Chief Engineer.

Extract of para 3 of letter No. 483-S dated 7-11-1910 from Rao Sahib M.R. Ry. A.V. Ramalinga Iyer Ayl, B.A., B.C.M., Executive Engineer, Kistna Western Division, to the Superintending Engineer, II Circle, Bezawada.

I have the honour to bring to your notice the claims of the following members of the clerical staff of this Division for your special consideration:-

3. And there is one another Clerk P. Sitaramiah. He is an unpassed candidate who studied up to the Matriculation standard, with more than 12 years service in the Department as a Clerk throughout his service. His age is about 33 years. He has worked in this Division in almost all the branches. Exceptionally a very smart young man. In accounts matters, he has got special aptitude; writes beautifully short, but good business drafts; and turns out double the quantity of work in a very short time when compared with the average work of any Clerk. And I believe he would be an excellent Head Clerk of a Sub Division Office to manage it splendidly well. I therefore strongly recommend that he may be exempted from the operation of Examination rules to the next higher grade of 20-2-30, in consideration of the good work rendered in this Division; and particularly in the interests of public service. I believe there are several precedents like this, and Government has been pleased to accord sanction in various cases, on several occasions. His case deserves your special consideration..

B.C.E., A.M.I.C.E., Executive Engineer, Kistna Western Div
to the Superintending Engineer, II Circle, Bezwada.

Reference:- Your No. 84 K.W. of 23-5-1900.

I have the honour to inform you that P.Sitaramiah and V.Subba Rao are both men of 4½ years standing in the Department and have considerable experience in clerical work. The former P.Sitaramiah, Despatching Clerk is one of the best Clerks in the Division Office and the only one who can write a decent hand. It is extremely difficult to get passed men, or qualified men here and I request that Government may be again addressed on the matter and their exemption especially in the case of P.Sitaramiah made permanent. It will be very difficult to replace him.

I may point out that the exemptions have been made in a peculiar manner-men with only a few years service as in the case of D.R.Subba Rao, Ch. Subbarayudu & B.Bhujanga Rao have been exempted, while men with 4 or 5 years service have not been exempted or in other words as soon as a man has gained experience in his work, and become really useful he has to go.

If we could get passed men there would be no need for entertaining unpassed men; but as I have pointed out above this is a difficult matter in this Division. Having entertained an unpassed man and trained him to his work, it falls hard both on the man and the Office to have to send him away, when he is becoming really useful.

I request therefore that the matter might be reconsidered, and Clerks P.Sitaramiah and V.Subba Rao might be exempted; P.Sitaramiah being permanently exempted.

3. The present pay of Sitaramayya is not stated anywhere in the Correspondence. But from M. page 105 of the P.W. B.C. for 1910-11 it appears that in the Sub. Divisional office, Krishna Western Div. there are two grades of clerks - one on Rs 20-2-30 and another on Rs 15-1-20. Sitaramayya's exemption is now applied for with a view to appoint him to the next higher grade on Rs 20-2-30. It appears therefore that Sitaramayya is at present a clerk on Rs 15-1-20 grade drawing the maximum pay of the grade, namely, Rs 20.
