

C.No.554, From the Government of India, No.351, dated 10th March 1911.

Subject.

Rates of fees in colleges and school.

Please see statement No.(24) on page 106 of Vol: II of the Public Instruction Report for the year 1909-1910 and on page 68 of Vol: II of the report for 1903-1904. This statement gives information regarding the average fee per head in Arts colleges, professional colleges, secondary schools, for boys and primary schools for boys. This does not, however, give the actual rates at which fees were levied in the several institutions, nor does it give separate figures for Law colleges, middle vernacular shools, upper primary schools and lower primary schools as required by the Government of India.

The Director of Public Instruction may, it is submitted, be asked u.o. to furnish at a very early date, the information asked for by the Government of India in the form prescribed by that Government.

T.K.
14-3-11

The middle vernacular schools mentioned by the Govt. of India apparently correspond to the higher elementary schools in this Presidency. The division of primary schools into upper and lower primary was in vogue before 1906, when on the introduction of of the new Educational rules, such a classification was abolished, Schools being divided into two classes, namely, Secondary and Elementary. In furnishing the statistics asked for by the Govt. of India for the year 1910, Elementary Schools with the four lower standards only may be taken as corresponding to the lower primary Schools of 1904, and those having also the fourth standard to ~~to~~ upper primary Schools.

Two tables are enclosed giving the required information for Schools under public management. Rates of fees differ greatly in Schools under private management so no similar tables can be drawn up for them. The following facts about average fees may meet the case:—

	Government.	Aided.	Unaided.
Arts Colleges	78·93	72·88	74·13
Secondary Schools (Boys)	22·56	16·49	11·05
Primary Schools (Boys).	·62	·80	1·63.

Further fee statistics are referred in the Public Instruction Report 05.06 Vol III p106.

Educational Department.

C.No.554, From the Government of India, No.351, dated 10th March 1911.

ORDER:- 166 D 23·3·11
Misc.

The following letter will be despatched to the Government of India.

LETTER:- 167 D 23·3·11

To

✓ The Secretary to the Govt., of India
Department of Education.

Despd
24·3·11

Sir,

I am directed to forward, in the form enclosed in your letter No.351, Education, dated 10th March 1911, two tables giving the rates of fees actually levied in institutions under public management, that is, in institutions maintained by Government, local boards and municipal councils, and to state that the fees in these three sets of institutions are levied at ~~one and~~ the same rates. From the tables furnished it would appear that no increase has taken place in the rates of fees for colleges between the years 1904 and 1910, but I am to point out that the rates of fees for this class of institutions have recently been raised from

from Rs.68 to Rs.83 in the case of Intermediate classes and from Rs.84 to Rs.106 in the case of B.A. classes, and that the increased rates will come into force from July 1911.

2. As regards aided institutions, I am to state that the rates and levy of fees in institutions under private management in this Presidency are left to a large extent to the discretion of the managers and that, in consequence, the fees levied in them vary so largely that it is not possible to furnish tables in respect of them similar to those furnished for schools under public management. The only statistics available regarding the rates of fees in these schools are those given in Statement No.(24) on page 106 of Vol:II of the report on public instruction in this Presidency for the year 1909-1910 and on page 68 of Vol: II of the report for 1903-1904. This statement, however, does not give the actual or the average rates of fees levied in each ~~individual~~ class or form in these institutions, but only the average rates of fees in each class of institution~~s~~ as a whole. I am to enclose an extract from this statement relating to aided colleges and schools and to point out that no Law college is maintained in this Presidency by private agency.

I have etc.,
